

Attention Maine Township Middle School Students.....

Join us for **STEM Summer Camp!**
June 10-13, 2019

- Are you curious about the world around you?
- Do you want to try building and designing things?
- Will you be going into grade 6, 7, or 8 in the fall?
- Would you like to meet new people AND HAVE FUN?

*If so, then **STEM Summer Camp is for you!***

This summer, we are pleased to invite you to spend four days at either **Maine East High School** or **Maine South High School** to do some fun, hands-on learning activities related to Science, Technology, Engineering, and Math! Students will participate in three different modules each day where they will have opportunities to build, tinker and investigate with electricity, motion, robotics, and computers.

THE DETAILS:

These sessions are only open to current middle school students who reside within Maine Township. The camp will run **Monday to Thursday** during the week of June 10 from 8:30 - 11:45 AM. There is no camp on Friday. Students are responsible for their own transportation to and from camp each day. There will be no supervision for students before the camp begins or after the camp ends each day.

Registration closes on **Friday May 17** or until all spaces are filled. Registration is on a first-come, first-served basis.
