

School District 64 Lunch balance options 2019-20

Earlier information regarding refunds for those parents who have money remaining on unused school lunches was not completely accurate. We'd like to update the information to clarify parents seeking refunds.

Please note that **credit cards cannot be refunded**. Refunds to those who paid by credit card through MySchoolBucks will be issued a check from the District. Please note, refunds will not be issued until after the May 18, 2020 Board of Education meeting when the bills (including refunds) are approved by the Board.

With the schools closed prior to the end of the 2019-20 school year, parents of middle school students will have money remaining on unused school lunches. Depending on whether the student is currently in eighth grade or a student who will be returning to a District 64 middle school in the fall, parents have several options regarding their lunch balances.

Please review the information below and let us know your decision regarding your school lunch balance. Regarding lunch balances be sure to reach out to Lindsey Borchers at LBorchers@d64.org.

Please be sure to include the information listed below when emailing:

1. Student full Name
2. Student School
3. Student Home Address - where check will be mailed to.

You have a couple of options for remaining balances on your student(s) accounts. Please indicate what you would like to do.

- A. Leave your balance in your account and rollover to next year (this is the default option – you DO NOT have to email)
- B. Transfer your remaining balance to another student who will still be attending Middle school next year.
- C. If your student is in 8th grade and you would like to transfer your balance to an incoming student please hold your email until you receive registration information for your incoming student. Once you receive their new school information you can request your balance transfer.
- D. Request a balance refund in the form of a check from the district. This option is available for outgoing 8th graders only. If you choose this option please provide your mailing address and name.

- E. Donate to D64. If you wish to donate to assist in the financial support of Emergency Meal Services, you can do so by confirming the portion of your balance you would like to donate.
