

**INTERGOVERNMENTAL AGREEMENT
BY AND BETWEEN
THE BOARD OF EDUCATION OF PARK RIDGE-NILES COMMUNITY
CONSOLIDATED SCHOOL DISTRICT NO. 64
AND
THE CITY OF PARK RIDGE
FOR A SCHOOL RESOURCE OFFICER PROGRAM**

THIS INTERGOVERNMENTAL AGREEMENT is made by and between the Board of Education of Park Ridge-Niles Community Consolidated School District No. 64, Cook County, Illinois (“Board” or “District”) and the City of Park Ridge, an Illinois Municipal Corporation (“City”) (collectively, the “Parties”).

WITNESSETH:

WHEREAS, the Board operates Lincoln Middle School (“School”), located at 200 South Lincoln Avenue, Park Ridge, Illinois 60068, which is within the City’s jurisdiction; and

WHEREAS, the City operates the Park Ridge Police Department (“Police Department”), which provides police services within the City’s jurisdiction; and

WHEREAS, the mission statement of the Parties is contained in Exhibit A, which is attached hereto and incorporated herein by reference; and

WHEREAS, Article VII, Section 10 of the 1970 Constitution of the State of Illinois and the *Intergovernmental Cooperation Act* (5 ILCS 220/1 *et seq.*), provides that units of local government and school districts may contract with one another to perform any activity authorized by law; and

WHEREAS, the City and the Board are public agencies pursuant to Section 2 of the *Intergovernmental Cooperation Act*, (5 ILCS 220/2); and

WHEREAS, the Board desires to have the services of one of the City’s police officers to perform the duties of a School Resource Officer (“SRO”) at the School; and

WHEREAS, the City and the Board have determined it to be in the best interests of both Parties to enter into this Agreement.

NOW THEREFORE, in consideration of the mutual promises, covenants, conditions, and other valuable consideration, the receipt and sufficiency whereof is herein acknowledged, the parties hereto agree as follows:

1. Incorporation of Recitals. The recitals set forth above are hereby incorporated into and made a part of this Agreement.

2. **Term.** This Agreement shall commence on the date of the last party to execute this Agreement and shall continue in full effect until June 30, 2019. The District or City may terminate this Agreement prior to its expiration for its convenience by providing at least sixty (60) days' advanced written notice to the other party of its intent to terminate.

3. **Assignment and Selection of the SRO.** The City shall assign ~~one~~ ~~one or more~~ police officers to act as an SRO at the School. To select the police officer(s), the City shall provide the Superintendent of the District (or her/his designee) with a list of its police officers who meet the minimum qualifications set forth in Exhibit ~~A~~~~B~~, which is attached hereto and incorporated herein by reference. The Superintendent may request to conduct interviews with the qualified officers. Each party may select up to five (5) individuals to serve on an advisory committee to participate in the interviews and provide the Superintendent and Chief of Police with input about the candidates. The Superintendent (or his/her designee) and the Chief of Police (or her/his designee) will then mutually select the police officer(s) who will serve as the SRO. Such selection shall be subject to approval of the Board of Education. At any time during the term of this Agreement, the City shall replace the SRO with another police officer who has been selected in accordance with the procedure set forth in this Paragraph 3, if the District provides the City with a written request setting forth the rationale for the requested replacement.

4. **Employment of the SRO.** The SRO shall remain an employee of the City and shall be subject to the administration, supervision, and control of the City, except as such administration, supervision and control are subject to the terms and conditions of this Agreement. The City shall at all times be considered the SRO's employer and the City shall retain direction and control of the work and conduct of the SRO and shall be solely responsible for payment and provision to the SRO of salary and any other benefits, including overtime, to which the SRO is entitled as an employee of the City. The City is responsible for making necessary tax and other withholdings from the SRO's pay, and for making all necessary tax and other employment-related payments and filings. The SRO shall be covered by the City's worker's compensation insurance.

Because the SRO is an employee of the City, the City, in its sole discretion, shall have the power and authority to hire, discharge and discipline the SRO.

5. **Compensation.** The Board agrees to pay the City at a rate of Sixty-Five Dollars and Thirty Cents (\$65.30) per hour for each hour worked by an SRO at the School. The total annual cost paid by the District is estimated to be Twenty Thousand Dollars (\$20,000). On a monthly basis, the City shall send the District's Chief School Business Official an invoice for the amount owed by the District for the prior month, which invoice shall provide the amounts due in detail. The District shall pay the amounts due in accordance with the *Local Government Prompt Payment Act* (50 ILCS 505/1 *et seq.*).

Any adjustment to the SRO's schedule shall be subject to the agreement of the City and the District. ~~If, for any reason, the SRO is absent on~~

~~a day that he/she is assigned to work at the School, the City shall assign another police officer who meets the qualifications listed on Exhibit A to temporarily perform the SRO duties, subject to the same compensation as provided in section 5 of this Agreement.~~

The City shall provide each SRO with a copy of this Agreement, including Exhibit ~~BC~~, and shall require the SRO to provide a signed acknowledgement that he/she has received and reviewed this Agreement. Upon request, the City shall provide the District with a copy of said signed acknowledgement.

8. Program Review. Prior to June 30, 2019, the Parties will meet to review the SRO program at the School and discuss the Parties' intent for the following school year. The City shall cooperate with the District to prepare a report for the Board's review, with a recommendation to keep, modify, or terminate the SRO program.

9. Compliance with Board Policies and Procedure. The SRO shall comply with applicable Board policies (including but not limited to, 5:230 Maintaining Student Discipline and 7:190 Student Behavior, which are attached hereto as Exhibit ~~DE~~) and procedures, as well as the annual Student-Parent Handbook (Chapter 6 of said Handbook is attached hereto as Exhibit ~~DE~~), in the course of his/her duties, and any other operating procedures that are agreed upon by the Parties, provided that copies of these policies have been provided to the SRO in advance.

