

36-HOUR ROASTED PORK CHOP

36-HOUR ROASTED PORK CHOP

A DATE WITH A DIFFERENCE

Join us on Thursday, March 7 at Make Room for Truman and help us donate to the Lincoln and Emerson Middle School St. Baldrick's Teams.

DINE TO DONATE | THURSDAY, MARCH 7

15% of food purchases will be donated to Lincoln and Emerson Middle School when you mention this ad.

Reserve your spot to make a difference at MRFT.COM/RESERVATIONS

Make Room for Truman is Park Ridge's newest restaurant, serving timeless American fare in a modern-vintage vibe. We do things the right way, which is often the long way, because it makes for the most superior flavor. So it may take 36 hours to brine our slow-roasted pork chop. And we may chill, then poach, then grill, then chill our Almost Old School Shrimp Cocktail. But that extra time and effort makes all the difference.
