In accordance with the Americans with Disabilities Act (ADA), the Board of Education of Community Consolidated School District 64 Park Ridge-Niles will provide access to public meetings to persons with disabilities who request special accommodations. Any persons requiring special accommodations should contact the Director of Facility Management at (847) 318-4313 to arrange assistance or obtain information on accessibility. It is recommended that you contact the District, 3 business days prior to a school board meeting, so we can make every effort to accommodate you or provide for any special needs.

APPROVAL OF THE 2012-2013 TENTATIVE AMENDED BUDGET AND ESTABLISHMENT OF PUBLIC HEARING DATE ON APRIL 22, 2013

The Administration is presenting the 2012-2013 Tentative Amended Budget for approval. The approved budget must be on display for at least 30 days prior to the public hearing. The Tentative Amended Budget will be displayed beginning March 19, 2013 and the document will be available on the District Web page, at the District administrative office and the Park Ridge and Niles Public Libraries.

The Public Hearing and final adoption will be held on Monday, April 22, 2013 at Roosevelt Elementary School, 1001 S. Fairview, Park Ridge, Illinois.

ACTION ITEM 13-03-1

I move that the 2012-2013 Tentative Amended Budget be approved and that the public hearing and adoption for the final Amended Budget for Community Consolidated School District 64 for the 2012-2013 school year be held on Monday, April 22, 2013 at 7:15 p.m. at the Roosevelt Elementary School, 1001 S. Fairview, Park Ridge, Illinois. The notice of the Public Hearing shall be placed in a Park Ridge and Niles newspaper.

DATED THIS MARCH 18, 2013

BOARD OF EDUCATION COMMUNITY CONSOLIDATED SCHOOL DISTRICT 64

ERIC UHLIG SECRETARY

TO BE PUBLISHED IN THE PARK RIDGE HERALD ADVOCATE AND THE NILES SPECTATOR ON THURSDAY, MARCH 21, 2013.

To:

Phil Bender, Superintendent

Board of Education

From:

Rebecca Allard, Business Manager

Subject:

Re-Adoption of the 2012-13 Budget

Date:

March 18, 2013

Background:

Prior to adopting the 2012-13 budget on September 24, 2012, it was determined that the budget would be adopted without salary increases because negotiations for all employee groups were not completed. In taking that action, it was known that the budget would be re-adopted once the process of negotiations was complete. To date, with the exception of the PRTAA, all employee groups have or will receive notice, after tonight's meeting, notification of their 2012-13 compensation level.

Attachments:

- Revised Statement of Position (yellow)
- Tab 1
 - o Comparison of Revenues by Object (green)
 - A historical review of revenues by fund by object back to the 2008-09 school year.
 - o Revised Revenue Budget (blue)
 - Revenues have been updated in the areas where actual year to date revenues have exceed the September 2012 budget amounts
- Tab 2
 - o Comparison of Expenditures by Object (green)
 - A historical review of expenditures by fund by object back to the 2008-09 school year.
 - o Revised Expenditure Budget (blue)
 - Salaries have been updated based on Board action for the particular employee group.
 - Purchased services have been updated where the actual expense exceeded the budget amounts of September 2012. This is not an increase to the budget but an adjustment from the contingency account.
 - Supplies have been updated where the actual expense exceeded the budget amounts of September 2012. This is not an increase to the budget but an adjustment from the contingency account.

Community Consolidated School District 64 Revised Estimated 2012-13 Statement of Position (March 18, 2013)

APPROVAL OF ANNUAL OPEN ENROLLMENT FOR FLEXIBLE SPENDING ACCOUNT AND HEALTH INSURANCE

The insurance committee is recommending the District change its flexible spending account policy in regard to open enrollment and special enrollment events. The flexible spending policy allows for employees to purchase their insurance coverage on a pre-tax basis. The IRS has guidelines for these policies that must be followed in order for a plan to maintain its pre-tax status. The insurance committee is requesting allowing maximum freedom (open enrollment) for employees to make benefit elections that will best fit their needs, during a specific time period each year.

Currently the District does not allow a true annual open enrollment. Employees are allowed to elect a different medical plan annually, however, they are not allowed to add or drop dependents during the open enrollment. Also, when an employee's spouse has an open enrollment event at their place of employment, under most employer plans, the spouse's open enrollment event triggers an open enrollment event for the employee. So if the other plan was more advantageous or less so, the member and their spouse could make changes to their benefit elections at the respective employers to best fit their family needs.

The insurance committee is recommending that the District change its policy and allow a true annual open enrollment as well as allow the employees to make changes to their policy for their spouse's open enrollment.