~~**10. Complaint Procedure.** The SRO shall be considered an "agent" of the District for purposes of the District's Uniform Grievance Procedure, as set forth in Board Policy 2:260. Parts 160 and 164), the *Illinois Personnel Records Review Act* (820 ILCS 40/1 *et seq.*), and all rules and regulations governing the release of student, personnel, and medical records. To the extent

the SRO has access to student records to perform his/her duties, he/she shall not divulge such records to any person or entity who is not a party to this Agreement without the District's consent or as otherwise permitted or required by law. Notwithstanding the termination of this Agreement for any reason, the confidentiality provisions of this paragraph will continue in full force and effect following such termination.

b. City Records. The Parties acknowledge and agree that all records generated by the SRO in connection with the performance of services under this Agreement shall be the property of the City and may constitute law enforcement records. In accordance with law, all records generated and maintained solely by the SRO and the City shall not constitute student records.

EXHIBIT A

MISSION STATEMENT

Vision: District 64 School Resource Officers of the City of Park Ridge and Village of Niles, will act as educational resources to teachers, parents, and students, help build awareness of community policing and help school staff promote a safe and secure learning environment for both staff and students. Through such collaborative efforts, we will strive to build positive relationships between youth and local police officers. We believe these relationships will help enable us to solve as well as prevent problems within our schools and larger communities.

Program Objectives: SROs will serve as valuable resources for their schools and are trained to fulfill several roles:

- **Advisor:** SROs will establish open, and trusted forms of two-way communication with students, parents/guardians, and staff members. They will endeavor to create an environment for students to discuss behaviors that impact their environment. Additionally, they will serve as mentors and problem solvers who will provide guidance on various issues to students, parents, and school administrators and act as a liaison to support services both inside the school environment and outside in the community.
- **Role Model:** SROs will serve as a positive role model for students to reinforce sound decision-making and good judgment, respect for self and others, and foster a sincere concern for the school community and the community at large.
- **Classroom Instructor/Teaching Partner:** SROs will offer an additional educational resource by sharing their expertise in the classroom through co-teaching. SRO classroom presentation topics may include, but are not limited to: bullying and aggression; Internet safety; drug and opioid abuse; good citizenship (i.e., Bill of Rights, Constitution, etc.); and state law and municipal code emphasizing student concerns (e.g., vaping ordinance, bicycle/roller blading restrictions in public areas, etc.); and Healthy Living Month and SEL/Second Steps lessons.
- **Safety/Emergency Needs:** SROs are sworn officers in their communities. They will regularly work at the direction of school administration and serve as a natural extension of D64's comprehensive Safety & Security Plans, except in exigent circumstances.

1. Work collaboratively with the School's administrators and staff to plan and schedule appropriate lessons to students in areas such as drug and alcohol prevention, online safety, cyber bullying, Healthy Living Month, Red Ribbon Week and Second Step/Social-Emotional Learning, civil rights and legal topics, as approved by the School principal.
2. Provide training for the School's staff on topics of interest and importance to the staff related to the officer's expertise, as approved by the School principal.
3. Encourage open dialogue to provide students with a voice regarding issues that impact the School and the community.

Resource Responsibilities

1. Establish positive rapport with all students.
2. Serve as a positive role model.
3. Be available to students, staff, parents, School and community organizations as a resource.
4. Consult with the School's administrators and staff on strategies for dealing with behaviorally at-risk students, as requested and directed by the School principal.
5. Work collaboratively with the School's administrators and PTO to arrange and participate in parent/community education as needed.
6. Serve as liaison between the School and the Police Department.
7. Maintain office hours for consultation with staff and students as needed.
8. Provide a safe environment for students to discuss at-risk behaviors.
9. Serve as a resource for Building Crisis Teams when schedule permits.

Security Responsibilities

1. Maintain a high level of visibility during arrival, lunch, passing periods and departure as schedule permits.
2. Follow building and district behavior policies.
3. Meet with building administrators to advise them of potential situations occurring or that are rumored to occur at or on school grounds.

The SRO will keep an activity log documenting his/her education, resource and security activities, which will be available to the District upon request. The SRO will provide a summary of the activity log that will become part of the end-of-year report provided to the Board of Education. The District may, at its option, communicate updates about the SRO pilot program to parents and the larger School community via social media, newsletter, or other means of communication.

The duties and responsibilities enumerated in this Exhibit ~~CB~~ are exhaustive, and the SRO shall not perform any duties or responsibilities while serving as SRO on School property, including but not limited to, searches and interviews of students, without the School principal's (or in the absence of the School principal, the School administrator who is acting as principal) consent and at the School principal's (or in the absence of the School principal, the School administrator who is acting as principal) direction. The parties do not intend for the SRO to participate in student discipline unless: (1) there are exigent circumstances necessitating the SRO's participation, or (2) the Principal has expressly requested the SRO's participation. In the latter instance, Before authorizing the SRO's participation in the discipline of a special education student, the Principal must consult with the student's case manager or the District's Director of Special Education before requesting the SRO's participation in the discipline of a special education student. Further, absent exigent circumstances, the SRO shall not knowingly participate in the discipline of a special education student without the express consent of the Principal.

DISTINGUISHING DISCIPLINARY MISCONDUCT TO BE HANDLED BY SCHOOL OFFICIALS FROM CRIMINAL OFFENSES TO BE HANDLED BY POLICE DEPARTMENT:

The Parties acknowledge that police officers are responsible for criminal law issues, not school discipline issues. Thus, absent exigent circumstances, incidents involving public order offenses shall be considered school discipline issues to be solely handled by School officials, rather than criminal law issues warranting formal law enforcement intervention (e.g., issuance of a criminal citation, ticket, or summons, filing of a delinquency petition, referral to a probation officer, or actual arrest). If the SRO becomes aware of a student discipline issue, he/she shall refer the issue to the School principal or assistant principal.

