

Illinois School Report Card

November 16, 2015

5Essentials Survey: **STRENGTHS**

- Teachers...
 - review assessment data and develop instructional strategies.
 - connect with and support students.
 - expect students to do their best.
- Parents are active participants in their child's schooling.
- Opportunities for parents to participate in developing academic programs and influencing school curricula.

- Students demonstrate behaviors that lead to academic achievement.
- Students feel safe both in and around the school building, and while they travel to and from home.
- Students and teachers share a high level of mutual trust and respect.
- Students interact with course material and one another to build and apply knowledge in their math classes.

5Essentials Survey: OPPORTUNITIES

- Continuing to support school leadership teams with setting high standards for teaching and learning.
- Developing a high level of mutual trust and respect between staff and principals.
- Developing a strong sense of shared responsibility for student development, school improvement, and professional growth.
