### III. DISTRICT INFORMATION

The District was established by the Board of County Commissioners of Miami-Dade County pursuant to Ordinance No. 25-110 on December 2, 2025, which became effective on December 12, 2025. The District encompasses approximately 50.6 +/- acres in an area bounded by SW 199 Avenue on the west, SW 344 Street on the north, SW 196 Avenue on the east, and SW 348 Street on the south, entirely within Miami-Dade County. The current development plan for the District includes 309 townhome units.

Table 1 illustrates the District’s Preliminary Development Plan.

### IV. CAPITAL IMPROVEMENT PROGRAM

The District’s CIP includes, but is not limited to, roadway improvements, stormwater management and drainage, water distribution system, and sanitary sewer system, all as more particularly described in the Engineer’s Report. The total cost of the CIP is estimated to be \$20,350,000 as described in the Engineer’s Report. A detail of these costs can be found in Table 2. The District expects to issue the Series 2026 Bonds to fund a portion of the CIP in the estimated amount of \$7,846,361.

### V. PRELIMINARY SERIES 2026 BONDS AND ASSESSMENTS

In order to provide for the CIP funding described in Section IV above, it is expected the District will issue the Series 2026 Bonds in the estimated principal amount of \$8,800,000, which will be secured by the pledged revenues from the Series 2026 Assessments. The Series 2026 Assessments will initially be levied in the estimated annual amount of \$639,012, exclusive of county collection costs and discounts, and shall be structured in the same manner as the Series 2026 Bonds, so that revenues from the Series 2026 Assessments are sufficient to fulfill the debt service requirements for the Series 2026 Bonds.

The Series 2026 Bonds will be structured as amortizing current-interest bonds, with the repayment occurring in annual installments of principal and interest. Interest payments dates shall occur every May 1 and November 1 from the date of issuance until final maturity anticipated on May 1, 2056. The first scheduled payment of coupon interest is estimated to be due on November 1, 2026 and the first installment of principal due on May 1, 2027. The annual principal payment will be due each May 1 thereafter until final maturity.

It is expected that the Series 2026 Assessments will initially be levied on the Unplatted Parcels within the District on a per acre basis. Series 2026 Assessments will be assigned to the lots planned within the District once they are platted. It is expected that Series 2026 Assessment installments assigned to the Platted Units will be collected via the Miami-Dade County property tax bill process (Uniform Method).<sup>1</sup> Accordingly, the Series 2026 Assessments have been adjusted to allow for current county collection costs and the possibility that landowners will avail themselves of early payment discounts. Currently, the aggregate rate for such costs and discounts is 6.0%, but this may fluctuate as provided by law. The Series 2026 Assessments assigned to Unplatted Parcels are expected to be collected directly by the District and will not include any county collection costs or early payment discounts. However, for purposes of this report, all units are inclusive of the associated costs and discounts for presentation purposes only.

## **VI. PRELIMINARY SERIES 2026 ASSESSMENT ALLOCATION**

The Series 2026 Assessments are expected to ultimately be allocated to all 309 Platted Units planned within the District, as shown on Table 5. The Series 2026 Assessments are allocated based on an EAU methodology, as defined in the Master Report, and as allocated, the Series 2026 Assessments fall within the cost/benefit thresholds and are fairly and reasonably allocated amount the different product types.

Table 5 reflects the Series 2026 Assessments per Platted Unit. The Series 2026 Assessments will initially be levied on the approximately 50.6 acres within the District on an equal assessment per acre basis. As land is either sold in bulk to third parties, or as land is platted or otherwise subdivided into Platted Units, the Series 2026 Assessments will be assigned to those Platted Units at the per-unit amounts described in Table 5, on a first platted and first assigned basis, thereby reducing the Series 2026 Assessments encumbering the Unplatted Parcels by a corresponding amount. The Series 2026 Assessments are expected to be assigned to 309 Platted Units within the District.

In the event an Unplatted Parcel is sold to a party not affiliated with the Developer, Series 2026 Assessments will be assigned to that Unplatted Parcel based on the maximum total number of Platted Units assigned by the Developer to that Unplatted Parcel. The owner of that Unplatted Parcel will be responsible for the total assessments applicable to the Unplatted Parcel, regardless of the total number of Platted Units ultimately platted. These total Series 2026 Assessments are fixed to the Unplatted Parcel at the time of the sale. If the Unplatted Parcel is subsequently sub-divided into smaller parcels, the total assessments initially allocated to the Unplatted Parcel will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e., equal assessment per acre until platting). If such property is sold to a unit of local government, any debt assigned to such property must be satisfied prior to such transfer by way of a True Up Payment (as defined below).

The Preliminary Series 2026 Assessment Roll is located on page A-5.

---

<sup>1</sup> The ultimate collection procedure is subject to District approval. Nothing herein should be construed as mandating collections that conflict with the terms, privileges, and remedies provided in the Indentures, Florida law, assessment resolutions, and/or other applicable agreements.

## **VII. PREPAYMENT AND TRUE UP OF SERIES 2026 ASSESSMENTS**

The Series 2026 Assessments encumbering a parcel may be prepaid in full or in part at any time, without penalty, together with interest at the rate on the Series 2026 Bonds to the Interest Payment Date (as defined in the Indenture) that is more than forty-five (45) days next succeeding the date of prepayment. Notwithstanding the preceding provisions, the District does not waive the right to assess penalties which would otherwise be permissible if the parcel being prepaid is subject to an assessment delinquency.

Because this methodology assigns defined, fixed assessments to Platted Units, the District's Series 2026 Assessment program is predicated on the development of lots in the manner described in Table 1. However, if a change in development results in a net decrease in the overall principal amount of assessments able to be assigned to the lands described in Table 1, then a true-up, or principal reduction payment will be required to cure the deficiency ("True Up Payment"). The District shall perform a review of the development plan for true-up calculation purposes at each time any plat/site plan is presented to the District. For further detail on the true-up process, please refer to the True-Up Agreement. Similarly, if a reconfiguration of lands or redemption of outstanding Series 2026 Bonds would result in the collection of substantial excess assessment revenue in the aggregate, then the District shall undertake a pro rata reduction of assessments for all assessed properties.

For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

**WHEREAS**, the Board of Supervisors of Legacy Palm Drive Community Development District (the "Board" and the "District," respectively) has determined to proceed at this time with the sale and issuance of Legacy Palm Drive Community Development District Capital Improvement Revenue Bonds, Series 2026 (the "Series 2026 Bonds") to be issued under and pursuant to a Master Trust Indenture, dated as of the first day of the first month and year in which Bonds are issued thereunder (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, Orlando, Florida, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture to be dated as of the first day of the first month and year in which the Series 2026 Bonds are issued thereunder (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture") between the District and the Trustee, in order to finance a portion of the Costs of the Capital Improvement Program;

**WHEREAS**, the Board has determined that given the nature of the market, the necessity for moving rapidly and the nature of the security for the Series 2026 Bonds, it is necessary and desirable for the Series 2026 Bonds to be sold by negotiated sale rather than competitive bid;

**WHEREAS**, the Board has received a proposal from MBS Capital Markets, LLC (the "Underwriter") for the purchase of the Series 2026 Bonds within parameters to be established by the Board and the Board has determined that authorization of the Chairman or other designated person to enter into a Bond Purchase Agreement (the "Purchase Agreement") in substantially the form attached hereto as Exhibit A for the sale of the Series 2026 Bonds to the Underwriter within the Parameters (hereinafter defined) herein set forth is in the best interests of the District for the reasons hereafter indicated; and

**WHEREAS**, in conjunction with the sale and issuance of the Series 2026 Bonds, it is necessary to approve the forms of the Master Indenture and Supplemental Indenture, to establish the parameters for the delegated award of the Series 2026 Bonds as set forth in Schedule I attached hereto (the "Parameters"), to authorize the Chairman to approve the use of the Preliminary Limited Offering Memorandum relating to the Series 2026 Bonds and the form of the final Limited Offering Memorandum, to approve the form of the Series 2026 Bonds and to provide for various other matters with respect to the Series 2026 Bonds and the undertaking of the Capital Improvement Program.

**NOW, THEREFORE, BE IT RESOLVED** that:

**1. Definitions.** All words and phrases used herein in capitalized form, unless otherwise defined herein, shall have the meaning ascribed to them in the Indenture.

**2. Award.** The Purchase Agreement in the form attached hereto as Exhibit A is hereby approved in substantial form and the sale of the Series 2026 Bonds to the Underwriter upon the terms and conditions therein set forth, but within the Parameters, is hereby approved. The Chairman is hereby authorized and directed to execute and deliver the Purchase Agreement on behalf of the District, with such changes, additions, deletions and insertions as shall be approved by the official executing such Purchase Agreement, which approval shall be conclusively evidenced by the execution and delivery thereof. In the absence or unavailability of the Chairman, the Vice Chairman is authorized and directed to execute the Purchase Agreement, and in the absence or unavailability of the Vice Chairman, any other member of the Board is authorized and directed to execute the Purchase Agreement. The Purchase Agreement, when executed and delivered by the District and the Underwriter, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

**3. Negotiated Sale.** The Board hereby determines that a negotiated sale of the Series 2026 Bonds to the Underwriter is in the best interests of the District because the market for instruments such as the Series 2026 Bonds is limited, because of prevailing market conditions and because the delays caused by soliciting competitive bids could adversely affect the District's ability to issue and deliver the Series 2026 Bonds.

**4. Approval of Forms of Master Indenture and Supplemental Indenture; Appointment of Trustee, Paying Agent and Bond Registrar.** Attached hereto as Exhibit B are the forms of the Master Indenture and Supplemental Indenture, which are each hereby authorized and approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Master Indenture and Supplemental Indenture and the Chairman is hereby authorized to deliver to the Trustee the Master Indenture and Supplemental Indenture which, when executed and delivered by the Trustee, shall each constitute the legal, valid and binding obligation of the District, enforceable in accordance with its respective terms. U.S. Bank Trust Company, National Association is hereby appointed as Trustee, Paying Agent and Bond Registrar under the Indenture.

**5. Description of Series 2026 Bonds.** The Series 2026 Bonds shall be dated as of their date of delivery and may be issued in one or more Series having such details as shall be set forth in the Purchase Agreement and as reflected in the Supplemental Indenture, but within the Parameters. The Series 2026 Bonds shall, subject to the Parameters, be subject to redemption on the terms, at the times and prices and in the manner provided in the Purchase Agreement and in the form of Series 2026 Bonds attached to the Supplemental Indenture, which form is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the

execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest and seal the Series 2026 Bonds and the Chairman is hereby authorized to deliver to the Trustee for authentication and delivery to the Underwriter upon payment by the Underwriter of the purchase price therefor, the Series 2026 Bonds which, when authenticated and delivered by the Trustee, shall be legal, valid and binding obligations of the District, enforceable in accordance with their terms.

**6. Approval of Form of Preliminary Limited Offering Memorandum and Limited Offering Memorandum; Approval of Form of Continuing Disclosure Agreement.** The Chairman is hereby authorized to approve the form and content of the Preliminary Limited Offering Memorandum, which is attached hereto as Exhibit C (the "Preliminary Limited Offering Memorandum") with such changes, additions, deletions and insertions as shall be approved by the Chairman prior to its distribution and the final form of which is to be dated the date of execution and delivery of the Purchase Agreement (the "Limited Offering Memorandum") relating to the Series 2026 Bonds. The Chairman is hereby authorized to execute on behalf of the District such Limited Offering Memorandum with such changes, additions, deletions and insertions as the Chairman may approve and to deliver such Limited Offering Memorandum to the Underwriter in sufficient quantities for use by the Underwriter in marketing the Series 2026 Bonds. The Chairman is hereby authorized to deem "final" the Preliminary Limited Offering Memorandum, as of its date, for the purposes and within the meaning of Rule 15c2-12 of the Securities and Exchange Commission (except for information concerning the offering prices, interest rates, selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, ratings or other terms dependent upon such matters, and except for such technical and conforming changes which shall be approved by the Chairman).

The Continuing Disclosure Agreement relating to the Series 2026 Bonds in the form attached hereto as Exhibit D is hereby approved, subject to such changes, additions, deletions and insertions as shall be approved by the Chairman, which approval shall be conclusively evidenced by the execution thereof. The Chairman is hereby authorized to execute and the Secretary is authorized to attest the Continuing Disclosure Agreement which, when executed and delivered by the District, shall be the legal, valid and binding obligation of the District, enforceable in accordance with its terms.

**7. Open Meetings.** It is hereby found and determined that all official acts of this Board concerning and relating to the issuance, sale, and delivery of the Series 2026 Bonds, including but not limited to adoption of this Resolution, were taken in open meetings of the members of the Board and all deliberations of the members of the Board that resulted in such official acts were in meetings open to the public, in compliance with all legal requirements including, but not limited to, the requirements of Section 286.011, Florida Statutes.

**8. Other Actions.** The Chairman, the Secretary, and all other members, officers and employees of the Board and the District are hereby authorized and directed to take all actions necessary or desirable in connection with the issuance and delivery of the Series 2026 Bonds and the consummation of all transactions in connection therewith, including the execution of all certificates, documents, papers, and agreements necessary to the undertaking and fulfillment of all transactions referred to in or contemplated by the Preliminary Limited Offering Memorandum, the Limited Offering Memorandum, the Indenture, this Resolution, the Continuing Disclosure Agreement and the Purchase Agreement, in all cases within the Parameters.

The Vice Chairman is hereby authorized to act in the stead of the Chairman in any undertaking authorized or required of the Chairman hereunder and any Assistant Secretary is hereby authorized to act in the stead of the Secretary in any undertaking authorized or required of the Secretary hereunder.

Undertaking of the Capital Improvement Program; Execution and Delivery of Other Instruments.** The Board hereby authorizes the undertaking of the Capital Improvement Program and authorizes and directs the District staff and Consulting Engineer to proceed with due diligence to the completion thereof in accordance with the Indenture and as described in the Limited Offering Memorandum. The Board hereby authorizes the Chairman and the Secretary to execute and deliver, receive or enter into such agreements, contracts, documents, instruments, certificates and proceedings incident thereto or necessary in order to effect the undertaking of the Capital Improvement Program and the issuance, sale and delivery of the Series 2026 Bonds, including but not limited to the execution and delivery of the DTC Letter of Representation.

**11. Assessment Methodology; Engineer's Report.** The Board hereby authorizes and approves modifications and supplements to the Assessment Methodology previously approved by the Board in connection with the marketing and sale of the Series 2026 Bonds. (i) paying all or part of the Cost of a Series Project or Series Projects or refunding a Series of Bonds or any portion thereof then Outstanding; and

(ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds.