Moreover, students shall not be arrested by the SRO when he or she is serving in that capacity at the School, except where exigent circumstances exist. Further, the School principal or assistant principal shall be consulted prior to an arrest of a student where practicable and the student's parent or guardian shall be notified of a child's arrest immediately, unless otherwise directed by the Police Department. If the SRO encounters a student fight, he/she shall respond to it in accordance with the District's existing practices and procedures, including an emphasis on de-escalation.

5:230 MAINTAINING STUDENT DISCIPLINE AND 7:190 STUDENT BEHAVIOR

Professional Personnel

5:230 Maintaining Student Discipline

Maintaining an orderly learning environment is an essential part of each teacher's instructional responsibilities. A teacher's ability to foster appropriate student behavior is an important factor in the teacher's educational effectiveness. The Superintendent shall ensure that all teachers, other certificated employees, and persons providing a student's related services(s): (1) maintain discipline in the schools as required in the School Code, and (2) follow the School Board policies and administrative procedures on student conduct, behavior, and discipline.

When a student's behavior is unacceptable, the teacher should first discuss the matter with the student, if appropriate. If the unacceptable behavior continues, the teacher should consult with the Building Principal or Assistant Principal and discuss the problem with the parent(s)/guardian(s). A teacher may remove any student from the learning setting whose behavior interferes with the lessons or participation of fellow students. A student's removal must be in accordance with Board policy and administrative procedures. School teams that are trained in non-violent crisis intervention will respond to unsafe student behavior.

Teachers shall not use disciplinary methods that may be damaging to students, such as ridicule, sarcasm, or excessive temper displays. Corporal punishment (including slapping, paddling or prolonged maintenance of a student in physically painful positions, and intentional infliction of bodily harm) may not be used. Teachers may use reasonable physical redirection as needed to keep students, school personnel, and others safe, or for self-defense.

The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board's authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student's parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study provided the student's parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure must be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy [7:220](#), *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy [7:200](#), *Suspension Procedures*. A student who has been suspended will also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy [7:210](#), *Expulsion Procedures*. A student who has been expelled may also be restricted from being on school grounds and at school activities.
13. Transfer to an alternative program for disciplinary purposes upon written agreement with the student's parent(s) or following a Board of Education hearing.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alike" drugs or weapons, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of at least one calendar year but not more than two calendar years:

1. A firearm, meaning any gun, rifle, shotgun, weapon or "look alikes" as defined by Section 921 of Title 18 of the United States Code ([18 U.S.C. § 921](#)), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act ([430 ILCS 65](#)), or firearm as defined in Section 24-1 of the Criminal Code of 1961 ([720 ILCS 5/24-1](#)).
2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look alikes" of any firearm as defined above.

The expulsion requirement under either paragraph one or two above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm.

This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal or Assistant Building Principal, or designee is authorized to impose the same disciplinary measures as teachers. In addition, provided the appropriate procedures are followed, the Superintendent, Building Principal, or Assistant Principal or designee may issue in-school suspensions; may issue out-of-school suspensions to students guilty of gross disobedience or misconduct (including all school functions) for up to ten consecutive school days; and may suspend students from riding the school bus for up to ten consecutive school days. The Board may suspend a student from riding the bus in excess of ten school days for safety reasons.

Student Handbook

The Superintendent, with input from the PTO/A Presidents committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval.

A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment. Students and their parents/guardians must acknowledge receipt of the student handbook in some form upon receipt of the handbook.

CHAPTER 6 OF STUDENT-PARENT HANDBOOK

Chapter 6

Student Behavior

Social-Emotional Learning

Meeting the academic as well as social-emotional health needs of all students is an important objective within the 2020 Vision Strategic Plan. District 64 helps students develop awareness and the skills needed to be respectful and caring members of their homes, schools, and communities. Our efforts are aligned with the State of Illinois social-emotional learning standards, and include reinforcing the traits of respect and responsibility in our preschool/elementary students and in developing self-awareness, self-motivation and social skills for middle school students.

Each school has a program that includes instruction in these skills and concepts at times when they occur naturally in the curriculum. Teachers and staff determine how to best incorporate these into the curriculum and culture at each school. Life skills related to behavior are taught in the classroom through natural connections to the curriculum in all subjects as well as in every part of the school environment.

To reinforce these expectations, each school has developed an acronym that reflects its building's culture and has created a program to recognize exemplary behavior. School acronyms are shown on the individual roster pages.

Student Behavior

The goals and objectives of Board policy 7:190, *Student Behavior*, are to provide effective discipline practices that:

- Ensure the safety and dignity of students and staff
- Maintain a positive, weapons-free, and drug-free learning environment
- Keep school property and the property of others secure
- Address the causes of a student's misbehavior and provide opportunities for all individuals involved in an incident to participate in its resolution, and
- Teach students positive behavioral skills to become independent, self-disciplined citizens in the school community and society.

When and Where Conduct Rules Apply

A student is subject to disciplinary action for engaging in prohibited student conduct, as described in the section with that name below, whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during, or after school hours or at any time;
2. Off school grounds at a school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function, or event; or
4. Anywhere, if the conduct interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including, but not limited to, conduct that may reasonably be considered to: (a) be a threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

Prohibited Student Conduct

The school administration is authorized to discipline students for gross disobedience or misconduct, including but not limited to:

