

ADDING UP DIMES TO HELP THE LIBRARY

Did you know that reusing your bags at Whole Foods Market means a donation to Friends of the Library? Now through March 31, Whole Foods Market Park Ridge has designated Friends of the Library as the recipient of a 10-cent donation for every reusable bag used during check out. Over the three-month fundraising period those dimes can really add up! So grab your shopping list AND your bags to help support our mission!