(b) Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

(i) an executed and attested original or certified copy of this Master Indenture;

(ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order

of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, that this Master Indenture and the Supplemental Indenture constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally and subject to equitable principles, whether in a proceeding at law or in equity, and that the Assessments are legal, valid, and binding liens upon the property against which the Assessments are made, coequal with the lien of all State, County and municipal ad valorem taxes and superior in priority to all other liens, titles and claims against said property then existing or thereafter created, until paid; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax-Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman of the District.

(c) To the extent not set forth in the Supplemental Indenture authorizing the issuance of a Series of Bonds, the proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

(i) the amount received as accrued interest on the Bonds, if any, shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

**Section 208. Mutilated, Destroyed or Lost Bonds.** If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

**Section 209. Parity Obligations Under Credit Agreements.** As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

**Section 210. Bond Anticipation Notes.** Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series of Bonds. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of

the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

**Section 211. Tax Status of Bonds.** Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

### **ARTICLE III REDEMPTION OF BONDS**

**Section 301. Redemption Generally.** The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is

obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

**Section 302. Notice of Redemption; Procedure for Selection.** The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds to be redeemed. Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by

giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; and (h) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are registered in book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

**Section 303. Effect of Calling for Redemption.** On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

**Section 304. Cancellation.** Bonds called for redemption shall be canceled upon the surrender thereof pursuant to the provisions of Section 511 hereof.

## **ARTICLE IV ACQUISITION AND CONSTRUCTION FUND**

**Section 401. Acquisition and Construction Fund.** There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

**Section 402. Payments from Acquisition and Construction Fund.** Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article IV and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

**Section 403. Cost of a Series Project.** For the purposes of this Master Indenture, the Cost of a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) ***Expenses of Bond Issuance.*** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees and costs, Trustee's counsel fees and costs, rating agency fees, fees of financial advisors, engineer's fees and costs, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account, Capitalized Interest shall also include

any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account, provided that such direction includes a certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon, will be sufficient to pay for the remaining Costs of the related Series Project which are to be funded from such Series Acquisition and Construction Account.

(c) ***Acquisition Expenses.*** The costs of acquiring, by purchase or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

(d) ***Construction Expense.*** All costs incurred, including interest charges, for labor and materials, including equipment, machinery and fixtures, by contractors, builders, and materialmen in connection with the acquisition, installation and construction of a Series Project, and including without limitation costs incident to the award of contracts.

(e) ***Other Professional Fees and Miscellaneous Expenses.***

(i) All legal, architectural, engineering, survey, and consulting fees, as well as all financing charges, taxes, insurance premiums, and miscellaneous expenses, not specifically referred to in this Master Indenture that are incurred in connection with the acquisition and construction of a Series Project.

(ix) Costs incurred to enforce remedies against contractors, subcontractors, any provider of labor, material, services or any other person for a default or breach under the corresponding contract, or in connection with any dispute.

(x) Premiums for contract bonds and insurance during construction and costs on account of personal injuries and property damage in the course of construction and insurance against the same.

(xi) Expenses of management and supervision of a Series Project.

(xii) Costs of effecting compliance with any and all governmental permits relating to a Series Project.

(xiii) Payments, contributions, dedications, fair share or concurrency obligations and any other exactions as a condition to receive any government approval or permit necessary to accomplish any District purpose (including but not limited to impact fees, utility connection fees, school concurrency fees, etc.).

(xiv) Any other "cost" or expense as provided by the Act.

(f) **Refinancing Costs.** All costs described in (a) through (e) above or otherwise permitted by the Act associated with refinancing or repaying any loan or other debt obligation of the District.

**Section 404. Disposition of Balances in Acquisition and Construction Fund.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved for the payment of any remaining part of the Cost of the Series Project shall be transferred by the Trustee to the credit of the Series Prepayment Subaccount in the Series Redemption Account, or as otherwise provided in the Supplemental Indenture, and used for the purposes set forth for such Subaccount in the Supplemental Indenture relating to such Series of Bonds.

## ARTICLE V ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

**Section 501. Lien.** There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically

provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

**Section 502. Establishment of Funds.** The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds,

(i) a Series Debt Service Account, and therein a Series Interest Account, a Series Principal Account, a Series Sinking Fund Account and a Series Capitalized Interest Account, and

(ii) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount,

for each such Series of Bonds issued hereunder;

(d) Reserve Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Reserve Account for each such Series of Bonds issued hereunder and any Bonds issued on a parity with any such Series of Bonds hereunder; and

(e) Rebate Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax-Exempt Bonds issued hereunder.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Accounts or dispense with the Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

**Section 503. Acquisition and Construction Fund.**

(a) **Deposits.** The District shall pay to the Trustee, for deposit into the related Series Acquisition and Construction Account in the Acquisition and Construction Fund, as promptly as practicable, the following amounts received by it:

(i) the amount set forth in the Supplemental Indenture relating to such Series of Bonds;

(ii) subject to Section 806 hereof, payments made to the District from the sale, lease or other disposition of the Series Project or any portion thereof;

(iii) the balance of insurance proceeds with respect to the loss or destruction of the Series Project or any portion thereof;

(iv) amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project;

(v) amounts received from impact fee credits and/or utility connection fee credits; and

(vi) such other amounts as may be provided in a Supplemental Indenture.

Amounts in such Series Acquisition and Construction Account shall be applied to the Cost of the Series Project.

(b) **Disbursements.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b)

or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of at least twenty-five percent (25%) in principal amount of any Outstanding Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

**Section 504. Revenue Fund.** The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

**Section 505. Debt Service Fund.**

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** Except as otherwise provided in a Supplemental Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the

principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) ***Disposition of Remaining Amounts on Deposit in Series Revenue Account.*** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property

Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) ***Series Reserve Account.*** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) ***Series Debt Service Account.*** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) ***Series Redemption Account.*** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) ***Payment to the District.*** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for

such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

#### **Section 506. Optional Redemption.**

(a) ***Excess Amounts in Series Redemption Account.*** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) ***Purchase of Bonds of a Series.*** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that

there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

#### **Section 507. Rebate Fund.**

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) **Survival.** The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with

provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

**Section 508. Investment of Funds and Accounts.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) ***Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.*** Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

(b) ***Series Reserve Account.*** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) ***Investment Obligations as a Part of Funds and Accounts.*** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) ***Valuation.*** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall

value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

**Section 509. Deficiencies and Surpluses in Funds and Accounts.** For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series

Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

**Section 510. Investment Income.** Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

**Section 511. Cancellation of Bonds.** All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the District execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

## ARTICLE VI CONCERNING THE TRUSTEE

**Section 601. Acceptance of Trust.** The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

**Section 602. No Responsibility for Recitals.** The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

**Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence.** The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

**Section 604. Compensation and Indemnity.** The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event

of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

**Section 605. No Duty to Renew Insurance.** The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

**Section 606. Notice of Default; Right to Investigate.** The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

**Section 607. Obligation to Act on Default.** Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

**Section 608. Reliance by Trustee.** The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee

shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

**Section 609. Trustee May Deal in Bonds.** The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

**Section 610. Construction of Ambiguous Provision.** The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

**Section 611. Resignation of Trustee.** The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the registration books of the District and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

**Section 612. Removal of Trustee.** Any Trustee hereunder may be removed at any time by an instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the District. No such removal shall be effective until any amounts owed to the Trustee hereunder have been paid in full.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with,

any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding.

**Section 613. Appointment of Successor Trustee.** If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the registration books of the District, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that the District shall not appoint a successor Trustee if an Event of Default has occurred and is continuing, unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of the Majority Owners or, if there is a Credit Facility or Liquidity Facility with respect to any Series of Bonds, any Credit Facility issuer and any Liquidity Facility issuer, to the appointment of such successor Trustee. If an Event of Default has occurred hereunder and is continuing and the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and a successor may be appointed by any court of competent jurisdiction upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding and such successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

**Section 614. Qualification of Successor Trustee.** A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

**Section 615. Instruments of Succession.** Except as provided in Section 616 hereof, any successor Trustee shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein, except for the predecessor's rights under Section 604 hereof. After withholding from the funds on hand any amounts owed to itself hereunder, the Trustee ceasing to act hereunder shall pay over to the successor Trustee all moneys

held by it hereunder; and the Trustee ceasing to act and the District shall execute and deliver an instrument or instruments transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the Trustee ceasing to act except for the rights granted under Section 604 hereof. The successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

**Section 616. Merger of Trustee.** Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated or into which all or substantially all of its corporate trust assets shall be sold or its operations conveyed, or any corporation, entity or purchaser resulting from any merger, consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation, entity or purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

**Section 617. Resignation of Paying Agent or Bond Registrar.** The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the District and the Trustee not less than sixty (60) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation mailed not less than sixty (60) days prior to such resignation date to each Owner as its name and address appear on the registration books of the District maintained by the Bond Registrar. Such resignation shall take effect on the date specified in such notice, unless a successor Paying Agent or Bond Registrar is previously appointed in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Bond Registrar. If a successor Paying Agent or Bond Registrar shall not have been appointed within a period of sixty (60) days following the giving of notice, then the Trustee may appoint a successor Paying Agent or Bond Registrar as provided in Section 619 hereof.

**Section 618. Removal of Paying Agent or Bond Registrar.** The Paying Agent or Bond Registrar may be removed at any time prior to any Event of Default by the District by filing with the Paying Agent or Bond Registrar to be removed and the Trustee, an instrument or instruments in writing executed by an Authorized Officer appointing a successor. Such removal shall be effective thirty (30) days after delivery of the instrument (or such longer period as may be set forth in such

instrument); provided, however, that no such removal shall be effective until the successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder.

**Section 619. Appointment of Successor Paying Agent or Bond Registrar.** In case at any time the Paying Agent or Bond Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Bond Registrar, as the case may be, and a successor shall be appointed by the District; and in case at any time the Paying Agent or Bond Registrar shall resign, then a successor shall be appointed by the District. Upon any such appointment, the District shall give written notice of such appointment to the predecessor Paying Agent or Bond Registrar, the successor Paying Agent or Bond Registrar, the Trustee and all Owners. Any new Paying Agent or Bond Registrar so appointed shall immediately and without further act supersede the predecessor Paying Agent or Bond Registrar.

**Section 620. Qualifications of Successor Paying Agent or Bond Registrar.** Every successor Paying Agent or Bond Registrar shall (a) be a commercial bank or trust company duly organized under the laws of the United States or any state or territory thereof, authorized by law to perform all the duties imposed upon it by this Master Indenture, and capable of meeting its obligations hereunder, and (b) have a combined net capital and surplus of at least \$50,000,000.

**Section 621. Acceptance of Duties by Successor Paying Agent or Bond Registrar.** Except as provided in Section 622 hereof, any successor Paying Agent or Bond Registrar appointed hereunder shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Paying Agent or Bond Registrar, without any further act, deed or conveyance, shall become duly vested with all the estates property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Bond Registrar herein. Upon request of such Paying Agent or Bond Registrar, such predecessor Paying Agent or Bond Registrar and the District shall execute and deliver an instrument transferring to such successor Paying Agent or Bond Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Bond Registrar and such predecessor Paying Agent or Bond Registrar shall pay over and deliver to the successor Paying Agent or Bond Registrar all moneys and other assets at the time held by it hereunder.

**Section 622. Successor by Merger or Consolidation.** Any corporation, entity or purchaser into which any Paying Agent or Bond Registrar hereunder may be merged, converted or sold or with which it may be consolidated or into which substantially all of its corporate trust assets shall be sold or otherwise conveyed, or

any corporation, entity or purchaser resulting from any merger, consolidation or sale to which any Paying Agent or Bond Registrar hereunder shall be a party, shall be the successor Paying Agent or Bond Registrar under this Master Indenture without the execution or filing of any paper or any further act on the part of the parties hereto, anything in this Master Indenture to the contrary notwithstanding.

**Section 623. Brokerage Statements.** The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost, as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

**Section 624. Patriot Act Requirements of the Trustee.** To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust, or other legal entity, the Trustee will ask for documentation to verify such non-individual person's formation and existence as a legal entity. The Trustee may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

## **ARTICLE VII FUNDS CONSTITUTE TRUST FUNDS**

**Section 701. Trust Funds.** Subject to the provisions of Section 604 and Section 905(a) hereof, all amounts on deposit in Funds or Accounts for the benefit of a Series of Bonds shall:

(a) be used only for the purposes and in the manner provided herein and in the Supplemental Indenture relating to such Series of Bonds and, pending such application, be held by the Trustee in trust for the benefit of the Owners of such Series of Bonds;

(b) be irrevocably pledged to the payment of such Series of Bonds, except for amounts on deposit in the Series Rebate Account in the Rebate Fund;

(c) be held and accounted for separate and apart from all other Funds and Accounts, including Accounts of other Series of Bonds, and other funds and accounts of the Trustee and the District;

(d) until applied for the purposes provided herein, be subject to a first lien in favor of the Owners of such Series of Bonds and any parity obligations to issuers

of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds, which lien is hereby created, prior and superior to all other liens now existing or hereafter created, and, to a second lien in favor of the Trustee, as security for the reasonable compensation for the services of the Trustee hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, subordinate and inferior to the security interest granted to the Owners of such Series of Bonds and any parity obligations to issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds, but nevertheless payable in the order of priority as set forth in Section 905(a) or Section 905(b) hereof upon the occurrence of an Event of Default; and

(e) shall not be subject to lien or attachment by any creditor of the Trustee or any creditor of the District or any other Series of Bonds other than the Owners of such Series of Bonds and the issuers of Credit Facilities or Liquidity Facilities with respect to such Series of Bonds.

## **ARTICLE VIII COVENANTS AND AGREEMENTS OF THE DISTRICT**

**Section 801. Except as provided herein, the District hereby represents that such moneys, securities and

funds of the District are and will be free and clear of any pledge, lien, charge or encumbrance thereon and all action on the part of the District to that end has been and will be duly and validly taken. The Bonds of each Series, this Master Indenture and any Supplemental Indenture are and will be the valid and legally enforceable obligations of the District, enforceable in accordance with their terms except to the extent that enforcement thereof may be subject to bankruptcy and other similar laws affecting creditors' rights generally. The District shall at all times, to the extent permitted by law, defend, preserve and protect the pledge and lien created by this Master Indenture and all the rights of the Owners hereunder against all claims and demands of all other persons whomsoever.