The current practice has been in place prior to HIPAA portability laws and does not allow an employee who initially waives coverage an opportunity to elect coverage at a future date. When HIPAA portability came into play, it allowed employees to move more freely between employers without concern over pre-existing conditions. In 2014, health care reform laws eliminate pre-existing conditions limitations for all. Currently the practice the District has in place to try to prevent members with costly conditions on the plan is no longer viable. The District also participates in the NIHIP Cooperative, which offers it protection from catastrophic claims. The District is only subject to the first \$50,000 of a large claim. Claim amounts above the \$50,000 threshold is shared by all of the Districts with the Cooperative and ultimately paid by the reinsurance carrier.

The cost impact to District 64 for adding open enrollment was calculated into the monthly rates when District 64 became a member of the NIHIP Cooperative. Any additional cost will come as a result of individuals actually making changes to their health insurance coverage. We are currently adding two to three individuals to the plan (single or family) per month as a result of life changing events.

The intent would be to make these changes effective April 1, 2013. This would allow the District to hold its first true open enrollment in May 2013 for changes effective on September 1, 2013.

ACTION ITEM 13-03-2

I move the Board of Education of Community Consolidated School District 64, Park Ridge-Niles, Illinois, adopt annual open enrollment for flexible spending account and health insurance.

APPROVAL OF FOOD SERVICE CONTRACT RENEWAL

The contractual arrangement between School District 64 and Arbor Management will be in the 5th year of a five-year contract for 2013-14.

Attached for your review are Arbor's financial projections for the 2013-2014 school year. Also attached are the flyers showing healthy choices offered daily by Arbor in the Middle School's cafeterias.

In comparison to the 2012-2013 school year, some variances should be noted. Market projections for food is expected to increase a minimum of 3.5% overall. These food projections are based on current environmental issues as it pertains to weather/climate changes and oil prices. Arbor is recommending a CPI increase in their Management fee from 2.05% to 2.15%. Their administrative fee will remain unchanged at 5.5%.

To help offset these variances, Arbor is recommending that instead of increasing the sales price on the most popular items sold, a range be set to give more flexibility in the event that food prices go much higher than the projection. By doing so, we can continue to offer a wide selection, but set the price where it needs to be to avoid eroding the return.

We are recommending that the Board of Education renew the food service contract with Arbor Management for the final year of the current contract. It should be noted that we are required to bid the Middle School food service program in the spring of 2014 for 2014-15 school year.

ACTION ITEM 13-03-3

I move that the Board of Education of Community Consolidated School District #64, Park Ridge-Niles, Illinois, renew the food service contract with Arbor Management for one year, commencing July 1, 2013.

3/18/13

February 14, 2013

Ms. Rebecca J. Allard Business Manager Park Ridge-Niles School District 64

Dear Becky,

Enclosed find the financial projection for the 2013-14 school year, along with the 2013-2014 Food and Labor Outlook, prepared by David Gauger, Vice President, Administrative Services. Based on the information in the report, we are recommending a 2.5% increase in selling prices for the highest volume items to arrive at the projected sales for 2013-2014.

In our financial projection for the current school year we increased targeted items at 3.5%. We are on track to meet the projection, and the program is doing well.

Cost projections for next year are higher than last year, but I am concerned that if we move the selling prices beyond 2.5% we may be pricing ourselves too high for the customer base. As a result, the return for next year is projected a bit lower than this year. Should you decide that you want to maintain the current level, we will have to revisit the price recommendations.

I am also recommending that instead of setting a price for each of the popular *rotating* food bars, a range is set to give more flexibility in the event that food prices go much higher than the projection. This way we can continue to offer a wide selection, but set the price where it needs to be to avoid eroding the return.

Arbor is asking for a CPI increase in the Management fee only from 2.05% to 2.15%. This is within the terms of the contract as tied to the Consumer Price Index for Food Away From Home for December of 2012.

Arbor Management, Inc. values the partnership that we share with Park Ridge-Niles School District 64, and we look forward to serving you in the 2012-13 school year.

If you have questions, please contact me at your convenience.

Regards,

Arbor Management, Inc

Marjana 5. Nixon

Vice President, Operations

Cc: Distribution

Arbor Management, Inc. 2013-2014 School Year - Food and Labor Cost Outlook

The information presented is based on current and historical market reports as well as current legislation from the U.S.D.A., U.S. Agriculture Marketing Service, State of Illinois, Illinois Industrial Commission, gas prices (eia.doe.gov), and other reporting agencies and entities both private and public. This paper is intended for Arbor Management clients only and should be considered proprietary and not for general distribution outside of the client/provider relationship.

2013 -2014 School Year Food Cost Projection

Using historical food usage numbers, the potential overall food cost increase during the next school year is expected to be 3.5% - 6%. This translates into a typical meal rate increase of \$.07 to \$.12 per meal. This range will be valid unless another catastrophic event such as the drought of 2012 happens to the world food supply. Each component of a school lunch is addressed in this outlook paper.

