

## Evening Social Procedures

These are the procedures for all of our evening socials. Students,

- Each social is for Emerson students only. Any student who brings an unauthorized “guest” will be excluded from the next event.
- Students must be in school in order to participate in an evening social. The only exception would be part-day absence for an appointment.
- Student dress for socials must be appropriate for school, which means that students must be decently covered from shoulder to mid-thigh. Cover-up sweaters are a good idea with some tops. For the Halloween social, costumes are encouraged.
- Our socials are considered lock-in events. Once you are inside the school, you may not leave until the event ends at 9:00 p.m. Violation of this rule will result in exclusion from the next social. If you need to leave early, a parent or guardian must come into the multipurpose room to pick you up.
- Entrance into the school is between 7:00 and 7:15 p.m. Between 7:15 and 7:30 p.m., you must have a parent or guardian accompany you to the entrance doors. After 7:30 p.m., students are not permitted to enter the social unless special arrangements have been made prior to the event with Dr. Mogil or Mr. Benka.
- Although we recognize that it is easy for students to wait since they use cell phones, transportation arrangements to and from the social should be made prior to the event. Student safety dictates that youngsters not be forced to wait for rides.
- We ask that parents be prompt in picking up their child. Because we may have upwards of 300 students attending the social, we suggest that you agree on a pickup location prior to the evening. Parents may use the parking lot or Greendale Avenue on the east side of the school.
- Socials are a lot of fun! Those staff members and parents who will be chaperoning look forward to students’ good behavior and a great evening.