**Section 805. Power to Undertake Series Projects and to Collect Pledged Revenues.** The District has or will have upon the date of issuance of each Series of Bonds, and will have so long as any Bonds are Outstanding, good right and lawful power: (a) to undertake the Series Projects, or it will take such action on its part required which it deems reasonable in order to obtain licenses, orders, permits or other authorizations, if any, from any agency or regulatory body having lawful jurisdiction which must be obtained in order to undertake such Series Project; and (b) to fix, levy and collect or cause to be collected any and all Pledged Revenues.

**Section 806. The District may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments, or other movable property acquired by the District in connection with a Series Project, or any materials used in connection therewith, if the District shall determine that such articles are no longer needed or are no longer useful in connection with the acquisition, construction, operation or maintenance of a Series Project, and the proceeds thereof may be applied to the replacement of the properties so sold or disposed of and, if not so applied, shall be deposited to the credit of the related Series Acquisition and Construction Account or, after the Date of Completion of the Series Project, shall be applied as provided in the corresponding Supplemental Indenture. The District may from time to time sell or lease such other property forming part of a Series Project which it may determine is not needed or serves no useful purpose in connection with the maintenance and operation of such Series Project, if the Consulting Engineer shall in writing approve such sale or lease, and the proceeds of any such sale shall be disposed of as hereinabove provided for the proceeds of the sale or disposal of movable property. The proceeds of any lease as described above shall be applied as provided in the corresponding Supplemental Indenture.

Notwithstanding the foregoing, the District may: (a) dispose of all or any part of a Series Project, other than a Series Project the revenues to be derived from the operation of which are pledged to a Series of Bonds, by gift or dedication thereof to any unit of local government, or to the State or any agency or instrumentality of

either of the foregoing or the United States Government; and/or (b) impose, declare or grant title to or interests in the Series Project or a portion or portions thereof in order to create ingress and egress rights and public and private utility easements as the District may deem necessary or desirable for the development, use and occupancy of the property within the District; and/or (c) impose or declare covenants, conditions and restrictions pertaining to the use, occupancy and operation of the Series Projects.

**Section 807. Completion and Maintenance of Series Projects.** The District shall complete the acquisition and construction of a Series Project with all practical dispatch and in a sound and economical manner. So long as any Series Project is owned by the District, the District shall maintain, preserve and keep the same or cause the same to be maintained, preserved and kept, with the appurtenances and every part and parcel thereof, in good repair, working order and condition, and shall from time to time make, or cause to be made, all necessary and proper repairs, replacements and renewals so that at all times the operation thereof may be properly and advantageously conducted.

**Section 808. Accounts and Reports.**

(a) **Annual Report.** The District shall, within thirty (30) days of receipt and approval by the District, so long as any Bonds are Outstanding, deliver to each Requesting Owner (hereinafter defined), and otherwise as provided by law, a copy of its annual audit for such year, accompanied by an Accountant's Certificate, including (i) statements in reasonable detail of its financial condition as of the end of such Fiscal Year and income and expenses for such Fiscal Year, and (ii) statements of all receipts and disbursements of the Pledged Revenues of each Series of Bonds (unless the Pledged Revenues of such Series are remitted directly to the Trustee). The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with the District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis. For purposes of the foregoing, the term "Requesting Owner" shall mean the Owner (or Beneficial Owner in the case of Bonds held in book-entry form) of more than \$1,000,000 aggregate principal amount of any Series of Bonds who requests such information in writing to the District.

(b) **Default Certificate.** The District shall file with the Trustee, so long as any Bonds are Outstanding, a certificate of an Authorized Officer upon the occurrence of an Event of Default as described in Section 902(h) hereof, such certificate to contain a description of the nature of such Event of Default and actions taken or to be taken to remedy such Event of Default.

(c) **Inspection.** The reports, statements and other documents required to be furnished by the District to the Trustee and by the Trustee to the District pursuant

to any provisions hereof shall be available for inspection by any Owner of at least twenty-five percent (25%) in principal amount of any Series of Bonds Outstanding at the designated office of the District upon the giving of at least five (5) days advance written notice to the District or the Trustee, as the case may be.

(d) ***Reports Pursuant to Uniform Special District Accountability Act of 1989.*** The District covenants and agrees that it will comply with the provisions of Chapter 189.01 et seq., Florida Statutes, the Uniform Special District Accountability Act of 1989, to the extent applicable to the District, including any reporting requirements contained therein which are applicable to the District. The District may contract with a service provider selected by the District to ensure such compliance.

**Section 809. Arbitrage and Other Tax Covenants.** The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause any Tax-Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Code. The District further covenants that it will take all such actions after delivery of any Tax-Exempt Bonds as may be required in order for interest on such Tax-Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Code) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will to the extent not remitted by the Trustee from funds held in the Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants.

**Section 810. Enforcement of Payment of Assessments.** The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments, Benefit Special Assessments, and/or any other sources which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged, and to pay or cause to be paid the proceeds of such Assessments, Benefit Special Assessments, and/or any other sources as received to the Trustee in accordance with the provisions hereof.

**Section 811. Method of Collection of Assessments and Benefit Special Assessments.** The District shall levy and collect Assessments and Benefit Special Assessments in accordance with applicable State law.

**Section 812. Delinquent Assessments.** If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment or Benefit Special Assessment, pledged to a Series of Bonds, then such Assessment or Benefit Special Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of

Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that an Assessment or Benefit Special Assessment was directly collected by the District, as permitted by a Supplemental Indenture, then upon the delinquency of any such Assessment or Benefit Special Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the entire unpaid balance of such Assessment or Benefit Special Assessment, to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, or otherwise as provided by law. The District further covenants to furnish, at its expense, to any Owner of Bonds of the related Series so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available), and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

**Section 813. Deposit of Proceeds from Sale of Tax Certificates.** If any tax certificates relating to Delinquent Assessments which are pledged to a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

**Section 814. Sale of Tax Deed or Foreclosure of Assessment or Benefit Special Assessment Lien.** If any property shall be offered for sale for the nonpayment of any Assessment or Benefit Special Assessment, which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount less than or equal to the full amount due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments or Benefit Special Assessments were pledged; provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to lease or

sell such property, and deposit all of the net proceeds of any such lease or sale into the related Series Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the related Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Bonds of such Series then Outstanding.

**Section 815. Other Obligations Payable from Assessments or Benefit Special Assessments.** The District will not issue or incur any obligations payable from the proceeds of Assessments or Benefit Special Assessments securing a Series of Bonds nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments or Benefit Special Assessments other than the lien of any Subordinate Debt except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to State law.

**Section 816. Re-Assessments.** If any Assessment or Benefit Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Assessment or Benefit Special Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment or Benefit Special Assessment when it might have done so, the District shall either: (a) take all necessary steps to cause a new Assessment or Benefit Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement; or (b) in its sole discretion, make up the amount of such Assessment or Benefit Special Assessment from legally available moneys, which moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment or Benefit Special Assessment shall also be annulled, the District shall obtain and make other Assessments or Benefit Special Assessments until a valid Assessment or Benefit Special Assessment shall be made.

**Section 817. General.** The District shall do and perform, or cause to be done and performed, all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture to exist, to have happened and to have been performed precedent to and in the

issuance of such Series of Bonds shall exist, have happened and have been performed and upon issuance, such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State applicable to the District.

The District shall not enter into any contract or take any action by which the rights of the Trustee or the Owners may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the District shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Series Projects, and all parts thereof owned by the District to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby, and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

**Section 818. Continuing Disclosure.** The District covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture or any Supplemental Indenture, failure of the District or any other obligated person to comply with any Continuing Disclosure Agreement shall not be considered an Event of Default hereunder; however, the Trustee may (and, at the request of any participating underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Bonds of a Series then Outstanding and receipt of indemnity to its satisfaction, shall) or any Owner or Beneficial Owner of the Bonds of a Series then Outstanding may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Section 818. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

## **ARTICLE IX EVENTS OF DEFAULT AND REMEDIES**

**Section 901. Extension of Interest Payment.** If the time for payment of interest of a Bond of any Series shall be extended, whether or not such extension be by or with the consent of the District, such interest so extended shall not be entitled in case of default hereunder to the benefit or security of this Master Indenture unless the aggregate principal amount of such Bonds then Outstanding and of all accrued interest the time for payment of which shall not have been extended, shall have previously been paid in full.

**Section 902. Events of Default.** Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

(a) Any payment of Debt Service on such Series of Bonds is not made when due;

(b) The District shall for any reason be rendered incapable of fulfilling its obligations hereunder or under the Supplemental Indenture relating to such Series of Bonds;

(c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the related Series Project;

(d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) The District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Assessments or Benefit Special Assessments pledged to a Series of Bonds shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in a Series Reserve Account to pay Debt Service on the corresponding Series of Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series Reserve Account to pay Debt Service on the corresponding Series of Bonds);

(h) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture

relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds of such Series then Outstanding and affected by such default; and

(i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments or Benefit Special Assessments pledged to a Series of Bonds are not paid by the date such are due and payable.

**Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances.** Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series of Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a

declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

**Section 904. Enforcement of Remedies.** Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910, 912 and the second paragraph of this Section 904. No Owner

or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

**Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds.** Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the

persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application

and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

**Section 906. Effect of Discontinuance of Proceedings.** If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

**Section 907. Restriction on Individual Owner Actions.** Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

**Section 908. No Remedy Exclusive.** No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

**Section 909. Delay Not a Waiver.** No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

**Section 910. Right to Enforce Payment of Bonds.** Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

**Section 911. No Cross Default Among Series.** The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

**Section 912. Indemnification.** Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

**Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.**

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee

shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good

faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

## **ARTICLE X EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS**

**Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds.** Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

**Section 1002. Deposit of Bonds.** Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

## **ARTICLE XI SUPPLEMENTAL INDENTURES**

**Section 1101. Supplemental Indentures Without Owner Consent.** The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

(a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or

(b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, 197 and 298, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

**Section 1102. Supplemental Indentures With Owner Consent.**

(a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;

(ii) a reduction in the principal, premium, or interest on any Bond;

(iii) a preference or priority of any Bond over any other Bond; or

(iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;

(ii) a reduction in the principal, premium, or interest on any Bond of such Series;

(iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or

(iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.

(c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

(d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

**Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture.** In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

**Section 1104. Supplemental Indenture Part of Indenture.** Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

**Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.**

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

(i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;

(ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and

(iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

(i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or

(ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or

(iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or

(iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

## **ARTICLE XII DEFEASANCE**

### **Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.**

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall

be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and

(iv) the Trustee shall have received an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal

Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if at the time a deposit is made pursuant to this subsection (e) the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement and any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall at the written request of the District be repaid by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond

insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

**Section 1202. Moneys Held in Trust.** All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

### **ARTICLE XIII MISCELLANEOUS PROVISIONS**

**Section 1301. Effect of Covenant.** All covenants, stipulations, obligations and agreements of the District contained in this Master Indenture shall be deemed to be covenants, stipulations, obligations and agreements of the District and of the Governing Body of the District to the full extent authorized or permitted by law and all such covenants, stipulations, obligations and agreements shall bind or inure to the benefit of the successor or successors thereof from time to time and any officer, board, body or commission to whom or to which any power or duty affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law.

No covenant, stipulation, obligation or agreement herein contained shall be deemed to be a covenant, stipulation, obligation or agreement of any member, agent or employee of the Governing Body in his or her individual capacity, and neither the members of the Governing Body nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

Moneys in the Series 2026 Optional Redemption Subaccount shall be applied in accordance with Section 506 of the Master Indenture to the optional redemption of Series 2026 Bonds.

### **ARTICLE IV DEPOSIT OF SERIES 2026 BOND PROCEEDS AND APPLICATION THEREOF; ESTABLISHMENT OF ACCOUNTS AND OPERATION THEREOF**

(c) within the Reserve Fund held by the Trustee, a Series 2026 Reserve Account, which shall be held for the benefit of all of the Series 2026 Bonds, without distinction as to Series 2026 Bonds and without privilege or priority of one Series 2026 Bond over another;

(d) within the Revenue Fund held by the Trustee, a Series 2026 Revenue Account; and

(e) within the Rebate Fund held by the Trustee, a Series 2026 Rebate Account.

**Section 402. **Section 403. Series 2026 Acquisition and Construction Account; Series 2026 Costs of Issuance Account.** (a) Amounts on deposit in the Series 2026 Acquisition and Construction Account shall be applied to pay Costs of the Capital Improvement Program upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and on the form attached hereto as Exhibit C. The Trustee shall have no duty to verify that any requested disbursement from the Series 2026 Acquisition and Construction Account is for a Cost of the Capital Improvement Program. The Consulting Engineer shall establish a Date of Completion for the Capital Improvement Program, and any balance remaining in the Series 2026 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Capital Improvement Program which are required to be reserved in the Series 2026 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2026 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with Section 301 hereof and in the manner prescribed in the form of Series 2026 Bond attached hereto as Exhibit B. Notwithstanding the foregoing, the District shall not establish a Date of Completion until after the Reserve Account Release Conditions have been satisfied and moneys have been transferred from the Series 2026 Reserve Account to the Series 2026

Acquisition and Construction Account as a result of such satisfaction pursuant to Section 405 hereof. At such time as there are no amounts on deposit in the Series 2026 Acquisition and Construction Account, such Account shall be closed.

(b) The amount deposited in the Series 2026 Costs of Issuance Account shall, at the written direction of an Authorized Officer to the Trustee, be used to pay the costs of issuance relating to the Series 2026 Bonds. On the date of issuance of the Series 2026 Bonds, costs of issuance shall be paid pursuant to the instructions in the closing memorandum prepared by the Underwriter and signed by an Authorized Officer. On the earlier to occur of (i) the written direction of an Authorized Officer or (ii) six (6) months from the date of issuance of the Series 2026 Bonds, any amounts deposited in the Series 2026 Costs of Issuance Account for which the Trustee has not received a requisition to pay such costs shall be transferred over and deposited into the Series 2026 Acquisition and Construction Account and used for the purposes permitted therefor. Any deficiency in the amount allocated to pay the costs of issuance relating to the Series 2026 Bonds shall be paid from excess moneys on deposit in the Series 2026 Revenue Account pursuant to Section 408(d) FOURTH hereof. When such deficiency has been satisfied and no moneys remain therein, the Series 2026 Costs of Issuance Account shall be closed.

**Section 404. Series 2026 Capitalized Interest Account.** Amounts on deposit in the Series 2026 Capitalized Interest Account shall, until and including November 1, 2026, be transferred into the Series 2026 Interest Account and applied to the payment of interest first coming due on the Series 2026 Bonds in accordance with Section 408(d) hereof, and thereafter transferred into the Series 2026 Acquisition and Construction Account, whereupon the Series 2026 Capitalized Interest Account shall be closed.