1. Using, possessing, distributing, purchasing, or selling tobacco or nicotine materials, including without limitation, electronic cigarettes.
2. Using, possessing, distributing, purchasing, or selling alcoholic beverages. Students who are under the influence of an alcoholic beverage are not permitted to attend school or school functions and are treated as though they had alcohol in their possession.
3. Using, possessing, distributing, purchasing, selling or offering for sale:
 - a. Any illegal drug or controlled substance, or cannabis (including medical cannabis, marijuana and hashish).
 - b. Any anabolic steroid unless it is being administered in accordance with a physician's or licensed practitioner's prescription.
 - c. Any performance-enhancing substance on the Illinois High School Association's most current banned substance list unless administered in accordance with a physician's or licensed practitioner's prescription.
 - d. Any prescription drug when not prescribed for the student by a physician or licensed practitioner, or when used in a manner inconsistent with the prescription or prescribing physician's or licensed practitioner's instructions. The use or possession of medical cannabis, even by a student for whom medical cannabis has been prescribed, is prohibited.
 - e. Any inhalant, regardless of whether it contains an illegal drug or controlled substance: (a) that a student believes is, or represents to be capable of, causing intoxication, hallucination, excitement, or dulling of the brain or nervous system; or (b) about which the student engaged in behavior that would lead a reasonable person to believe that the student intended the inhalant to cause intoxication, hallucination, excitement, or dulling of the brain or nervous system. The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
 - f. Any substance inhaled, injected, smoked, consumed, or otherwise ingested or absorbed with the intention of causing a physiological or psychological change in the body, including without limitation, pure caffeine in tablet or powdered form.
 - g. "Look-alike" or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug or controlled substance, or other substance that is prohibited by this policy.
 - h. Drug paraphernalia, including devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances.

Students who are under the influence of any prohibited substance are not permitted to attend school or school functions and are treated as though they had the prohibited substance, as applicable, in their possession.
4. Using, possessing, controlling, or transferring a "weapon" as that term is defined in the Weapons section of this policy, or violating the Weapons section of this policy.
5. Using or possessing an electronic paging device.
6. Using a cellular telephone, video recording device, personal digital assistant (PDA), or other wearable technology in any manner that disrupts the educational environment or violates the rights of others, including using the device to take photographs in locker rooms or bathrooms, cheat, or otherwise violate student conduct rules. Prohibited conduct specifically includes, without limitation, creating, sending, sharing, viewing, receiving, or possessing an indecent visual depiction of oneself or another person through the use of a computer, electronic communication device, or cellular phone. Unless otherwise banned under this policy or by the Building Principal, all electronic devices must be kept powered-off and in their lockers during the regular school day unless: (a) the supervising teacher grants

permission; (b) use of the device is provided in a student's individualized education program (IEP); or (c) it is needed in an emergency that threatens the safety of students, staff, or other individuals.

7. Using or possessing a laser pointer unless under a staff member's direct supervision and in the context of instruction.
8. Disobeying rules of student conduct or directives from staff members or school officials. Examples of disobeying staff directives include refusing a District staff member's request to stop, present school identification, or submit to a legal search.

Prohibited conduct specifically includes, without limitation, any use of violence, intimidation, force, noise, coercion, threats, stalking, harassment, sexual harassment, public humiliation, theft or destruction of property, retaliation, hazing, bullying (as described in Board policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*), bullying using a school computer or a school computer network, or other comparable conduct.
11. Engaging in any sexual activity, including without limitation, public display of affection (PDA), offensive touching, sexual harassment, indecent exposure (including mooning), and sexual assault. This does not include the expression of gender or sexual orientation or preference.
12. Teen dating violence, as described in Board policy 7:185, *Teen Dating Violence Prohibited*.

14. Entering school property or a school facility without proper authorization.
15. 16. Being absent without a recognized excuse; State law and School Board policy regarding truancy control will be used with chronic and habitual truants.
17. Being involved with any public school fraternity, sorority, or secret society, by: (a) being a member; (b) promising to join; (c) pledging to become a member; or (d) soliciting any other person to join, promise to join, or be pledged to become a member.

21. Operating an unmanned aircraft system (UAS) or drone for any purpose on school grounds or at any school event unless granted permission by the Superintendent or designee.
22. Engaging in any activity, on or off campus, that interferes with, disrupts, or adversely affects the school environment, school operations, or an educational function, including but not limited to, conduct that may reasonably be considered to: (a) be a

Passwords to students' accounts on social networking websites

According to the Right to Privacy in the School Setting Act, District 64 may not request or require a student to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website. District 64 may conduct an investigation or require a student to cooperate in an investigation if there is specific information about activity on a student's account on a social networking website that violates a school disciplinary rule or policy. In the course of an investigation, the student may be required to share the content that is reported in order to make a factual determination.

threat or an attempted intimidation of a staff member; or (b) endanger the health or safety of students, staff, or school property.

For purposes of this policy, the term “possession” includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student’s person; (b) contained in another item belonging to, or under the control of, the student, such as in the student’s clothing, backpack, or automobile; (c) in a student locker, desk, or other school property; or (d) at any location on school property or at a school-sponsored event.

Efforts, including the use of positive intervention and supports, shall be made to deter students, while at school or a school-related event, from engaging in aggressive behavior that may reasonably produce physical or psychological harm to someone else. The Superintendent or designee shall ensure that the parent/guardian of a student who engages in aggressive behavior is notified of the incident. The failure to provide such notification does not limit the Board’s authority to impose discipline, including suspension or expulsion, for such behavior.

No disciplinary action shall be taken against any student that is based totally or in part on the refusal of the student’s parent/guardian to administer or consent to the administration of psychotropic or psychostimulant medication to the student.

Disciplinary Measures

Search Policy & Procedure

School authorities may inspect and search school property and equipment owned or controlled by the school (such as lockers, desks, and parking lots), as well as personal effects left there by a student, without notice to or the consent of the student. Students have no reasonable expectation of privacy in these places or areas or in their personal effects left there. Though permission is not necessary, in the event a search is necessary, an attempt will be made to inform parents, as referenced in Board policy 7:140.

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to drop out voluntarily due to behavioral or academic difficulties.

