Why Give to the Annual Campaign?

As a public charter school, only a portion of our financial obligations are fulfilled by state/federal funds. California funding is 30% below the national average. We depend on donations from parents to help fund:

- Instructional Aides in K-8 classrooms
• Small class sizes
• Enrichment programs such as Arts Education, P.E., Technology, & Gardening
• Middle School Electives
• Upgrades to classroom technology including tablets and laptops

We suggest a donation of \$750 per student to maintain our programs, however we ask that you make any donation that is meaningful to your family to help us reach our goal of 100% participation.