**Section 405. Series 2026 Reserve Account.** The Series 2026 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2026 Reserve Account Requirement. Except as otherwise provided herein or in the Master Indenture, amounts on deposit in the Series 2026 Reserve Account shall be used only for the purpose of making payments into the Series 2026 Interest Account and the Series 2026 Sinking Fund Account to pay Debt Service on the Series 2026 Bonds, when due, without distinction as to Series 2026 Bonds and without privilege or priority of one Series 2026 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2026 Reserve Account shall consist only of cash and Series 2026 Investment Obligations.

Anything herein or in the Master Indenture to the contrary notwithstanding, on the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), an Authorized Officer of the District shall recalculate the Series 2026 Reserve Account Requirement and shall direct the Trustee in writing to transfer any

excess on deposit in the Series 2026 Reserve Account (a) resulting from Prepayments of Series 2026 Assessments into the Series 2026 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2026 Bonds, (b) resulting from a reduction of the Series 2026 Reserve Account Requirement as the result of the Reserve Account Release Conditions being met into the Series 2026 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in Section 408(f) herein. The Trustee is hereby authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2026 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2026 Bonds, together with accrued interest and redemption premium, if any, on such Series 2026 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2026 Reserve Account into the Series 2026 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2026 Bonds on the earliest Redemption Date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2026 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

**Section 406. Amortization Installments; Selection of Bonds for Redemption.** (a) The Amortization Installments established for the Series 2026 Bonds shall be as set forth in the form of Series 2026 Bonds attached hereto.

(b) Upon any redemption of Series 2026 Bonds (other than Series 2026 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2026 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2026 Bonds to be redeemed in such amounts and having such maturities so as to result in Amortization Installments recalculated, which recalculation shall be performed by the District, in such manner as shall amortize all the Outstanding Series 2026 Bonds of all of the maturities in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining terms of all of the Series 2026 Bonds.

**Section 407. Tax Covenants.** The District shall comply with the Arbitrage Certificate, including but not limited to the Tax Regulatory Covenants set forth as an exhibit to the Arbitrage Certificate, as amended and supplemented from time to time in accordance with their terms.

**Section 408. Series 2026 Revenue Account; Application of Revenues and Investment Earnings.** (a) The Trustee is hereby authorized and directed to deposit any and all amounts required to be deposited in the Series 2026 Revenue Account by this Section 408 or by any other provision of the Master Indenture or this First Supplemental Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2026 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2026 Revenue Account (i) Series 2026 Assessment Revenues other than Series 2026 Prepayments (which Series 2026 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2026 Prepayment Subaccount), (ii) Series 2026 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2026 Revenue Account.

(c) On the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), the Trustee shall determine the amount on deposit in the Series 2026 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2026 Revenue Account for deposit into the Series 2026 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2026 Revenue Account to pay Debt Service coming due on the Series 2026 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2026 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2026 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2026 Bonds set forth in the form of Series 2026 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2026 Capitalized Interest Account to the Series 2026 Interest Account the lesser of (i) the amount of interest coming due on the Series 2026 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2026 Interest Account, or (ii) the amount remaining in the Series 2026 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts

on deposit in the Series 2026 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

**FIRST**, to the Series 2026 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2026 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2026 Capitalized Interest Account in accordance with this Section 408(d), if any, and (ii) the amount already on deposit in the Series 2026 Interest Account not previously credited;

**SECOND**, on May 1, 20[\_\_\_], and on each May 1 thereafter, to the Series 2026 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2026 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2026 Sinking Fund Account not previously credited;

**THIRD**, to the Series 2026 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2026 Reserve Account Requirement with respect to the Series 2026 Bonds; and

**FOURTH**, the balance shall first be deposited into the Series 2026 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2026 Bonds, and then the balance shall be retained in the Series 2026 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2026 Revenue Account to the Series 2026 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2026 Bonds shall be invested only in Series 2026 Investment Obligations. Earnings on investments in the Series 2026 Acquisition and Construction Account, the Series 2026 Interest Account and the Series 2026 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purposes of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2026 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2026 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2026 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2026 Reserve Account as of the most recent date on which amounts on deposit in the Series 2026 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2026 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2026 Reserve Account shall be deposited into the Series 2026 Capitalized Interest Account through November 1, 2026, and thereafter shall be deposited into the Series 2026 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2026 Reserve Account as of the most recent date on which amounts on deposit in the Series 2026 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2026 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2026 Reserve Account shall be retained in the Series 2026 Reserve Account until the amount on deposit therein is equal to the Series 2026 Reserve Account Requirement, and then earnings on investments in the Series 2026 Reserve Account shall be deposited into the Series 2026 Capitalized Interest Account through November 1, 2026, and thereafter shall be deposited into the Series 2026 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2026 Reserve Account made pursuant to Section 405 hereof.

## **ARTICLE V CONCERNING THE TRUSTEE**

**Section 501. Acceptance by Trustee.** The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth herein and in the Master Indenture.

**Section 502. Limitation of Trustee's Responsibility.** The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

**Section 503. Trustee's Duties.** Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

**ARTICLE VI  
ADDITIONAL BONDS**

**Section 601. No Parity Bonds; Limitation on Parity Assessments.** Other than Refunding Bonds issued to refund the then Outstanding Series 2026 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2026 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2026 Trust Estate. The District further covenants and agrees that so long as the Series 2026 Assessments have not been Substantially Absorbed, it will not impose Assessments for capital projects on any lands subject to the Series 2026 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2026 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

**ARTICLE VII  
MISCELLANEOUS**

**Section 701. Confirmation of Master Indenture.** As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2026 Bonds issued hereunder.

**Section 702. Continuing Disclosure Agreement.** Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

**Section 703. Additional Covenant Regarding Assessments.** In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2026 Assessment Proceedings heretofore adopted with respect to the Series 2026 Assessments, including the Assessment Methodology, and to levy the Series 2026 Assessments and collect any required true-up payments

set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2026 Bonds, when due.

**Section 704. Collection of Assessments.** (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2026 Assessments levied on platted lots and pledged hereunder to secure the Series 2026 Bonds shall be collected pursuant to the Uniform Method, and Series 2026 Assessments levied on unplatted lands and pledged hereunder to secure the Series 2026 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the District determines that it is in its best interest not to collect the Series 2026 Assessments pursuant to such method. The election to collect and enforce Series 2026 Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce the Series 2026 Assessments pursuant to any other method permitted by law in any subsequent year. Notwithstanding the foregoing, upon the occurrence and continuance of an Event of Default, the collection of Series 2026 Assessments shall be in the manner directed by the Majority Owners or as directed by the Trustee acting at the direction of the Majority Owners.

(b) Series 2026 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date; provided, however, that such Series 2026 Assessments shall not be deemed Delinquent Assessments unless and until such Series 2026 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

**Section 705. Owner Direction and Consent with Respect to Series 2026 Acquisition and Construction Account Upon Occurrence of Event of Default.** In accordance with the provisions of the Indenture, the Series 2026 Bonds are payable solely from the Series 2026 Pledged Revenues and the Series 2026 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2026 Pledged Funds include, without limitation, all amounts on deposit in the Series 2026 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, the Series 2026 Pledged Funds may not be used by the District (whether to pay Costs of the Capital Improvement Program or otherwise) without the written consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Capital Improvement Program and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, the Series 2026 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the

Indenture. The District shall not enter into any binding agreement with respect to the Capital Improvement Program that will cause the expenditure of additional funds from the Series 2026 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

**Section 706. Assignment of District's Rights Under Collateral Assignment.** Subject to the terms of the Collateral Assignment, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2026 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignment by virtue of such assignment.

**Section 707. Enforcement of True-Up Agreement and Completion Agreement.** The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreement and the Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and the Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

**Section 708. Payment of Rebate Amount.** Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2026 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2026 PLEDGED REVENUES AND THE SERIES 2026 PLEDGED FUNDS PLEDGED TO THE SERIES 2026 BONDS, ALL AS PROVIDED HEREIN AND IN THE INDENTURE.

This Bond is issued under and pursuant to the Constitution and laws of the State of Florida, particularly Chapter 190, Florida Statutes, and other applicable provisions of law and pursuant to the Indenture, executed counterparts of which Indenture are on file at the corporate trust office of the Trustee. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of Series 2026 Bonds issued under the Indenture, the collection and disposition of revenues and the funds charged with and pledged to the payment of the principal, Amortization Installments and Redemption Price of, and the interest on, the Series 2026 Bonds, the nature and extent of the security thereby created, the covenants of the District with respect to the levy and collection of Series 2026 Assessments, the terms and conditions under which the Series 2026 Bonds are or may be issued, the rights, duties, obligations and immunities of the District and the Trustee under the Indenture and the rights of the Owners of the Series 2026 Bonds and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. The Series 2026 Bonds are equally and ratably secured by the Series 2026 Trust Estate, without preference or priority of one Series 2026 Bond over another. The Supplemental Indenture does not authorize the issuance of any additional Bonds ranking on parity with the Series 2026 Bonds as to the lien and pledge of the Series 2026 Trust Estate except, under certain circumstances, Refunding Bonds, and the Supplemental Indenture contains provisions limiting the imposition of capital Assessments on property subject to the Series 2026 Assessments.

The Series 2026 Bonds are issuable only as registered bonds without coupons in current interest form in denominations of \$5,000 or any integral multiple thereof (an "Authorized Denomination"); provided, however, that the Series 2026 Bonds shall be delivered to the initial purchasers thereof only in aggregate principal amounts of \$100,000 or integral multiples of Authorized Denominations in excess of \$100,000. This Bond is transferable by the registered Owner hereof or his duly authorized attorney at the designated corporate trust office of the Trustee in Orlando, Florida, as Bond Registrar (the "Bond Registrar"), upon surrender of this Bond, accompanied

by a duly executed instrument of transfer in form and with guaranty of signature reasonably satisfactory to the Bond Registrar, subject to such reasonable regulations as the District or the Bond Registrar may prescribe, and upon payment of any taxes or other governmental charges incident to such transfer. Upon any such transfer a new Bond or Bonds, in the same aggregate principal amount as the Bond or Bonds transferred, will be issued to the transferee. At the corporate trust office of the Bond Registrar in Orlando, Florida, in the manner and subject to the limitations and conditions provided in the Master Indenture and without cost, except for any tax or other governmental charge, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of Authorized Denominations and bearing interest at the same rate or rates.

The Series 2026 Bonds are subject to redemption prior to maturity at the option of the District in whole or in part on any date on or after May 1, 20[\_\_\_], at the Redemption Price of the principal amount of the Series 2026 Bonds or portions thereof to be redeemed together with accrued interest to the date of redemption.

The Series 2026 Bond maturing May 1, 20[\_\_\_], is subject to mandatory redemption in part by the District by lot prior to its scheduled maturity from moneys in the Series 2026 Sinking Fund Account established under the Supplemental Indenture in satisfaction of applicable Amortization Installments at the Redemption Price of the principal amount thereof, without premium, together with accrued interest to the date of redemption on May 1 of the years and in the principal amounts set forth below:

\* Maturity

As more particularly set forth in the Indenture, any Series 2026 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2026 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2026 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2026 Bonds as set forth in the Supplemental Indenture.

The Series 2026 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Capital Improvement Program, by application of moneys transferred from the Series 2026 Acquisition and Construction Account to the Series 2026 Prepayment Subaccount as provided for in the Indenture; or

(b) from amounts, including Series 2026 Prepayments, required by the Indenture to be deposited into the Series 2026 Prepayment Subaccount; or

(c) from amounts transferred from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount resulting from a reduction in the Series 2026 Reserve Account Requirement as provided for in the Indenture; or

(d) on the date on which the amount on deposit in the Series 2026 Reserve Account, together with other moneys available therefor, is sufficient to pay and redeem all of the Series 2026 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2026 Bonds shall be called for redemption, the particular Series 2026 Bonds or portions of Series 2026 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2026 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2026 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2026 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2026 Bonds or such portions thereof on such date, interest on such Series 2026 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2026 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2026 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2026 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Federal Securities sufficient to pay the principal or Redemption Price of any Series 2026 Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2026 Bonds as to the Series 2026 Trust Estate shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the resolutions of the District to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture, have happened, exist and have been performed as so required. This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

**WHEREAS**, the Developer has all necessary authority to, complete the Capital Improvement Plan benefitting the District Lands, and enter into this Agreement with the District; and

**WHEREAS**, the assessable lands within the District Lands will be subject to the Series 2026 Assessments relating to the Series 2026 Bonds to be issued to finance the costs of the Capital Improvement Plan that directly and specially benefit certain District Lands; and

**WHEREAS**, the Series 2026 Bonds are expected to be issued pursuant to a Master Trust Indenture dated as of \_\_\_\_\_ 1, 2026, and a First Supplemental Trust Indenture, dated as of \_\_\_\_\_ 1, 2026, and each by and between the District and U.S. Bank Trust Company, National Association, a financial institution authorized to serve as bond trustee (the “Trustee”), as the same may be supplemented from time to time (collectively, the “Indenture”); and

**NOW THEREFORE**, based upon good and valuable consideration and the mutual covenants of the parties, the receipt of which and sufficiency of which is hereby acknowledged, the District and the Developer agree as follows:

**1. INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

**2. COMPLETION OF THE CAPITAL IMPROVEMENT PLAN.**

(a) The Developer and District agree and acknowledge that the available net proceeds of the District's Series 2026 Bonds will provide only a portion of the funds necessary to complete the Capital Improvement Plan. The District will issue a total of \$\_\_\_\_\_ in principal amount of Series 2026 Bonds, which will provide approximately \$\_\_\_\_\_ in available Series 2026 Bond net proceeds to pay for the Capital Improvement Plan. The Developer hereby agrees, subject to the provisions of this Agreement, including subsection (c) below (i) to complete or cause to be completed or (ii) to provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed, those portions of the Capital Improvement Plan which remain unfunded from available net proceeds of the Series 2026 Bonds and from any amounts deposited pursuant to the Indenture into the Acquisition and Construction Fund and from monies transferred from the Series 2026 Reserve Account to the Acquisition and Construction Fund as a result of satisfaction of Reserve Account Release Conditions #1 and Reserve Account Release Conditions #2 (as each is defined in the Indenture, collectively, the "Release Conditions"), including, but not limited to, all administrative, legal, warranty, engineering, permitting, real estate acquisition costs, or other related soft costs, for the Capital Improvement Plan specially benefiting the District Lands (collectively, the "Remaining Improvements"), whether pursuant to existing contracts, contracts assigned by the Developer to the District, or future contracts, and all change orders to any such contracts. The Developer acknowledges that the Capital Improvement Plan is anticipated to be completed and conveyed before \_\_\_\_\_ 202\_\_\_\_, and the Developer has no reason to believe the Remaining Improvements will not be completed and conveyed to the District within that time frame or that the Developer will not provide funds to the District to permit the Remaining Improvements to be completed within that time frame. The Developer shall cause the property interests associated with the Capital Improvement Plan to be conveyed to the District upon the completion of the Capital Improvement Plan or within sixty (60) days of written demand of the District, whichever is earlier.