Potential disciplinary measures include, without limitation, any of the following:

1. Notifying parent(s)/guardian(s).
2. Disciplinary conference.
3. Withholding of privileges.
4. Temporary removal from the classroom.
5. Return of property or restitution for lost, stolen, or damaged property.
6. In-school suspension. The Building Principal or designee shall ensure that the student is properly supervised.
7. After-school study provided the student’s parent/guardian has been notified. If transportation arrangements cannot be agreed upon, an alternative disciplinary measure may be used. The student must be supervised by the detaining teacher or the Building Principal or designee.
8. Community service with local public and nonprofit agencies that enhances community efforts to meet human, educational, environmental, or public safety needs. The District will not provide transportation. School administration shall use this option only as an alternative to another disciplinary measure, giving the student and/or parent/guardian the choice.
9. Seizure of contraband; confiscation and temporary retention of personal property that was used to violate this policy or school disciplinary rules.
10. Suspension of bus riding privileges in accordance with Board policy 7:220, *Bus Conduct*.
11. Out-of-school suspension from school and all school activities in accordance with Board policy 7:200, *Suspension Procedures*. A student who has been suspended will also be restricted from being on school grounds and at school activities.
12. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years in accordance with Board policy 7:210, *Expulsion*

Procedures. A student who has been expelled may also be restricted from being on school grounds and at school activities.

13. Transfer to an alternative program for disciplinary purposes upon written agreement with the student's parent(s) or following a Board of Education hearing.
14. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, including but not limited to, illegal drugs (controlled substances), "look-alikes" drugs or weapons, alcohol, or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The School Board will seek restitution from students and their parents/guardians for vandalism or other student acts that cause damage to school property.

Board Policy 7:170

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension and expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

Corporal punishment is prohibited. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Weapons

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school may be expelled for a period of at least one calendar year, but not more than two calendar years: 1. A firearm, meaning any gun, rifle, shotgun, weapon or "look-alikes" as defined by Section 921 of Title 18 of the United States Code (18 USC 921), firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act (430 ILCS 65/), or firearm as defined in Section 24-1 of the Criminal Code of 1961 (720 ILCS 5/24-1). 2. A knife, brass knuckles, or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including "look-alikes" of any firearm as defined above.

The expulsion requirement under either paragraph 1 or 2 above may be modified by the Superintendent, and the Superintendent's determination may be modified by the Board on a case-by-case basis. The Superintendent or designee may grant an exception to this policy, upon the prior request of an adult supervisor, for students in theatre, cooking, ROTC, martial arts, and similar programs, whether or not school-sponsored, provided the item is not equipped, nor intended, to do bodily harm. This policy's prohibitions concerning weapons apply regardless of whether: (1) a student is licensed to carry a concealed firearm, or (2) the Board permits visitors, who are licensed to carry a concealed firearm, to store a firearm in a locked vehicle in a school parking area.

Re-Engagement of Returning Students

The Superintendent or designee shall maintain a process to facilitate the re-engagement of students who are returning from an out-of-school suspension, expulsion, or an alternative school setting. The goal of re-engagement shall be to support the student's ability to be successful in school following a period of exclusionary discipline and shall include the opportunity for students who have been suspended to complete or make up work for equivalent academic credit.

Required Notices

A school staff member shall immediately notify the office of the Building Principal in the event that he or she: (1) observes any person in possession of a firearm on or around school grounds; however, such action may be delayed if immediate notice would endanger students under his or her supervision, (2) observes or has reason to suspect that any person on school grounds is or was involved in a drug-related incident, or (3) observes a battery committed against any staff member. Upon receiving such a report, the Building Principal or designee shall immediately notify the local law enforcement agency, State Police, and any involved student's parent/guardian. "School grounds" includes modes of transportation to school activities and any public way within 1000 feet of the school, as well as school property itself.

Delegation of Authority

Each teacher, and any other school personnel when students are under his or her charge, is authorized to impose any disciplinary measure, other than suspension, expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with the policies and rules on student discipline. Only the School Board may expel a student. This authority may not be delegated. Teachers, other certificated [licensed] educational employees, and other persons providing a related service for or with respect to a student, may use reasonable force as needed to maintain safety for other students, school personnel, or other persons, or for the purpose of self-defense or defense of property. Teachers may temporarily remove students from a classroom for disruptive behavior.

The Superintendent, Building Principal or Assistant Building Principal, or designee is authorized to impose the same disciplinary measures as teachers. In addition, provided the appropriate procedures are followed, the Superintendent, Building Principal or Assistant Principal, or designee may issue in-school suspensions; may issue out-of-school suspensions to students guilty of gross disobedience or misconduct (including all school functions) for up to 10 consecutive school days; and may suspend students from riding the school bus for up to 10 consecutive school days. The Board may suspend a student from riding the bus in excess of 10 school days for safety reasons.

Student Handbook

The Superintendent, with input from the PTO/A Presidents committee, shall prepare disciplinary rules implementing the District's disciplinary policies. These disciplinary rules shall be presented annually to the Board for its review and approval. A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.

Out-of-School Suspension

According to Board policy 7:200, the Superintendent or designee shall implement out-of-school suspension procedures that provide, at a minimum, for each of the following:

1. A conference during which the charges will be explained and the student will be given an opportunity to respond to the charges before he or she may be suspended.
2. A pre-suspension conference is not required, and the student can be immediately suspended when the student's presence poses a continuing danger to persons or property or an ongoing threat of disruption to the educational process. In such cases, the notice and conference shall follow as soon as practicable.