Regulatory Issues Affecting Food Cost

Dairy (fluid and related products) - Pricing is awaiting a final congressional vote for the Dairy Security Act that was introduced in September of 2011. This Act has been attached to the 2013 Farm Bill (which is actually the 2012 Farm Bill that never was voted on) which had been extended for nine months until September of 2013. The dairy policy reform known as Market Stabilization or Supply Management is at the heart of this debate and non-action. The potential for raw fluid milk to increase by 20%-30% is a reality that consumers might be facing. Without any clear direction in the Farm Bill debate, dairy prices have risen 37% from June of 2012 through January of 2013. This translates to an increase of .08 per half pint to date.

Fish – The New England Fishery Management Council just approved a year-to-year cut of 77% of cod supplies coming from the Gulf of Maine and an additional limit of 61% of the cod supplies coming from the Georges Bank. The increase in pricing of cod used in school lunch will be hard to calculate. Most of the depleted catch will be snapped up by the fast food chains.

Tomatoes – A 16-year old tomato trade deal between the U.S. and Mexico is being challenged by the Florida Tomato Growers and the doubling of tomato prices could be the result. The Commerce Department threatened in September of 2012 to end the trade deal that has decreased tomato industry sales in Florida and bolstered Mexico's sales by 450% to 1.81 billion dollars in sales since 2000. The result of this decision could start a trade war with Mexico that would subject American corn, meat and other exports to be slapped with unwieldy tariffs there. Either way, the school lunch consumers will end up getting squeezed with higher prices.

Consumer Price Index (CPI) Data for the 12 Month Period Ending December 2012

FOOD AWAY FROM HOME – The overall food away from home index rose 2.5% over the past year. All six of the major food groups posted increases this past year as well. Some individual components of each group were higher than this index, meaning that the components of a school lunch cost more to purchase than the CPI index allows for.

- Dairy and Related Products rose 0.5% over the past twelve months after posting a 7.8% increase for 2011.
- Meats, Poultry, Fish and Eggs had increased 1.5% during 2012 on top of a 5.8% increase in 2011.
- Cereal and Bakery Products rose 0.8% last year compared to 5.3% in the prior twelve months.
- Fats and Oils had the second largest increase of all categories in 2012 with 1.7%.
- Fruits and Vegetables had the largest increase, 1.8%, over the past twelve months.
- Sugar and Sweets increased 1.1% during 2012

Board Follow-up

Additional 2013-14 Student Fee Information

Date:

March 18, 2013

At the February 25, Board of Education meeting, the Board requested two additional pieces of information concerning student fees.

- 1. Breakdown of how student fees have been calculated;
- 2. Provide information regarding the number of students/families impacted by the various student fees and the impact to the budget (Attachment 1).

Before School Child Care:

A school district that operates a before school childcare program is governed under the *Illinois School Code*. Compliance with the *Illinois School Code* requires a school district to have district administrative oversight and a certified on-site operational supervisor. Legal counsel recommends a student/adult ratio of 10:1 to limit any potential liability. Attachment 2 provides a recap of the history and highlights of the Before School Child Care Program. The following chart lists the required staffing:

| | 2013-14 | Program | Group |
|------------|-------------------------|-------------------------------|--------------------------|
| Building | Projected Enrollment | Coordinator (Per Building) | Leader (Per Building) |
| Carpenter | 47 | 1 | 5 |
| Field | 63 | 1 | 7 |
| Franklin | 69 | 1 | 7 |
| Washington | 60 | 1 | 6 |
| Total | 239 | 4 | 25 |
| | | | |

Notes:

- The above staffing levels are required to meet both the attorney's recommendation for student/adult ratio of 10:1 as well as compliance with the Illinois School Code.
- Currently, seventeen staff (Group Leader) work 2 hours per day for 178 days per year; an additional eight Group Leaders are required.
- The hourly rates for the current staff (Group Leader) range from \$13.18 \$18.65;
 additional Group Leaders will be hired at the minimum wage rate of \$8.25.
- Program Coordinators will be compensated at \$11,250 per year (2.5 hours per day; 180 days per year).
- Job Descriptions for both the Program Coordinator and the Group Leaders are attached (Attachment 3).

Below is a projection of the 2013-14 costs based on the recommended student/adult ratio as well as compliance with the *Illinois School Code*.

| District Administrative Oversight | \$10,000 | ISBE compliance (Portion of Business Manager, Asst. Supt of HR, and Director of Special Education/Pupil Services) |
|--------------------------------------|-----------|----------------------------------------------------------------------------------------------------------------------|
| Program Coordinator | \$45,000 | Job description attached |
| Group Leader | \$145,976 | Job description attached |
| Benefits (FICA) | \$14,763 | Employer share of Social Security |
| Supplies | \$10,000 | \$2,500 per site |
| Total Cost | \$225,739 | |
| Cost Per Student | \$945 | Fee to be collected on or before July 15 (reduced from \$968) |
| | | Estimated daily rate is \$5.37 |

The District 64 program differs from the park district program in the following aspect:

District 64 program – 100% of the fee is due and payable prior to the start of school year regardless of the number days the student attends the program.