(b) Nothing herein shall cause or be construed to require the District to issue additional bonds or indebtedness, or to provide funds for any portion of the Remaining Improvements from any source other than the net proceeds of the Series 2026 Bonds, including monies released from the Series 2026 Reserve Account upon satisfaction of the Release Conditions.

(c) The District and Developer hereby acknowledge and agree that the District's execution of this Agreement constitutes the manner and means by which the Developer will provide any and all portions of the Remaining Improvements not funded by net proceeds of the Series 2026 Bonds, as follows:

(i) The Developer shall diligently proceed to complete or cause to complete the Remaining Improvements (without regard to the estimated cost thereof set forth in the Engineer's Report) and convey such completed components of the Remaining Improvements to the District, subject to the terms of the Acquisition Agreement, dated \_\_\_\_\_, 2026, between the District and the Developer and pertaining to the Capital Improvement Plan, as the same may be amended by the parties from time to time (collectively, the "Acquisition Agreement"); provided, however, when all or any portion of the Remaining Improvements are the subject of an existing District contract, whether let or assumed by the District, then upon notice to the Developer by the

District, the Developer shall promptly, in accordance with the Acquisition Agreement, provide funds directly to the District in an amount sufficient to complete the Remaining Improvements pursuant to such contract, including change orders thereto.

(ii) When any portion of the Remaining Improvements are not the subject of an existing District contract, then upon notice to the Developer by the District, the Developer, within a commercially reasonable time, may request that it instead provide funds to the District in an amount sufficient to allow the District to complete or cause to be completed those Remaining Improvements, subject to a formal determination by the Board of Supervisors in advance that the option selected by the Developer will not adversely impact the District and is in the District's best interests.

### **3. OTHER CONDITIONS AND ACKNOWLEDGMENTS.**

(a) The District and the Developer agree and acknowledge that the exact location, size, configuration and composition of the Capital Improvement Plan, including the Remaining Improvements, may change from that described in the Engineer's Report, depending upon final design of the development, permitting or other regulatory requirements over time, or other factors. Material changes to the Capital Improvement Plan which could have the effect of reducing the payment of the scheduled debt service on the Series 2026 Bonds or the collection of the Series 2026 Assessments or which lessen Developer's obligations in this Agreement shall be made by a written amendment to the Engineer's Report, which shall include an estimate of the cost of the changes. Material changes to the Capital Improvement Plan shall require the prior written consent of the Trustee acting at the direction of the Bondholders (as defined in the Indenture) owning a Majority of the aggregate principal amount of the Series 2026 Bonds then outstanding. The term "Majority," as used herein, shall mean more than fifty (50%) percent.

(b) The District and Developer agree and acknowledge that for any and all portions of the Remaining Improvements which are constructed, or caused to be constructed, by the Developer for the benefit of the District shall be conveyed to the District or such other appropriate unit of local government as is designated in the Engineer's Report or required by governmental regulation or development approval. All conveyances to another governmental entity shall be in accordance with and in the same manner as provided in any agreement between the District and the appropriate unit of local government. All conveyances to the District shall be in accordance with the Acquisition Agreement or any other agreement or agreements governing conveyances between the Developer and the District.

(c) Notwithstanding anything to the contrary contained in this Agreement, the payment or performance by the Developer of its completion obligations hereunder is expressly subject to, dependent and conditioned upon (i) the issuance of Series 2026 Bonds in the aggregate par amount set forth above and use of available net proceeds thereof to fund a portion of the Capital Improvement Plan for the District Lands and (ii) the scope, configuration, size and/or composition of the Capital Improvement Plan for the District Lands not materially changing from the Engineer's Report, adopted by the District as of the Effective Date hereof, without the consent of the Developer; provided, however, such consent will not be necessary and the Developer must meet its completion

obligations when the scope, configuration, size and/or composition of the Capital Improvement Plan is materially changed in response to a requirement imposed by law or by a regulatory agency (to be understood as including any governmental action or requirement) other than the District.

(d) In the event of a conflict in a provision set forth in this Agreement and in the Acquisition Agreement, the applicable provisions of the Acquisition Agreement shall control.

**4. DEFAULT AND PROTECTION AGAINST THIRD PARTY INTERFERENCE.**

A default by either party under this Agreement shall entitle the other to all remedies available at law or in equity, which may include, but not be limited to, the right of damages and/or specific performance. Notice of default must be given to the Developer, and the Developer shall thereafter have a commercially reasonable time to cure the default. The District shall be solely responsible for enforcing its rights under this Agreement against any interfering third party. Nothing contained in this Agreement shall limit or impair the District's right to protect its rights from interference by a third party to this Agreement.

**5. AMENDMENTS.** Amendments to and waivers of the provisions contained in this Agreement may be made only by an instrument in writing which is executed by both the District and the Developer. Additionally, this Completion Agreement may not be materially amended in a manner that (a) could have the effect of reducing the total debt service revenue collected or to be collected for payment of debt service on the Series 2026 Bonds or (b) lessens Developer's obligations in this Agreement without the prior written consent of the Trustee for the Series 2026 Bonds, acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2026 Bonds then outstanding.

**6. AUTHORIZATION.** The execution of this Agreement has been duly authorized by the appropriate body or official of the District and the Developer, both the District and the Developer have complied with all the requirements of law, and both the District and the Developer have full power and authority to comply with the terms and provisions of this instrument.

**7. NOTICES.** All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing and shall be (as elected by the person giving such notice) hand-delivered by prepaid express overnight courier or messenger service, telecommunicated, or mailed (airmail if international) by registered or certified (postage prepaid), return receipt requested, to the following addresses:

**8. ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the District and the Developer as an arm's length transaction. Both parties participated fully in the preparation of this Agreement and received the advice of counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, both parties are deemed to have drafted, chosen, and selected the language, and the doubtful language will not be interpreted or construed against either the District or the Developer.

**COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT RIGHTS  
RELATING TO LEGACY PALM DRIVE  
(SERIES 2026 BONDS)**

This **COLLATERAL ASSIGNMENT AND ASSUMPTION OF DEVELOPMENT RIGHTS RELATING TO LEGACY PALM DRIVE** (herein, the "Assignment") is made this \_\_\_ day of \_\_\_\_\_, 2026, by **LEGACY LVI OWNER, LLC.**, a Delaware limited liability company authorized to do business in the State of Florida, whose address is 500 Boylston Street, Suite 2010, Boston, MA 02116 (the "Developer" or the "Assignor"), in favor of the **LEGACY PALM DRIVE COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special purpose government organized and created under the laws of the State of Florida, whose address is c/o Rizzetta & Company, Inc., 3434 Colwell Avenue, Suite 200, Tampa, Florida 33614, located in unincorporated Miami-Dade County, Florida (together with its successors, successors in title, and assigns, the "District" or "Assignee").

**RECITALS**

**WHEREAS**, the District proposes to issue its \$\_\_\_\_\_ Legacy Palm Drive Community Development District Capital Improvement Revenue Bonds, Series 2026 (the "Series 2026 Bonds"), to finance certain public infrastructure (the "Capital Improvement Plan") which will provide special benefit to the residential lots (collectively, the "Lots" and individually, a "Lot") contained within certain lands owned by Assignor and described in **Exhibit "A"** attached hereto (the "Subject Property"), which will be included in the residential project commonly referred to as "Legacy Palm Drive" (the "Development"), located within the geographical boundaries of the District; and

**WHEREAS**, the security for the repayment of the Series 2026 Bonds is the special assessments levied against the assessable lands within the District and, upon platting, the residential Lots within an assessment area that includes the Subject Property (the "Series 2026 Assessments"); and

**WHEREAS**, all or portions of the Subject Property are owned by Developer; and

**WHEREAS**, Developer covenants that the Developer has all necessary authority to develop the Subject Property and enter into this Assignment with the District, and that the Developer has all necessary authority to complete the Capital Improvement Plan and enter into this Assignment with the District; and

**WHEREAS**, in the event of default in the payment of the Series 2026 Assessments securing the Series 2026 Bonds, the District has certain remedies with respect to the lien of the Series 2026 Assessments as more particularly set forth herein; and

**WHEREAS**, if the Series 2026 Assessments are direct billed, the sole remedy available to the District for non-payment of the Series 2026 Assessments is an action in foreclosure and if the Series 2026 Assessments are collected pursuant to Florida's uniform method of collection, the sole remedy available to the District for non-payment of the Series 2026 Assessments is the sale of tax-certificates (collectively, the "Remedial Rights"); and

**WHEREAS**, in the event the District exercises its Remedial Rights, the District will require the assignment of certain Development Rights, as hereinafter defined, to complete the Capital Improvement Plan to the extent that such Development Rights have not been previously assigned, transferred or otherwise conveyed (i) as fully-developed Lots conveyed to unaffiliated homebuilders or end-users, or (ii) with respect to any property which has been conveyed, or is in the future to be conveyed to Miami-Dade County, Florida (the "County"), the State of Florida, the District, any utility provider, any other governmental or quasi-governmental entity, any applicable homeowners' or property owners' association or other governing entity or association, as may be required by applicable permits, plats, entitlements, or regulations affecting the District, if any, for the benefit of the capital infrastructure improvements project constituting the Capital Improvement Plan to be financed in part with the Series 2026 Bonds (a "Prior Transfer"); and

**WHEREAS**, this Assignment is not intended to impair or interfere with the development of the Development and shall be inchoate and shall only become an absolute assignment and assumption of the Development Rights, as described below, upon failure of the Assignor to pay the Series 2026 Assessments levied against the Subject Property owned by the Developer; provided, however, that such assignment shall only be absolute to the extent that this Assignment has not been terminated earlier pursuant to the term of this Assignment or to the extent that a Prior Transfer has not already occurred with respect to all or a portion of the Development Rights; and

**WHEREAS**, the rights assigned to the District hereunder shall be exercised in a manner which will not materially affect the intended development of the Subject Property; and

**WHEREAS**, in the event of a transfer, conveyance or sale of any portion of the Subject Property that is not a Prior Transfer, the successors-in-interest to the real property so conveyed by the Developer shall be subject to this Assignment, which shall be recorded in the Official Records of Miami-Dade County, Florida.

**NOW, THEREFORE**, in consideration of the above recitals which the parties hereby agree are true and correct and are hereby incorporated by reference and other good and valuable consideration, the sufficiency of which is acknowledged, Assignor and Assignee agree as follows:

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by reference.

2. **Collateral Assignment.**

(A) The Developer hereby collaterally assigns to Assignee, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, all of its development rights relating to the Capital Improvement Plan (herein the “Development Rights”) as security for Assignor’s payment and performance and discharge of its obligation to pay the Series 2026 Assessments levied against the Subject Property while owned by the Developer. The Development Rights shall include the following as they pertain to the Capital Improvement Plan, but shall specifically exclude any such portion of the Development Rights which relate solely to the Lots or any property which has been conveyed to any end-user, the County, the State of Florida, the District, any utility provider, any other homebuilder, any other governmental or quasi-governmental entity, any applicable homeowner’s association or other governing entity or association as may be required by applicable permits, approvals, plats, entitlements or regulations affecting the Capital Improvement Plan, if any (the “Excluded Property”):

(a) Zoning approvals, density approvals and entitlements, concurrency and capacity certificates, development agreements and homeowners’ or property owners’ association covenants and documents.

(b) Engineering and construction plans and specifications for grading, roadways, site drainage, storm water drainage, signage, water distribution, waste water collection, and other improvements.

(c) Preliminary and final site plans.

(d) Architectural plans and specifications for public buildings and other improvements to the assessable property within the District and the Subject Property (other than residential dwelling unit plans).

(e) Permits, approvals, resolutions, variances, licenses, and franchises granted by governmental authorities, or any of their respective agencies, for or affecting the Capital Improvement Plan and construction of improvements thereon and off-site to the extent improvements are necessary or required to complete the development of the Subject Property.

(f) Contracts with engineers, architects, land planners, landscape architects, consultants, contractors, and suppliers for or relating to the construction of the Capital Improvement Plan or the construction of improvements on the Subject Property.

(g) Contracts and agreements with private utility providers to provide utility services to the Subject Property.

(h) All prepaid impact fees, impact fee credits, mobility fee credits, and mitigation credits.

(i) The Developer's rights as declarant under any recorded covenants, conditions and restrictions of any property owners or homeowners association with respect to the Subject Property.

(j) All future creations, changes, extensions, revisions, modifications, substitutions, and replacements of any of the foregoing.

(B) This Assignment is not intended to and shall not impair or interfere with the development of the Subject Property, and shall be inchoate and shall only become an absolute assignment and assumption of the Development Rights, only upon the District's exercise of its rights hereunder upon a failure of the Developer to pay the Series 2026 Assessments levied against the Subject Property owned by the Developer, failure of the Developer to satisfy its respective true-up obligation, a default or failure to perform under any of the documents entered into in connection with the issuance of the Series 2026 Bonds, to the extent applicable, or Event of Default hereunder, which default or failure remains uncured after passage of any applicable cure period. The District shall not be deemed to have assumed any obligations associated with the Development Rights unless and until the District exercises its rights under this Assignment, and then only to the extent of such exercise.

(C) If this Assignment has not become absolute, it shall automatically terminate upon the earliest to occur of the following events: (i) payment of the Series 2026 Bonds in full; (ii) Development Completion which shall mean the issuance of certificates of occupancy for all residential units and non-residential space within the Subject Property; (iii) transfer of any Development Rights to the County, the State of Florida, the District, any utility provider, any other governmental or quasi-governmental entity; any homeowners' or property owners' association, but only to the extent of such transfer; or (iv) transfer of fully developed Lots which have been conveyed to unaffiliated homebuilders or residential end-users but only as to such Lots transferred, from time to time.

3. **Warranties by the Assignor.** The Assignor represents and warrants to Assignee that:

(a) Other than in connection with the sale or conveyance of Lots (completed or otherwise) or property, or in connection with securing a construction loan from an institutional lender to finance the development of the Development on the Subject Property, the Assignor has made no assignment of the Development Rights to any person other than Assignee.