3. A phone call to the student's parent(s)/guardian(s) is made.
4. A written notice of the suspension to the parent(s)/guardian(s) and the student, which shall: (a) Provide notice to the parent(s)/guardian(s) of their child's right to a review of the suspension; (b) Include information about the opportunity to make up work missed during the suspension for equivalent academic credit; (c) Detail the specific act of gross disobedience or misconduct resulting in the decision to suspend; (d) Provide rationale or an explanation of how the chosen number of suspension days will address the threat or disruption posed by the student or his or her act of gross disobedience or misconduct; and (e) Depending upon the length of the out-of-school suspension, include the following applicable information: (i) For a suspension of 3 school days or less, an explanation that the student's continuing presence in school would either pose: a) A threat to school safety, or b) A disruption to other students' learning opportunities. (ii) For a suspension of 4 or more school days, an explanation: a) That other appropriate and available behavioral and disciplinary interventions have been exhausted, b) As to whether school officials attempted other interventions or determined that no other interventions were available for the student, and c) That the student's continuing presence in school would either: i) Pose a threat to the safety of other students, staff, or members of the school community, or ii) Substantially disrupt, impede, or interfere with the operation of the school. (iii) For a suspension of 5 or more school days, the information listed in section 4.e.ii above, along with documentation by the Superintendent or designee determining what, if any, appropriate and available support services will be provided to the student during the length of his or her suspension.
5. A summary of the notice, including the reason for the suspension and the suspension length, must be given to the Board by the Superintendent or designee.
6. Upon request of the parent(s)/guardian(s), a review of the suspension shall be conducted by the Board or a hearing officer appointed by the Board. At the review, the student's parent(s)/guardian(s) may appear and discuss the suspension with the Board or its hearing officer and may be represented by counsel. Whenever there is evidence that mental illness may be the cause for the suspension, the Superintendent or designee shall invite a representative from the Department of Human Services to consult with the Board. After presentation of the evidence or receipt of the hearing officer's report, the Board shall take such action as it finds appropriate. If the suspension is upheld, the Board's written suspension decision shall specifically detail items (a) and (e) in number 4, above.

Expulsion

According to Board policy 7:210, the Superintendent or designee shall implement expulsion procedures that provide, at a minimum, for the following:

1. Before a student may be expelled, the student and his or her parent(s)/guardian(s) shall be provided a written request to appear at a hearing to determine whether the student should be expelled. The request shall be sent by registered or certified mail, return receipt requested. The request shall: a) include the time, date, and place for the hearing; b) briefly describe what will happen during the hearing; c) detail the specific act of gross disobedience or misconduct resulting in the decision to recommend expulsion; d) list the student's prior suspension(s); e) state that the School Code allows the School Board to expel a student for a definite period of time not to exceed 2 calendar years, as determined on a case by case basis; f) ask that the student or parent(s)/guardian(s) or attorney inform the Superintendent or Board Attorney if the student will be represented by an attorney and, if so, the attorney's name and contact information.
2. Unless the student and parent(s)/guardian(s) indicate that they do not want a hearing or fail to appear at the designated time and place, the hearing will proceed. It shall be conducted by Board approved hearing officer. The hearing officer shall report to the Board the evidence presented at the hearing and the Board shall take such final

action as it finds appropriate. Whenever there is evidence that mental illness may be the cause for the recommended expulsion, the Superintendent or designee shall invite a representative from the Department of Human Services to consult with the Board.

3. During the expulsion hearing, the Board or hearing officer shall hear evidence concerning whether the student is guilty of the gross disobedience or misconduct as charged. School officials must provide: (1) testimony of any other interventions attempted and exhausted or of their determination that no other appropriate and available interventions were available for the student, and (2) evidence of the threat or substantial disruption to the educational environment would make it difficult to educate students posed by the student. The student and his or her parent(s)/guardian(s) may be represented by counsel, offer evidence, present witnesses, cross examine witnesses who testified, and otherwise present reasons why the student should not be expelled. After presentation of the evidence or receipt of the hearing officer's report, the Board shall decide the issue of guilt and take such action as it finds appropriate.
4. In determining the length of the student's expulsion, the Board also shall consider: a) the egregiousness of the student's conduct; b) the history of the student's past conduct; c) the likelihood that such conduct will affect the delivery of education for other students; d) the severity of the punishment; and e) the student's best interests.
5. If the Board acts to expel the student, its written expulsion decision shall: a) Detail the specific reason why removing the student from his or her learning environment is in the best interest of the school; b) Provide a rationale for the specific duration of the recommended expulsion, as well as the rationale for any suspension that preceded the expulsion; c) Document how school officials determined that all behavioral and disciplinary interventions have been exhausted by specifying which interventions were attempted or whether school officials determined that no other appropriate and available interventions existed for the student; d) Document how the student's continuing presence in school would (1) pose a threat to the safety of other students, staff, or members of the school community, or (2) substantially disrupt, impede, or interfere with the operation of the school; e) Document whether available and appropriate support services were offered or provided during the suspension and, if they were not offered or provided, document that none were available.
6. Upon expulsion, the District may refer the student to appropriate and available support services.

Restrictions on Publications

School-Sponsored Publications and Websites

School-sponsored publications, productions, and websites are part of the curriculum and are not a public forum for general student use. School authorities may edit or delete material that is inconsistent with the District's educational mission. All school-sponsored communications shall comply with the ethics and rules of responsible journalism. Text that is libelous, obscene, vulgar, lewd, invades the privacy of others, conflicts with the basic educational mission of the school, is inappropriate due to the maturity of the students, or is materially disruptive to the educational process will not be tolerated. The author's name will accompany personal opinions and editorial statements. An opportunity for the expression of differing opinions from those published/produced will be provided within the same media.

Non-School Sponsored Publications Accessed or Distributed On-Campus

For purposes of this section and the following section, a publication includes, without limitation: (1) written or electronic print material, and (2) audio-visual material, on any medium including electromagnetic media (e.g., images, MP3 files, flash memory, etc.), or combinations of these whether off-line (e.g., a printed book, CD-ROM, etc.) or on-line (e.g., any website, social networking site, database for information retrieval, etc.), or (3)

information or material on electronic devices (e.g., data or voice messages delivered by cell phones, tablets, and other hand-held devices).

