Subject: Financial Update for the Period Ending November 30, 2018

Attached for your review are the following reports as of November 30, 2018:

- Fund Balance Report
- Revenue Summary Report
- Expenditure Summary Report
- Other Financing Sources/Uses Summary Report

Fund balance in the Operating Funds decreased \$7.4 million in November to \$57.8 million. The graph below shows a comparison of monthly fund balances over the last two years. The spikes in fund balance during February/March and July/August represent the District's property tax collections, which make up approximately 85% of the District's total annual revenues. It's very important for school districts to maintain fund balance reserves that are sufficient to cover operations in between those months, particularly during the fall/winter when revenues are typically scarce.

The most recent 12-month period followed a similar trend as the preceding year. Some notable exceptions are:

- January – The District’s fund balance typically decreases each year in January. However, the fund balance in January 2018 (blue line) increased because of a timing variance involving the District’s tax revenues. When the new federal tax law was approved, homeowners were encouraged to prepay their 2018 spring property taxes in calendar year 2017. As a result, the District received \$7.9 million (23%) of its spring tax revenue installment in January, which is 1-2 months earlier than normal. Fund balance at the end of January 2018 was \$7.1 million higher than at the end of January 2017.
- February – Fund balance in February 2017 (red line) remained flat instead of increasing because the Board approved a resolution to transfer \$4.5 million of fund balance out of the Operating Funds to fund capital projects.
- May and June – The two fund balance lines decreased at varying angles because the District’s biweekly payroll schedule produced a different number of payrolls in each month. Looking at the two months combined, fund balance in 2018 (blue line) decreased by \$1.2 million more than in 2017 (red line). This is due to the District transferring \$786,000 out of the Operating Funds in May 2018 to make its first yearly payment on the debt certificates. There was also a \$400,000 decline in registration fee revenue in 2018 because the District offered parents the option to defer payment on student fees until September for the first time this year.

From a macro-level perspective, the District continues to have a strong financial position at the middle of the second quarter of the fiscal year. Fund balance is expected to continue declining over the next 1-2 months of operations when revenues are less substantial. The final 2018-19 budget and five-year financial projections outline a substantial number of facility improvement projects and curriculum renewals or adoptions planned for this year and the following year. Throughout this long-term planning and forecasting, the District continues to maintain the goal of operating within its means.

Revenue Summary - November

Total revenue for the District was 44% of budgeted revenues as of November 30. This is slightly behind last year’s budget pace (46%). Revenues in November consisted primarily of other local revenues including food service fees, extended day kindergarten tuition, and E-rate funds. The District also collected \$238,800 in prior year taxes.

State and federal revenue was very limited in November. The District received the standard two installments of Evidence Based Funding from the State totaling almost \$306,000.

Expenditure Summary - November

After five months of activity, the District has expended 42% of its overall budget which aligns with the amount of time that has elapsed in the fiscal year.

Table 1 below shows the year-to-date percentage of the payroll budget (salaries and benefits) that has been spent after each month as compared to last year. Total payroll expenditures are trending as projected in the budget with no major anomalies. Three (3)

payrolls occurred in November 2018. Most months only have two (2) payrolls because of the District’s biweekly payroll schedule. November 2017 also had three (3) payrolls.

Table 1: Payroll Expenditures

| Month | YTD Percent of Budget Spent | |
|-----------|-----------------------------|---------|
| | 2018-19 | 2017-18 |
| November | 33% | 33% |
| October | 21% | 21% |
| September | 14% | 14% |
| August | 6% | 7% |
| July | 1% | 1% |

Table 2 displays the cumulative percentage of the accounts payable budget (purchased services, supplies, equipment, etc.) that has been spent after each month versus last year.

Table 2: Accounts Payable Expenditures

| Month | YTD Percent of Budget Spent | |
|-----------|-----------------------------|---------|
| | 2018-19 | 2017-18 |
| November | 61% | 54% |
| October | 49% | 41% |
| September | 34% | 32% |
| August | 26% | 25% |
| July | 15% | 14% |

Accounts payable spending is running ahead of last year’s budget pace due to capital improvement spending. The District has spent nearly \$7.4 million from its Capital Projects funds to date as compared to \$3.8 million at this point last year. Since a majority of the work occurs in the summer, a larger percentage of the accounts payable budget is expended in the first half of the fiscal year. Therefore, the larger Capital Projects budget and the front loaded spending for this particular budget results in an accelerated pace for overall spending.

Also, the District has spent a larger portion of its O&M budget to date this year as compared to last year because of ongoing expenses for facility maintenance. This year’s projects include expenses for: Jefferson LRC modifications (\$83,000), the installation of playground equipment at Washington School (\$86,000), a new district-wide radio communication system (\$137,000), parking lot sealcoating (\$43,000), energy efficiency improvements (\$64,000), and painting (\$45,000).

Other Financing Sources/Uses Summary – November

Other Financing Sources/Uses consist primarily of transfers made between funds. All interfund transfers require Board approval. There has been no activity in the other financing sources/uses accounts so far this year.

If you have any questions about the Financial Report, please contact Dr. Heinz or myself.

Park Ridge - Niles School District 64