(b) The Assignor is not prohibited under any agreement with any other person or under any judgment or decree from the execution and delivery of this Assignment.

(c) No action has been brought or threatened which would in any way interfere with the right of Assignor to execute this Assignment and perform all of Assignor's obligations herein contained.

(d) Any transfer, conveyance or sale of Lots shall subject any and all affiliated entities or successors-in-interest or successors in title of the Assignor to this Assignment, except to the extent of a conveyance described in Section 2 relating to Excluded Property.

4. **Covenants.** The Assignor covenants with Assignee that during the Term (as defined herein):

(a) Assignor will use reasonable, good faith efforts to: (i) fulfill, perform, and observe each and every material condition and covenant of Assignor relating to the Development Rights and (ii) give notice to Assignee of any claim of default relating to the Development Rights given to or by Assignor, together with a complete copy of any such claim.

(b) The Development Rights include all of Assignor's right to modify the Development Rights, and to waive or release the performance or observance of any obligation or condition of the Development Rights.

(c) Assignor agrees not to take any action that would decrease the development entitlements to a level below the amount necessary to support the then outstanding Series 2025 Bonds.

(d) Assignor shall pay the Series 2026 Assessments levied against the portions of the Subject Property owned by Assignor when due.

5. **Events of Default.** Any breach of any of the Assignor's warranties contained in Section 3 hereof or breach of covenants contained in Section 4 hereof will, after the giving of written notice and an opportunity to cure (which cure period shall not be greater than thirty (30) days unless Assignee, in its sole discretion, agrees to a longer cure period) shall constitute an Event of Default under this Assignment.

6. **Remedies Upon Default.**

(a) Upon an Event of Default, or the transfer of title to Lots or other property owned by Assignor pursuant to a judgment of foreclosure entered by a court of competent jurisdiction in favor of Assignee (or its designee) or a deed in lieu of foreclosure to Assignee (or its designee) (herein a "Transfer"), Assignee may directly or by way of an agent appointed by the Assignee, as Assignee's sole and exclusive remedies under this Assignment, take any or all of the following actions, at Assignee's option:

(i) Perform any and all obligations of the Assignor relating to the Development Rights and exercise any and all rights of Assignor therein as fully as the Assignor could.

(ii) Initiate, appear in, or defend any action arising out of or affecting the Development Rights.

(iii) Further assign any and all of the Development Rights to a third party acquiring title to the Property so acquired or any portion thereof on the District's or the bondholders' behalf.

(b) Notwithstanding the foregoing, the Assignee acknowledges and agrees that is shall not use the proceeds of the Series 2026 Bonds on any improvements necessary to reach

Development Completion other than the Improvements that are part of the Capital Improvement Plan. Improvements that are outside the scope of the Capital Improvement Plan, including those improvements that are not otherwise able to be funded or constructed by Assignee, may be funded or constructed by Assignee's designee.

(c) Nothing herein shall be construed as an obligation on the part of the District to accept any liability for all or any portion of the Development Rights unless it chooses to do so in its sole discretion and is legally permitted to do so. Nor shall any provisions hereunder be construed to place liability or obligation on the District for compliance with the terms and provisions of all or any portion of the Development Rights.

7. **Authorization.** Upon the occurrence of an Event of Default or Transfer, Assignor does hereby authorize and shall direct any party to any agreement relating to the Development Rights to tender performance thereunder to Assignee or its designee upon written notice and request from Assignee. Any such performance in favor of Assignee or its designee shall constitute a full release and discharge to the extent of such performance as fully as though made directly to Assignor, but not a release of Assignor from any remaining obligations under this Assignment.

8. **Term and Termination.** In the event this Assignment does not become an effective and absolute assignment and assumption of the Development Rights, this Assignment shall automatically terminate upon the earliest to occur of the following (the "Term"): (i) payment of the Series 2026 Bonds, plus accrued interest in full; (ii) completion of the construction and sale of all Lots within the Subject Property to end-users; or (iii) upon occurrence of a Prior Transfer, but only to the extent that such Development Rights are subject to the Prior Transfer.

9. **Third Party Beneficiaries and Direction of Remedies Upon Default.** This Assignment shall inure to the benefit of U.S. Bank Trust Company, National Association, as Trustee for the Series 2026 Bonds (the "Trustee"), and the holders of the Series 2026 Bonds and such parties are hereby deemed third party beneficiaries of this Assignment. In the event of an Event of Default, the Trustee, acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2026 Bonds then outstanding, shall have the right to direct the actions of the District and select the remedies in this Assignment. The term "Majority," as used herein, shall mean more than fifty (50%) percent. The District hereby agrees that it shall not take any material action under this Assignment that would have the effect of reducing the total annual debt service revenue collected or to be collected for the Series 2026 Bonds without the prior written consent of the Trustee, acting at the direction and on behalf of the owners of a Majority of the Series 2026 Bonds then outstanding, fail to take any action under this Assignment after direction from the Trustee, or take any action under this Assignment inconsistent with any direction of the Trustee. The Trustee shall not be deemed to have assumed any obligations hereunder.

10. **Amendment.** Except with respect to a partial release or a termination as provided in Section 8 above (each of which may be executed solely by Assignee), this Assignment may not be amended, modified, altered, or changed in any respect whatsoever except by a further

agreement in writing duly executed by the parties hereto. Notwithstanding anything herein to the contrary, this Assignment may not be materially amended in a manner that has the effect of reducing the total annual debt service revenue collected or to be collected for the payment of scheduled debt service on the Series 2026 Bonds without the written consent of the Trustee for the Series 2026 Bonds, acting at the direction of the Bondholders (as defined in the Indenture for the Series 2026 Bonds) owning a Majority of the aggregate principal amount of the Series 2026 Bonds then outstanding.

11. **Notices.** All notices, requests, consents and other communications required or permitted under this Assignment shall be in writing and shall be (as elected by the person giving such notice) hand-delivered by prepaid express overnight courier or messenger service, telecommunicated, or mailed (airmail if international) by registered or certified (postage prepaid), return receipt requested, to the following addresses:

**DECLARATION OF CONSENT TO JURISDICTION OF  
LEGACY PALM DRIVE COMMUNITY DEVELOPMENT DISTRICT  
AND TO IMPOSITION OF SPECIAL ASSESSMENTS  
(SERIES 2026 BONDS)**

The undersigned entity, **LEGACY LVI OWNER, LLC**, a Delaware limited liability company authorized to do business in the State of Florida, whose address is 500 Boylston Street, Suite 2010, Boston, MA 02116 (the “Landowner”), as the fee title owner of a certain real property located within the boundaries of the Legacy Palm Drive Community Development District, a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes (the “District”) in unincorporated Miami-Dade County, Florida, more specifically described in Exhibit “A” attached hereto (the “Property”), intending that the Landowner shall be legally bound by this Declaration, hereby declares, acknowledges and agrees as follows:

1. The District is, and has been at all times, a legally created, duly organized, and validly existing community development district under the provisions of Chapter 190, *Florida Statutes*, as amended (the “Act”). Without limiting the generality of the foregoing, the Landowner acknowledges that: (a) the petition filed with the Board of County Commissioners in and for Miami-Dade County, Florida (the “County Commission”), relating to the creation of the District contained all matters required by the Act to be contained therein and was filed in the manner and by the persons required by the Act; (b) Ordinance No. 25-110, enacted December 2, 2025 and effective as of December 12, 2025, was duly and properly enacted by the County Commission in compliance with all applicable requirements of law; and (c) the members of the Board of Supervisors of the District (the “Board of Supervisors”) have the authority to serve in their respective capacities and the authority and right to authorize, approve, and undertake all actions of the District approved and undertaken from December 12, 2025 to date. The Landowner hereby consents and confirms that the Property is within the boundaries of the District and subject to the jurisdiction of the District to the extent authorized pursuant to Chapter 190, Florida Statutes, and applicable Florida law. Landowner further consents to and submits to the jurisdiction of the state courts of Florida in the county in which the Property and the District lie.

2. The Landowner hereby confirms and agrees that the non-ad valorem special assessments (the “Series 2026 Assessments”) imposed by Resolutions 2026-27 and 2026-      , duly adopted by the Board of Supervisors on December 17, 2025 and February 26, 2026, respectively (collectively, the “Assessment Resolutions”) and the Master Special Assessment Allocation Report, dated December 17, 2025 and the Final First Supplemental Special Assessment Allocation Report, dated                     , 2026, each prepared by Rizzetta & Company, Inc., and all proceedings undertaken by the District with respect thereto have been in accordance with applicable Florida law, that the District has taken all actions necessary to levy and impose

the Series 2026 Assessments, and the Series 2026 Assessments are legal, valid and binding first liens upon the Property co-equal with the lien of all state, county, district and municipal taxes, superior in dignity to all other non-federal liens, titles and claims, until paid.

3. The Landowner hereby confirms and agrees that Series 2026 Assessments are due and payable on the due date and in the manner established by the District.

4. The Landowner hereby waives the right granted in Chapter 170.09, *Florida Statutes*, to prepay the Series 2026 Assessments without interest within thirty (30) days after the improvements are completed, in consideration of the rights granted by the District to prepay the Series 2026 Assessments in full or in part at any time, but with interest, under the circumstances set forth in the Assessment Resolutions.

5. The Landowner hereby expressly acknowledges, represents and agrees that (i) the Series 2026 Assessments, the Assessment Resolutions, and the terms of the Acquisition Agreement, dated \_\_\_\_\_, 2026, and the Completion Agreement, the Collateral Assignment and Assumption of Development Rights Relating to Legacy Palm Drive (Series 2026 Bonds), and the True-Up Agreement (Series 2026 Bonds), all entered into by and between the District and the Landowner and dated \_\_\_\_\_, 2026, and this Declaration of Consent to Jurisdiction (herein, collectively, the “Financing Documents”) and which are related to the District’s issuance of its \$ \_\_\_\_\_ Legacy Palm Drive Community Development District Capital Improvement Revenue Bonds, Series 2026 (the “Series 2026 Bonds”) or securing payment thereof, are valid and binding obligations enforceable in accordance with their terms; (ii) there are no claims or offsets whatsoever against, or defenses or counterclaims whatsoever relating to the creation of the District or the payments of the Series 2026 Assessments or claims of invalidity, deficiency or unenforceability of the Series 2026 Assessments and Financing Documents (and the Landowner hereby expressly waive any such claims, offsets, defenses or counterclaims); (iii) the Landowner expressly waives and relinquishes any argument, claim or defense that foreclosure proceedings cannot be commenced until one (1) year after the date of the Landowner’s default, and agrees that (1) the District’s Series 2026 Assessments are not a “tax,” and (2) immediate use of remedies in Chapter 170, *Florida Statutes*, is an appropriate and available remedy, notwithstanding the provisions of Section 190.026, *Florida Statutes*; and (iv) the Landowner expressly waives and relinquishes any argument, claim or defense that it either has or may have regarding the manner of the District’s collection of the Series 2026 Assessments.

6. This Declaration, upon issuance of the Series 2026 Bonds by the District, shall represent a lien of record against the Property for purposes of Chapter 197, *Florida Statutes*, including, without limitation, Section 197.573, *Florida Statutes*. Other information regarding the Series 2026 Assessments is available from the District Manager, Rizzetta & Company, Inc., 3434 Colwell Avenue, Suite 200, Tampa, Florida 33614 (or any successor District Manager or Collection Agent).

**TRUE-UP AGREEMENT  
(SERIES 2026 BONDS)**

This True-Up Agreement (the “Agreement”) is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2026 (the “Effective Date”), by and between:

**LEGACY PALM DRIVE COMMUNITY DEVELOPMENT DISTRICT**, a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes, being situated in unincorporated Miami-Dade County, Florida, and whose mailing address is c/o Rizzetta & Company, Inc., 3434 Colwell Avenue, Suite 200, Tampa, Florida 33351 (the “District”); and

**LEGACY LV1 OWNER, LLC**, a Delaware limited liability company authorized to do business in the State of Florida, the owner and primary developer of lands within the District, whose principal and mailing address is 500 Boylston Street, Suite 2010, Boston, MA 02116, and its successors, successors-in-title, and assigns (the “Developer”).

**RECITALS**

**WHEREAS**, the District is a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes, and Miami-Dade County Ordinance No. 25-110 (the “Ordinance”) for the purpose of planning, financing, constructing, installing, operating, acquiring and/or maintaining certain public infrastructure to serve the residential community known as “Legacy Palm Drive”; and

**WHEREAS**, the District is comprised of approximately 50.60 +/- gross acres of land, as more particularly described in the Ordinance, and situated in unincorporated Miami-Dade County, Florida (the “District Lands”), which District Lands are located within the boundaries of the District and are described with particularity in Exhibit A, attached hereto and made a part hereof, and in the Engineer’s Report and the Assessment Methodology, each as later defined; and

**WHEREAS**, Developer is the landowner and developer of the District Lands and is the developer of the Improvements, as later defined, pertaining to said District Lands; and

**WHEREAS**, the District has determined that it is in the best interests of the present and future landowners and will be a special benefit to the lands within the District Lands to finance, construct and deliver certain community development systems, facilities, and improvements to serve the District Lands, including, without limitation, stormwater management and control facilities, including, but not limited to, related earthwork; water distribution and wastewater collection facilities, including any applicable connection fees; onsite and offsite public roadway improvements, including any applicable impact fees; and related soft and incidental costs, including professional fees, which public infrastructure systems, facilities and improvements are more specifically described in the Engineer’s Report, dated December 17, 2025, prepared by Alvarez Engineers, Inc. (the “Engineer”), as may be further amended or supplemented from time to time (collectively, the “Engineer’s Report”), and in the plans and specifications on file at the office of the District (collectively, the “Improvements” or the “Project”), which Engineer’s Report and Project plans are hereby incorporated into and made a part of this Agreement by reference; and

**WHEREAS**, the Developer has all necessary authority to develop the District Lands within the District, complete the Capital Improvement Plan, and enter into this Agreement with the District; and

**WHEREAS**, the District has imposed and levied non-ad valorem special assessments on the assessable acreage of the District Lands to secure financing for the acquisition and construction of the Capital Improvement Plan described in the Engineer’s Report and has validated capital improvement revenue bonds to fund a portion of the planning, design, permitting, construction and/or acquisition of such Capital Improvement Plan; and

**WHEREAS**, the District has imposed and levied such non-ad valorem special assessments (herein the “Series 2026 Assessments”) against the assessable acreage of the District Lands in accordance with the provisions of Chapters 170, 190 and 197, Florida Statutes, for purposes of paying certain \$ \_\_\_\_\_ Legacy Palm Drive Community Development District Capital Improvement Revenue Bonds, Series 2026 (collectively, the “Series 2026 Bonds”) to be issued pursuant to Chapter 190, Florida Statutes; and

**WHEREAS**, the Developer, as the landowner of the District Lands, presently has *in rem* liability for the payment of all taxes and assessments levied on the District Lands, including the Series 2026 Assessments; and

**WHEREAS**, the District has accepted and utilized the provisions of the Master Special Assessment Allocation Report, dated December 17, 2025 (the “Master Methodology”) and the Final First Supplemental Special Assessment Allocation Report, dated \_\_\_\_\_, 2026 (the “Supplemental Methodology,” together with the Master Methodology, the “Assessment Methodology”), describing the assessment allocation for the Series 2026 Assessments levied in connection with the Series 2026 Bonds to be issued by the District, both the Master Methodology and the Supplemental Methodology having been prepared by Rizzetta & Company, Inc., as such may

be amended and further supplemented from time to time, incorporated by specific reference thereto and made a part hereof; and

**WHEREAS**, the Series 2026 Assessments are initially levied on all 50.60 +/- gross acres constituting the District Lands, and as platting of the District Lands within the District occurs, the Series 2026 Assessments will be assigned to the platted lots in the District, on a first platted, first assigned basis in accordance with the Supplemental Methodology; and

**WHEREAS**, the District relies upon and intends to utilize the true-up analysis and mechanism set forth in Section V.D. of the Supplemental Methodology; and

**WHEREAS**, the District and the Developer desire to provide for certain payments to the District in accordance with the true-up analysis and mechanism referenced above and further described herein; and

**WHEREAS**, unless otherwise defined herein, all capitalized terms shall be as defined in the Assessment Methodology and the Indenture, as applicable, which Indenture is collectively defined as the Master Trust Indenture dated as of \_\_\_\_\_ 1, 2026 and the First Supplemental Trust Indenture dated as of \_\_\_\_\_ 1, 2026 (collectively, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, a financial institution authorized to service as bond trustee (the “Trustee”) and as such Indenture may be further amended and supplemented from time to time.