Creating, distributing and/or accessing non-school sponsored publications shall occur at a time and place and in a manner that will not cause disruption, be coercive, or result in the perception that the distribution or the publication is endorsed by the School District.

Students are prohibited from creating, distributing and/or accessing at school any publication that:

1. Will cause substantial disruption of the proper and orderly operation and discipline of the school or school activities;
2. Violates the rights of others, including but not limited to material that is libelous, invades the privacy of others, or infringes on a copyright;
3. Is socially inappropriate or inappropriate due to maturity level of the students, including but not limited to material that is obscene, pornographic, or pervasively lewd and vulgar, contains indecent and vulgar language, or sexting as defined by School Board policy and Student Handbooks;
4. Is reasonably viewed as promoting illegal drug use; or
5. Is distributed in kindergarten through eighth grade and is primarily prepared by non-students, unless it is being used for school purposes. Nothing herein shall be interpreted to prevent the inclusion of material from outside sources or the citation to such sources as long as the material to be distributed or accessed is primarily prepared by students.

Accessing or distributing "on campus" includes accessing or distributing on school property or at school-related activities. A student engages in gross disobedience and misconduct and may be disciplined for (1) accessing or distributing forbidden material, or (2) for writing, creating, or publishing such material intending for it to be accessed or distributed at school.

Non-School Sponsored Publications Accessed or Distributed Off-Campus

A student engages in gross disobedience and misconduct and may be disciplined for creating and/or distributing a publication that: (1) causes a substantial disruption or a foreseeable risk of a substantial disruption to school operations, or (2) interferes with the rights of other students or staff members.

Bullying and Cyberbullying

The Superintendent or designee shall treat behavior that is *bullying* and/or *cyberbullying* according to Board policy 7:180 (*Prevention of and Response to Bullying, Intimidation, and Harassment*) in addition to any response required by this policy 7:310.

**INTERGOVERNMENTAL AGREEMENT
BY AND BETWEEN
THE BOARD OF EDUCATION OF
PARK RIDGE-NILES COMMUNITY CONSOLIDATED SCHOOL DISTRICT NO. 64
AND
CITY OF PARK RIDGE
FOR THE

COMMITTED BY STUDENTS**

THIS INTERGOVERNMENTAL AGREEMENT is by and between the Board of Education of Park Ridge-Niles Community Consolidated School District No. 64, Cook County, Illinois (hereinafter referred to as "School District" or "District") and the City of Park Ridge, an Illinois Municipal Corporation (hereinafter referred to as the "City" or the "Department") (collectively the "Parties").

WITNESSETH:

WHEREAS, the City operates the Park Ridge Police Department, which has responsibility for law enforcement within the boundaries of the School District or a portion thereof; and

WHEREAS, the School District and the Department have mutually determined that it would be in the best interest of the safety and welfare of students and employees of the School District to have a reciprocal reporting system between the School District and the Department regarding criminal offenses committed by students enrolled in the School District; and

WHEREAS, this Agreement is authorized by the Illinois Constitution of 1970 and the *Intergovernmental Cooperation Act* (5 ILCS 220/1 *et seq.*), providing for the execution of agreements and implementation of cooperative ventures between public agencies of the State of Illinois; and

WHEREAS, Section 10-20.14 of the *School Code* (105 ILCS 5/10-20.14) mandates and authorizes that the School District's parent-teacher advisory committee develop and maintain, along with the School Board, a reciprocal reporting system between the School District and local law enforcement agencies regarding criminal offenses committed by students; and

WHEREAS, the *Family Educational Rights and Privacy Act* (20 USC 1232g(b)) provides that confidential student record information may be disclosed without parental consent to state and local officials or authorities to whom such information is specifically allowed to be reported or disclosed pursuant to State statute if (1) the allowed reporting or disclosure concerns the juvenile justice system and such system's ability to effectively serve, prior to adjudication, the student whose records are released; and (2) the officials and authorities to whom such information is disclosed certify in writing to the educational agency or institution that the information will not be disclosed to any other party except as provided under State law without the prior written consent of the parent of the student; and

WHEREAS, in furtherance of the foregoing, the *Illinois School Student Records Act* (105 ILCS 10/6(a)(6.5)) provides that confidential student record information may be disclosed without parental consent to juvenile authorities when necessary for the discharge of their official duties who request information prior to the adjudication of the student and who certify in writing that the information will not be disclosed to any other party except as provided by law or order of court; and further defines juvenile authorities, which definition includes, but is not limited to, judges, probation officers, law enforcement officers and prosecutors, and individuals authorized by court; and

WHEREAS, the Parties wish to memorialize the authority and parameters of their exchanges of information and the necessary written certification pursuant to the foregoing State and federal laws.

NOW, THEREFORE, in consideration of the foregoing, as well as the mutual covenants and agreements hereinafter set forth, the School District and the Department hereby agree as follows:

1. Liaison. The District's parent-teacher advisory committee shall designate an administrative contact person to act as a liaison between the School District and the Department for the purpose of reciprocal reporting of eligible criminal offenses committed by students ("Appropriate School Official"). The Department shall likewise designate an administrative contact person to act as a liaison between the Department and the School District for the purpose of reciprocal reporting of eligible criminal offenses committed by students.

