If you are experiencing difficulties with the online payment system please be sure you have the latest version of whatever browser you are using.

The following links will get you to the download sites of the most popular browsers. You can also just search with the following key words: "download [insert browser name here] for [insert operating system name here]."

Internet Explorer:

http://www.microsoft.com/windows/internet-explorer

 Firefox for Windows:

http://www.mozilla.com/en-US/firefox/personal.html

 Firefox for Mac OS X and Linux:

http://www.mozilla.com/en-US/firefox/all.html

 Google Chrome for Windows:

http://www.google.com/chrome

 Google Chrome for Mac OS X 10.5 or later:

http://www.google.com/chrome?platform=mac&hl=en

 Google Chrome for Linux:

http://www.google.com/chrome?platform=linux&hl=en

 Safari for Windows or Mac:

http://www.apple.com/safari/download

After downloading, run the program. Some downloaded browsers will automatically run the upgrade with minimal user input. For the rest, you will have to navigate to where the download was saved to and run the upgrading.