**NOW THEREFORE**, in consideration of the mutual covenants herein contained, and for Ten and no/100ths (\$10.00) Dollars from the District to the Developer and other good and valuable consideration between the parties, the receipt and sufficiency of which are hereby acknowledged by the parties, and subject to the terms and conditions hereof, the parties agree as follows:

**1. INCORPORATION OF RECITALS.** The recitals stated above are true and correct and by this reference are incorporated by reference as a material part of this Agreement.

**2. TRUE-UP PROVISIONS.**

(a) As stated in the Assessment Methodology, the allocation of debt is a continuous process until the development plan for the District Lands, constituting 309 Townhome Units for a total of 390 Units therein (the “Development Plan”), as described in the Supplemental Methodology, is completed. Each Townhome unit is assigned an Equivalent Assessment Unit value (“EAU”) of 1.0, with the Development Plan constituting 309.00 EAUs (“Total EAUs”). Prior to platting, replatting, the recording of a declaration of condominium, or other means of identifying individual lots, the initial Series 2026 Assessments shall be levied by the District on an equal pro rata gross per acre basis to all acreage within the District Lands in accordance with the Supplemental Methodology.

(b) The true-up mechanism under this Agreement applies to all lands within the boundaries of the District, including the District Lands. As the District Lands that are benefitted by the Capital Improvement Plan are platted or re-platted, are subject to site plans to be approved or re-approved, are the subject of a declaration of covenants or amendment thereof, or are otherwise assigned by lots (the “Proposed Plat”), the Proposed Plat shall be presented to the District for a true-up test in accordance with this Agreement. The allocation of costs and benefit for the Capital Improvement Plan is based on the Development Plan and the Total EAUs that are to be developed within the District Lands.

(c) The Supplemental Methodology, particularly Section V.A., Table 2 through Table 6 therein, allocates the benefit to the different categories of improvements that constitute the Capital Improvement Plan, utilizing various measures based upon the estimated number and type of residential units that are specially benefitted by the Capital Improvement Plan. Correspondingly, consistent with Section V. of the Supplemental Methodology, whenever a Proposed Plat is submitted for processing to the local governing authority that has jurisdiction thereof, the District must allocate a portion of its debt over the District Lands according to the Supplemental Methodology. The District must prevent any buildup of debt on unplatted property within the District Lands, which consists of gross acres that have not been assigned the Series 2026 Assessments through the platting, recording of a declaration of condominium, or other means of identifying individual lots. To prevent the buildup of debt on said lands, the District shall perform a true-up test to ensure that the Proposed Plat results in the same amount of overall principal amount of Series 2026 Assessments able to be assigned to the assessable property within the District, as compared to the Development Plan, and that each Townhome Unit, as described in the Supplemental Methodology, is assessed no more than the pro rata amount (based on total Capital Improvement Plan costs allocated and the total allocation of par debt) such that the Series 2026 Assessment per unit does not exceed that which is set forth in Table 6 of the Supplemental Methodology.

(d) The true-up test shall be as follows:

(i) Consistent with Section V.D. of the Assessment Methodology, whenever any Proposed Plat is submitted to the applicable local governing authority and which changes the product types or product mix of the Development Plan over the District Lands or a portion thereof, a true-up test shall be performed. Based on the Development Plan and overall principal amount of Series 2026 Assessments able to be assigned to the assessable property within the District, the District has fairly and reasonably allocated the benefit and will assign the debt across the unit types based on the EAU factors of 1.0 attributable to each residential Townhome unit of the Development Plan, as described in the Section V, and Table 1 through Table 6 of the Supplemental Methodology. Notwithstanding that which is set forth above and in the Supplemental Methodology, if a Proposed Plat or other means of development results in significant changes in land use or proportion of benefit per acre, the allocation methodology of the Assessment Methodology may no longer be applicable

and the District may determine, in its discretion, to revise the allocation methodology.

- (ii) Until initial plat approval or recording or declaration of condominium, the debt associated with the Capital Improvement Plan is initially distributed on an equal acreage basis across the 50.60+/- gross acres of the District Lands. As the Proposed Plat(s) for the District Lands, or a portion thereof, are approved, the assigned properties are assessed on a first platted, first assigned basis in the manner described in the Supplemental Methodology. As platting of the Development Plan for the District Lands continues to occur, the Series 2026 Assessments will be assigned to the platted lots on a first platted, first assigned basis in accordance with the Supplemental Methodology. For purposes of the Series 2026 Bonds, prior to all lands within the District Lands being approved for development under a Proposed Plat or Proposed Plats, based on a Series 2026 Bonds size of \$ \_\_\_\_\_, each acre of land remaining unplatted properties within the District Lands shall be assessed in accordance with Section V and Table 6 of the Supplemental Methodology.
- (iii) A true-up test shall be performed whenever a Proposed Plat or revision to the Development Plan is presented to the District or submitted for processing to the local governing authority having jurisdiction thereof. This mechanism will ensure that the Bond Assessment per EAU does not exceed that which is provided in the Supplemental Methodology for the Development Plan (309 residential Townhome units for a total of 309 Total EAUs), and that the overall principal amount of Series 2026 Assessments able to be assigned to assessable property within the District is in accordance with the Development Plan and the Supplemental Methodology
- (v) If the Development Plan is unchanged or if the Proposed Plat results in the overall principal amount of Series 2026 Assessments able to be assigned to assessable property within the District equals \$ \_\_\_\_\_, in accordance with Table \_\_\_ of the Supplemental Methodology, then no debt reduction payment shall be made and no true-up payment is required.
- (vi) If at any time any true-up test calculation for a Proposed Plat results in the overall principal amount of Series 2026 Assessments able to be assigned to assessable property within the District shows a net increase from \$ \_\_\_\_\_, then the District may undertake a pro rata reduction of the Series 2026 Assessments for all assessable properties within the District Lands or the District may otherwise address such net increase as permitted by Florida law.
- (vii) If at any time any true-up test calculation for a Proposed Plat results in the overall principal amount of Series 2026 Assessments able to be assigned to assessable property within the District shows a net decrease from \$ \_\_\_\_\_, and

thus a Bond Assessment Per EAU exceeding that which is set forth in the Supplemental Methodology, then, within thirty (30) days following its receipt of written notice from the District that a true-up payment is due or prior to the approval of the Proposed Plat, whichever is earlier, the Developer shall make a debt reduction prepayment as provided herein to the District in an amount equal to the shortfall in the Series 2026 Assessments resulting from the reduction in planned units from the Development Plan contemplated, which debt reduction payment shall include any applicable accrued interest, collection costs and penalties.

- (vii) Any true-up payment shall become due and payable by the landowner of the lands subject to the Proposed Plat that tax year, shall be in addition to the **adjusted** Series 2026 Assessments due and payable for such lands, and shall be included as part of any Series 2026 Assessments lien imposed against the Proposed Plat property until paid. All true-up payments shall include accrued interest calculated to the interest payment date for the Series 2026 Bonds that occurs at least forty-five (45) days after the true-up payment, or the second succeeding interest payment date if such true-up payment is made within forty-five (45) days before an interest payment date, or as otherwise provided in the Indenture.

(e) In the event that additional land not currently subject to the Series 2026 Assessments levied by the District is developed in such a manner as to receive special benefit from the Capital Improvement Plan described herein, it will be necessary for the District to re-apply the methodology for allocating the Series 2026 Assessments to include such parcels. The additional land will, as a result of re-applying the assessment methodology of the Assessment Methodology, then be allocated an appropriate share of the Series 2026 Assessments while all currently assessed parcels will receive a relative reduction in their Series 2026 Assessments. This pro-rata adjustment shall still provide the same amount of revenue from such Series 2026 Assessments necessary for repayment of the Series 2026 Bonds.

(f) Additionally, at the time of approval of a final plat or re-plat pertaining to the portion of District Lands being developed pursuant to the Development Plan, if any debt associated with the Series 2026 Bonds remains unallocated, then the Developer shall make a payment to the District sufficient to retire all remaining unallocated debt, which payment shall include accrued interest.

(g) If the Developer transfers ownership of the District Lands, or any portion thereof, said District Lands will maintain the allocated number of and types of units in the Development Plan described in Table 1 of the Supplemental Methodology. If the Development Plan is changed or said District Lands, or portions thereof are subdivided, or platted or re-platted, impacted by the recording of a declaration of condominium, or site plan or revision, the true-up test will be performed and the Developer shall be responsible to make the debt reduction or true-up payment described herein after calculation of the true-up.

- (i) The Developer shall not transfer any portion of the District Lands to any third party other than (a) platted and fully-developed lots to homebuilders and/or homebuyers, or (b) portions of the District Lands exempt from assessments to Miami-Dade County, the District, or other governmental agencies, except in accordance with Section 2(h)(ii) below. Any transfer of any portion of the District Lands pursuant to this Section 2(h)(i) shall terminate this Agreement as to such portion of the District Lands and constitute an automatic release of such portion of the District Lands from the scope and effect of this Agreement. Any violation of this provision by the Developer shall constitute a default under this Agreement.
  
- (ii) The Developer shall not transfer any portion of the District Lands to any third party, except as permitted by Section 2(h)(i) above, without making any debt reduction payment (plus accrued interest) that results from a true-up analysis that will be performed by the District prior and as a condition to such transfer (“Transfer Condition”). Any transfer that is consummated pursuant to this Paragraph 2(h)(ii) shall operate as a release of the Developer from its obligations under this Agreement as to such portion of the District Lands that is subject to such transfer, but only to the extent arising from and after the date of such transfer and satisfaction of the Transfer Condition, and the transferee shall be deemed to have assumed the Developer’s obligations in accordance herewith and shall be deemed the “Developer” from and after such transfer for all purposes as to such portion of the District Lands so transferred. In the event unplatted or otherwise unassigned lands (“Transferred Property”) are transferred to a third party not affiliated with the Developer but pursuant to this subsection, the Series 2026 Assessment, as defined in the Supplemental Methodology, is assigned to the Transferred Property at the time of the transfer based on the total number of ERUs assigned by the Developer to that Transferred Property, subject to the prior review and approval of the District’s methodology consultant. The owner of the Transferred Property shall be responsible for the total Series 2026 Assessment applicable to the Transferred Property, regardless of the total number of ERUs actually platted, as the total Series 2026 Assessment for the Transferred Property is fixed to the Transferred Property at the time of the transfer. If the Transferred Property is subsequently subdivided into smaller parcels, the total Series 2026 Assessment initially allocated to the Transferred Property shall be re-allocated to the smaller parcels pursuant to the methodology described in the Supplemental Methodology. Any violation of this provision by the Developer shall constitute a default under this Agreement.

**3. VALIDITY OF ASSESSMENTS.** The Developer agrees that the Series 2026 Assessments are legal, valid and binding liens on the property against which assessed from the date of imposition thereof until paid, coequal with the lien of state, county, municipal and school board taxes. The Developer hereby waives and relinquishes any rights it may have to challenge, object to or otherwise fail to pay such Series 2026 Assessments on that portion of the District Lands that it may own.

**4. PREPAYMENT WAIVER.** The Developer, on behalf of itself and its respective successors and assigns, including end-users, covenants and agrees that it shall not exercise any right pursuant to Section 170.09, Florida Statutes, or any other law or other source of rights to pre-pay Series 2026 Assessments, without interest, within the thirty days after the Capital Improvement Plan has been completed and the District Board of Supervisors has adopted a resolution accepting the Capital Improvement Plan, and such right is hereby deemed waived.

**5. COMPLETE UNDERSTANDING.** The parties agree that this instrument embodies the complete understanding of the parties with respect to the subject matter of this Agreement and supersedes all other agreements, verbal or otherwise.

**6. AMENDMENT.** This Agreement may be amended only by a written instrument signed by both parties. If any party fails to enforce their respective rights under this Agreement or fails to insist upon the performance of the other party's obligations hereunder, such failure shall not be construed as a permanent waiver of any rights as stated in this Agreement. Notwithstanding anything herein to the contrary, this Agreement may not be materially amended in a manner that (a) could have the effect of reducing the total debt service revenue collected or to be collected for payment of debt service on the Series 2026 Bonds or (b) lessens Developer's obligations in this Agreement without the prior written consent of the Trustee for the Series 2026 Bonds, acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2026 Bonds then outstanding. The term "Majority," as used herein, shall mean more than fifty (50%) percent.

