## Primer

to Design Safe School Projects  
in Case of Terrorist Attacks and School Shootings

FEMA-428/BIPS-07/January 2012  
Edition 2

*Protective measures that address security concerns must become an **integral part** of the school design strategy...*

U.S. Department of Homeland Security

...**risk reduction** must focus on  
protective measures that  
**reduce vulnerabilities.**

# District 64 Plan

Because Staff and Student Safety Matters

*The ability to verify the access privileges of those entering a school and alert the authorities to any attempt of unauthorized entry **reduces the school's vulnerability** to intruders.*

U.S. Department of Homeland Security

## Physical Security Elements

**Deter** – discourage unauthorized actions

**Detect** – recognize unauthorized actions

**Delay** – slow unauthorized actions

**Respond** – react to unauthorized actions