2. Criminal Offenses/Reporting and Records Disclosure.

a. Whenever the School District receives information that a student may have committed a criminal offense on school grounds, off school grounds, at a school sponsored activity, or against school personnel, the Appropriate School Official may notify the Department liaison, subject to any limitations imposed by law. To the extent that such information is contained in a school student record, the School District will provide prior written notice to the student's parents, or the student if applicable, as may be required by law.

b. Whenever the Department receives information that a student may have committed a criminal offense, as limited by Paragraphs 2.d and 2.e of this Agreement, the Department liaison shall notify the School District liaison. In addition, the Department shall notify the School District liaison if the Department or an officer believes that there is an imminent threat of physical harm to students, school personnel or others who are present in the school or on school grounds.

c. Upon request of the School District, the Department shall provide access to the Appropriate School Official to the criminal records of students, subject to the limitations in Paragraph 2.e of this Agreement.

d. The Department's provision of and the School District's access to the

Department's records relating to a minor who has been arrested before his or her 18th birthday, for purposes of inspection and copying of said records, shall be limited to records of minors enrolled in the School District who have been arrested or taken into custody for any of the following offenses:

- (i) any violation of Article 24 of the *Criminal Code of 1961* or the *Criminal Code of 2012* (i.e., weapons violations);
- (ii) a violation of the *Illinois Controlled Substances Act*;
- (iii) a violation of the *Cannabis Control Act*;
- (iv) a forcible felony as defined in Section 2-8 of the *Criminal Code of 1961* or the *Criminal Code of 2012* (e.g., murder, criminal sexual assault, robbery, burglary, arson, kidnapping, aggravated battery and any other felony that involves the use or threat of physical force or violence);
- (v) a violation of the *Methamphetamine Control and Community Protection Act*;
- (vi) a violation of Section 1-2 (harassment through electronic communications) of the *Harassing and Obscene Communications Act*;
- (vii) a violation of the *Hazing Act* (recategorized and renumbered as Section 12C-50 of the *Criminal Code*); or

The information derived from the law enforcement records shall be kept separate from and shall not become a part of the official school record of that child and shall not be a public record. The information shall be used solely by the Appropriate School Official to protect the safety of students and employees in the school. If the designated law enforcement and school officials deem it to be in the best interest of the minor, the student may be referred to in-school or community based social services if those services are available. "Rehabilitation services" may include interventions by school support personnel, evaluation for eligibility for special education, referrals to community-based agencies such as youth services, behavioral healthcare service providers, drug and alcohol prevention or treatment programs, and other interventions as deemed appropriate for the student.

e. Except as provided in Paragraphs 2.d. and 2.g, the Department's provision of and the School District's access to the Department's information relating to a minor who is the subject of a current police investigation that is directly related to school safety shall consist of oral information only, and not written law enforcement records, and shall be used solely by the Appropriate School Official to protect the safety of students and employees in the school and aid in the proper rehabilitation of the child. The information derived orally from the local law enforcement officials shall be kept separate from and shall not become a part of the official school record of the child and shall not be a public record. For purposes of this paragraph, "investigation" means an official systematic inquiry by the Department or any other law enforcement agency into actual or suspected criminal activity.

The limitations of this paragraph and Paragraph 2.e shall be expanded or further restricted in accordance with any subsequent amendments to the *Juvenile Court Act of 1987* (705 ILCS 405/1-7, 5-905) or other laws.

f. Pursuant to 705 ILCS 405/5-901(1)(b)(v), court files of juvenile delinquency proceedings, redacted to remove any information identifying the victim or alleged victim of any sex offense, will be disclosed to the School District if the District provides educational, medical or mental health services to the juvenile and disclosure is necessary for the discharge of the District's official duties.

g. Notwithstanding the restrictions in Paragraph 2.e above on the provision of and access to the Department's records, in accordance with Section 22-20 of the *School Code* (105 ILCS 5/22-20), the Department shall report to the Principal or School District liaison, if identified as designee for the School District's principals, whenever a child enrolled therein is detained for proceedings under the *Juvenile Court Act of 1987* (705 ILCS 405/1-1 *et seq.*), as heretofore and hereafter amended, or for any criminal offense or any violation of a municipal ordinance. The report shall include the basis for detaining the child, circumstances surrounding the events which led to the child's detention, and status of proceedings. The report shall be updated as appropriate to notify the Principal or School District liaison of developments and the disposition of the matter. The information transmitted to the School District pursuant to this paragraph shall be kept separate from and shall not become a part of the official school record of such child and shall not be a public record. Such information shall be used solely by the appropriate school official or officials whom the School District has determined to have a legitimate educational or safety interest to aid in the proper rehabilitation of the child and to protect the safety of the students and employees in the school.

h. Nothing contained in this Agreement is intended to prevent the sharing or disclosure of information or records relating or pertaining to juveniles subject to the provisions of the Serious Habitual Offender Comprehensive Action Program when that information is used to assist in the early identification and treatment of habitual juvenile offenders and such sharing is otherwise allowed by law.

i. If the Department commences use of body cameras by its law enforcement officers in accordance with the *Law Enforcement Officer-Worn Body Camera Act* (50 ILCS 701/10-1 *et seq.*), it shall promptly provide the District with a copy of the Department's written

policy regarding the use of body cameras adopted in accordance with the foregoing Act, and the District and Department shall determine appropriate procedures for flagging recordings related to incidents in the schools for retention by the Department and for access by the District as otherwise allowed by law. If the Department and District have a school resource officer agreement in place, they shall discuss the implementation of the body camera policy with regard to the school resource officer(s) serving in the District schools pursuant to that agreement.

3. Confidentiality. Any and all information received by the School District as a result of this Agreement shall be kept confidential by the School District as and to the extent required by law. In accordance with the *Illinois School Student Records Act* (105 ILCS 10/1 *et seq.*) and the regulations implementing the federal *Family Educational Rights and Privacy Act* (34 C.F.R. Part 99), any and all information constituting student records or education records under those laws that is received by the Department as a result of this Agreement shall be kept confidential by the Department and shall not be disclosed by the Department to another party without the prior written consent of the parent of the student (or consent of the student if he or she has assumed rights under the law), except as provided under state and federal law.

4. Term. The parties to this Agreement understand and agree that this Agreement shall commence the day and year on which the Agreement is signed by all parties. This Agreement shall remain in effect from year-to-year thereafter, as may be modified pursuant to Paragraph 6 of this Agreement, until terminated by written notice of either party.
