**Dr. Lea Anne Frost**, *Director of Student Services*

August, 2018

Dear District 64 Families:

As we look forward to the start of a new school year, I want to introduce our District 64 Student Services Administrative Team. This year, we are pleased to have three special education coordinators along with an Assistant Director joining me in leading our important efforts.

Our new team is honored to serve the District 64 community! Let me share more information about each of them.

Our new Assistant Director, Ms. Susan Waughon, has been a special education administrator in Hinsdale School District 181 for the past eight years. In addition to serving as Assistant Director, Ms. Waughon also will coordinate services at Roosevelt School.

Ms. Jill Dzik is a returning special education coordinator who will continue to serve our two middle schools. In addition, we have two new special education coordinators. Ms. Antonia (Toni) Galan has been the Director of Student Services for West Chicago School District 33 for the past four years. Ms. Galan will coordinate services at Washington and Franklin schools. Ms. Natalie Szeles has been a special education teacher/social emotional learning coach for Glenview School District 34 for the past three years. Ms. Szeles will coordinate services at Field and Carpenter schools.

District 64's mission is to *inspire every child to discover, learn, achieve, and care*. The Student Services Department is committed to ensuring this mission is first and foremost for all students in District 64. In addition, the Student Services Department is committed to forging a strong partnership with all parents, collaborating together to provide an appropriate educational program for each and every student, and keeping the lines of communication open.

We all look forward to the beginning of the new school year and engaging all our students in a positive educational experience.

Making a difference for all students,

Lea Anne Frost, Ed.D.

To inspire every child to discover, learn, achieve, and care.