**7. NOTICES.** All notices, requests, consents and other communications required or permitted under this Agreement shall be in writing and shall be (as elected by the person giving such notice) hand-delivered by prepaid express overnight courier or messenger service, telecommunicated, or mailed (airmail if international) by registered or certified (postage prepaid), return receipt requested, to the following addresses:

**8. SEVERABILITY.** The parties agree that if any part, term or provision of this Agreement is held by a court of competent jurisdiction to be illegal or in conflict with any law of the State of Florida or with any federal law or regulation, such provision shall be severable, with all other provisions remaining valid and enforceable.

**9. CONTROLLING LAW.** This Agreement shall be construed under the laws of the State of Florida.

**10. AUTHORITY.** The execution of this Agreement has been duly authorized by the appropriate body or official of all parties hereto, each party has complied with all the requirements of law, and each party has full power and authority to comply with the terms and provisions of this Agreement.

**11. REMEDIES.** A default by either party under this Agreement, including, but not limited to, the failure of the Developer to make a true-up payment as required by Section 2 of this Agreement, shall entitle the District to all remedies available at law or in equity, which shall include but not be limited to the right of damages, injunctive relief and specific performance and specifically include the ability of the District to enforce any and all payment obligations under this Agreement through the imposition and enforcement of a contractual or other lien on property owned by the Developer and located within the District.

**12. COSTS AND FEES.** In the event that either party is required to enforce this Agreement by court proceedings or otherwise, then the parties agree that the prevailing party shall be entitled to recover from the other all costs incurred, including reasonable attorney's fees and costs for trial, alternate dispute resolution, or appellate proceedings.

**13. THIRD-PARTY BENEFICIARIES.** This Agreement is solely for the benefit of the formal parties herein and no right or cause of action shall accrue upon or by reason hereof, to or for the benefit of any third party not a formal party hereto. Except as provided below, nothing in this Agreement expressed or implied is intended or shall be construed to confer upon any person or corporation other than the parties hereto any right, remedy or claim under or by reason of this Agreement or any provisions or conditions hereof; and all of the provisions, representations, covenants and conditions herein contained shall inure to the sole benefit of and shall be binding upon the parties hereto and their respective representatives, successors and assigns (other than end users). Notwithstanding the foregoing or anything in this Agreement to the contrary, the Trustee for the Series 2026 Bonds, on behalf of the holders of the Series 2026 Bonds, shall be a direct third-party beneficiary of the terms and conditions of this Agreement and, acting at the direction of the holders owning a Majority of the aggregate principal amount of the Series 2026 Bonds then outstanding, shall be entitled to cause the District to enforce the Developer's obligations hereunder. The Trustee shall not be deemed to have assumed any obligations hereunder.

**14. ARM'S LENGTH TRANSACTION.** This Agreement has been negotiated fully between the parties in an arm's length transaction. The parties participated fully in the preparation of this Agreement with the assistance of their respective counsel. In the case of a dispute concerning the interpretation of any provision of this Agreement, the parties are deemed to have drafted, chosen and selected the language, and the doubtful language will not be interpreted or construed against any party.

**15. SUCCESSORS.** The rights and obligations created by this Agreement shall be binding upon and inure to the benefit of the Developer and the District, their respective heirs, executors, receivers, trustees, successors, successors-in-title, and assigns.

**16. CONSTRUCTION OF TERMS.** Whenever used the singular number shall include the plural, the plural the singular; the use of any gender shall include all genders, as the context requires; and the disjunctive shall be construed as the conjunctive, the conjunctive as the disjunctive, as the context requires.

**17. CAPTIONS.** The captions for each section of this Agreement are for convenience and reference only and in no way define, describe, extend, or limit the scope of intent of this Agreement, or the intent of any provision hereof.

**18. ASSIGNMENT.** This Agreement, or any monies to become due hereunder, may be assigned, provided that the assigning party first obtains the prior written approval of the other party, which approval shall not unreasonably be withheld; provided, however, the Developer may not assign its duties or obligations under this Agreement except in accordance with the terms of Section 2(h) above. This Agreement, including, without limitation, all true-up obligations hereunder, shall constitute a covenant running with the title to the District Lands, binding upon the Developer, and their respective successors and assigns as to the District Lands or portions thereof, except as expressly provided in Section 2(h) above.

**19. SOVEREIGN IMMUNITY.** Developer agrees that nothing in this Agreement shall constitute or be construed as a waiver of the District's limitations on liability contained in Section 768.28, Florida Statutes, as amended, or other statutes or law.

**DISCLOSURE OF PUBLIC FINANCING AND MAINTENANCE  
OF IMPROVEMENTS TO REAL PROPERTY UNDERTAKEN  
BY THE LEGACY PALM DRIVE COMMUNITY DEVELOPMENT DISTRICT**

**INTRODUCTION**

On behalf of the Legacy Palm Drive Community Development District (“**District**”), the following information is provided to give you a description of the District’s services and the assessments that have been levied within the District to pay for certain community infrastructure, and the manner in which the District is operated. The District is a unit of special-purpose local government created pursuant to and existing under the provisions of Chapter 190, *Florida Statutes* (the “**Act**”). Under Florida law, community development districts are required to take affirmative steps to provide for the full disclosure of information relating to the public financing and maintenance of improvements to real property undertaken by such districts. The law specifically provides that this information shall be made available to all persons currently residing within the District and to all prospective District residents, as well as filed in the property records of each county in which the District is located.

**WHAT IS THE DISTRICT AND HOW IS IT GOVERNED?**

The District was established by Ordinance No. 25-110, enacted by the County Commission of Miami-Dade County, Florida on December 2, 2025, and effective as of December 12 2025. The District currently includes approximately 50.60 acres, more or less, within unincorporated Miami-Dade County, Florida (“**Development**”). The legal description of the boundaries of the District is attached hereto as **Exhibit A**. As a local unit of special-purpose government, the District provides an alternate means for planning, financing, constructing, operating and maintaining various public improvements and community facilities within its jurisdiction.

The District is governed by a five-member Board of Supervisors (“**Board**” and individually, “**Supervisors**”), the members of which must be residents of the State of Florida and citizens of the United States. Within ninety (90) days of appointment of the initial Board, members were elected on an at-large basis by the owners of property within the District. Subsequent landowner elections are then held every two (2) years in November. At the landowner elections, and generally stated, each landowner is entitled to cast one vote for each acre of land owned with fractions thereof rounded upward to the nearest whole number, or one vote per platted lot. Commencing six (6) years after the initial appointment of the members of the Board and when the District attains a minimum of two hundred and fifty (250) qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A “qualified elector” in this instance is any person at least eighteen (18) years of age who is a citizen of the United States, a legal resident of Florida and of the District, and who is also registered to vote with the Supervisor of Elections for Miami-Dade County. Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, it shall, prior to the exercise of such power, call an election at which all members of the Board shall be elected by qualified electors of the District.

The District is subject to Florida law governing open meetings and records. Accordingly, Board meetings are noticed in the local newspaper and are conducted in a public forum in which public participation is permitted. Consistent with Florida’s public records laws, the records of the District are available for public inspection at the District Manager’s Office during normal business hours.

## OVERVIEW OF THE DISTRICT'S PROJECTS, BONDS & DEBT ASSESSMENTS

The District is authorized by the Act to, amongst other things, finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain systems, facilities, and basic infrastructures in one or more stages, within and without the boundaries of the District.

Pursuant to the Act, the District is authorized to levy and impose non-ad valorem special assessments to pay all, or any part of, the cost of such infrastructure projects and services and to issue bonds, notes and/or other specific financing mechanisms payable from such special assessments. On March [REDACTED], 2026, the Eleventh Judicial Circuit of Florida, in and for Miami-Dade County, Florida, entered a Final Judgment validating the District's ability to issue an aggregate principal amount not to exceed \$27,800,000 in Capital Improvement Revenue Bonds, in one or more series, for infrastructure needs of the District ("**Final Judgment**"). On May [REDACTED], 2026, the Fifth Judicial Circuit of Florida, in and for Miami-Dade County, Florida, entered a Certificate of No Appeal certifying that no notice of appeal has been filed or taken by any party or other person from Final Judgment.

### *Capital Improvement Plan / Series 2026 Bonds & Series 2026 Assessments*

In 2026, the District authorized the construction and/or financing of its master capital improvement plan ("**CIP**"). The CIP includes, among other things, stormwater management and control facilities, including, but not limited to, related earthwork, water distribution and wastewater collection facilities, including any applicable connection fees; onsite and offsite public roadway improvements, including any applicable impact fees; and related soft and incidental costs, including professional fees. The CIP is estimated to cost approximately \$20,350,000 and is described in more detail in the *Engineer's Report: Infrastructure Improvements Prepared for Legacy Palm Drive Community Development District*, dated December 17, 2025 ("**Engineer's Report**").

The District anticipates financing all or a portion of the CIP by the issuance of the \$ [REDACTED] Legacy Palm Drive Community Development District Capital Improvement Revenue Bonds (the "**Series 2026 Bonds**"). To secure the repayment of such Series 2026 Bonds, the District has levied and imposed one or more non-ad valorem debt service special assessment liens (the "**Series 2026 Assessments**") on certain benefitted lands within the District. The Series 2026 Assessments are further described in the *Legacy Palm Drive Community Development District Master Special Assessment Allocation Report*, dated December 17, 2025 ("**Master Assessment Report**"), as supplemented by the *Legacy Palm Drive Community Development District First Supplemental Special Assessment Allocation Report*, dated \_\_\_\_\_, 2026 (the "**Supplemental Assessment Report**," together with the Master Assessment Report, the "**Assessment Report**"). The Assessment Report and any reports that supplement it are designed to conform to the requirements of Chapters 170, 190 and 197, *Florida Statutes*, are not intended to address any other assessments, if applicable, that may be levied by the District, a homeowner's association, or any other unit of government. The amortization schedules for the Series 2026 Bonds are available at the District Manager's Office.

Allocation of special assessments is a continuous process until the CIP is completed. As a master series of interrelated improvements, the CIP benefits all developable acres within the District. Once platting has begun, the assessments will be allocated to the assigned properties based on the benefits they receive as set forth herein ("**Assigned Properties**"). The unassigned properties, defined as property that has not been platted and assigned development rights, will continue to be assessed on a per acre (equal acreage) basis ("**Unassigned Properties**"). Eventually the development plan will be completed and the assessments securing the series of bonds will be allocated to the benefitted property within the District. If there are changes to the development plan causing a change in the ultimate number of platted units, a true-up of the

assessment(s) will be calculated to determine if a debt reduction or true-up payment from the developer is required.

It is anticipated that the Series 2026 Assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, *Florida Statutes*, for platted lots and directly collected for unplatted property but the assessments may be collected by any other legal means available to the District. Schedules of the annual assessments on benefiting property levied to defray the debt service obligations of the District are summarized provided below and are available for public inspection at the District Manager’s Office.

The Series 2026 Assessments described above exclude any operations and maintenance assessments that may be determined and calculated annually by the Board against all benefited lands in the District. A detailed description of all costs and allocations that result in the formulation of assessments, fees and charges is available for public inspection at the District Manager’s Office.

The allocation of the Series 2026 Assessments as set forth in the Series 2026 Assessment Report is provided below. Please note that the unit count below reflects the allocation at the time of issuance of the Series 2026 Bonds, and may be amended from time to time to reflect changes in development. For the most recent unit count, please contact the District Manager’s Office.

<b>Land Use</b>	<b>Total # of Units/ Acres</b>	<b>EAU Factor</b>	<b>Proposed Maximum Principal Per Unit</b>	<b>Proposed Maximum Annual Assessment Per Unit*</b>
Townhome	309	1.00	\$	\$

*\* Includes costs of collection and early payment discounts when collected on the County tax bill. All amounts stated herein are subject to change and/or final determination at the public hearings and meeting identified above. Specific maximum amounts expected per parcel or product type are as set forth in the Assessment Report.*

***Operation and Maintenance Assessments***

In addition to the Debt Assessments, the District also imposes on an annual basis operations and maintenance assessments (“**O&M Assessments**”), which are determined and calculated annually by the Board in order to fund the District’s annual operations and maintenance budget. O&M Assessments are levied against all benefitted lands in the District and may vary from year to year based on the amount of the District’s budget. O&M Assessments may also be affected by the total number of units that ultimately are constructed within the District. The allocation of O&M Assessments is set forth in the resolutions imposing the assessments. Certain operations and maintenance costs are shared among the District and the other community development districts within the Development. Please contact the District Manager’s Office for more information regarding the allocation of O&M Assessments.

The District may undertake the construction, acquisition, or installation of other future improvements and facilities, which may be financed by bonds, notes or other methods authorized by Chapter 190, *Florida Statutes*. Further information regarding any of the improvements can be obtained from the engineer’s report on file in the District Manager’s Office. Further, a detailed description of all

costs and allocations that result in the formulation of assessments, fees and charges is available for public inspection at the District Manager's Office.

### **METHODS OF COLLECTION**

For any given fiscal year, the District may elect to collect any special assessment for any lot or parcel by any lawful means. The provisions governing the collection of special assessments are more fully set forth in the applicable assessment resolutions, which are on file at the District Manager's Office. That said, and generally speaking, the District may elect to place a special assessment on that portion of the annual real estate tax bill, entitled "non-ad valorem assessments," which would then be collected by the Miami-Dade County Tax Collector in the same manner as county ad valorem taxes ("**Uniform Method**"). Each property owner subject to the collection of special assessments by the Uniform Method must pay both ad valorem and non-ad valorem assessments at the same time. Property owners will, however, be entitled to the same discounts as provided for ad valorem taxes. As with any tax bill, if all taxes and assessments due are not paid within the prescribed time limit, the tax collector is required to sell tax certificates which, if not timely redeemed, may result in the loss of title to the property. The use of the Uniform Method for any given fiscal year does not mean that the Uniform Method will be used to collect assessments in future years, and the District reserves the right in its sole discretion to select a new or different collection method in any given year, regardless of past practices.

Alternatively, the District may elect to collect any special assessment by sending a direct bill to a given landowner. In the event that an assessment payment is not timely made, the whole assessment – including any remaining amounts for the fiscal year as well as any future installments of assessments securing debt service – shall immediately become due and payable and shall accrue interest as well as penalties, plus all costs of collection and enforcement, and shall either be enforced pursuant to a foreclosure action, or, at the District's discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Please contact the District Manager's Office for further information regarding collection methods.

This description of the District's operations, services and financing structure is intended to provide assistance to landowners and purchasers concerning the important role that the District plays in providing infrastructure improvements essential to the development of communities. If you have questions or would like additional information about the District, please write to: Legacy Palm Drive Community Development District, c/o Rizzetta & Company, Inc., Attn: District Manager, Offices: 3434 Colwell Avenue, Suite 200, Tampa, Florida 33614, or call: (813) 933-5571.