Park District program – pay for only the days the child attends the program.

Jefferson Programs:

| Extended Day Ki | ndergarten Program | |
|-----------------------|--------------------|---|

Park Ridge-Niles School District 64 ■ Overview of Before School Child Care Program

History

School District 64 assumed responsibility for the Before School Child Care fee-based service in 2007-08, at the same time that control of the elementary lunch supervision program was transferred from the Parents' Paid Lunch Program non-profit corporation.

A formal review committee was formed to assess the operations of the lunch program;

changes were implemented based on its recommendations.

A similar in-depth review was not conducted for the before school program at that time.

Current Program

The District 64 before school program for students in grades K-5 participating at the five elementary schools in 2012-13 features:

Students from grades K-5 are accommodated and intermingled.

Staff members are not certified, but do meet other District 64 employee standards

The student/adult ratio currently ranges from 17:1 to 25:1.

The program is not currently supervised by a Type 75 administrator.

The 2012-13 fee was billed on an annual basis of \$475 (paid by July 15), or \$550 (after July 15). This equated to \$2.70/\$3.13 per day (based on 176 school days).

2013-14 Pilot at Roosevelt School

On December 10, the Board approved a one-year pilot program to offer both the before and after school child care programs on site at Roosevelt School for the 2013-14 school year.

The Park Ridge Recreation & Park District will supervise the Roosevelt School pilot.

The Park District is offering the before school program at \$5.50 per day. Parents can enroll and pay for the specific number of mornings their child will use.

2013-14 at Other Elementary Schools (Carpenter, Field, Franklin, Washington)

As part District 64's in-depth review of its child care programs leading to the pilot proposal with the Park District, District 64 identified three key areas for improvement.

As a result, District 64 is making several changes for the coming year:

- Reduce the student/adult ratio into alignment with the 10:1 as recommended by legal counsel and currently maintained at the Jefferson before school program.
- Meet the certification requirements for the chief administrator and the individual program site coordinator, as provided in the Illinois School Code for school districts that choose to operate before or after school programs.
- Enhance the quality of the program by offering activity centers.

Before School Program Fees for 2013-14

As a direct result of these improvements, District 64 will increase fees for the 2013-14 school

year to operate the program on a break-even basis.

Unlike the Park District, District 64's program staffing is based on providing a full-time (5 days per week) experience for every student enrolled. Therefore, 100% of the fee is due and payable prior to the start of the school year, regardless of the number of days the student attends the program.

For 2013-14, the proposed fees recommended for adoption to as of March 18, 2013 is \$945 per

year (by July 15) or \$1,020 (after July 15), which equates to \$5.37/\$5.80 per day.

For 2013-14, a lower staffing ratio and center-based activities will create a better experience for children, and remain a reasonable value for high quality, safe child care.

JOB DESCRIPTION- BEFORE SCHOOL CHILD CARE SITE COORDINATOR

<u>Required Qualifications:</u> Must have a teaching license currently registered with the State of Illinois. All new hires are subject to District 64 hiring practices, which includes a criminal background check, a current physical and a TB test.

<u>PRIMARY FUNCTIONS</u>: The Site Coordinator is responsible for managing the Before School Child Care Program, including, but not limited to, supervising staff, adhering to DCFS policies and ISBE guidelines in conjunction with District 64 standards. Providing a safe, healthy and supportive environment for all children is the main goal of all staff.

*Please note work hours are as defined by the site/school schedule.

GENERAL DUTIES AND RESPONSIBILITIES:

- Provides leadership and supervises site staff in a professional manner, including demonstrating effective site management and maintenance (i.e. timely, attendance documentation, weekly planning time updates to Assistant Coordinators, etc.).
- Provides a safe and secure environment for children.
- Adheres to job guidelines regarding promptness and attendance (i.e. punctual to site, meetings, and in the delivery of required documents, etc.).
- Calls in appropriately for lateness, sick time, or absences, as defined by the District.
- Communicates and provides feedback with staff daily regarding expectations.
- Follows program procedures and guidelines.
- Executes all program procedures as defined by the District.
- Follows through to insure that given instructions are completely implemented.
- Exhibits professionalism regarding relationships with children, parents, school principals, and staff.
- Maintains/updates staff credential files (on site). Includes the maintenance of completed volunteer files.
- Reviews and maintains on site children files for accuracy and completeness.
- Completes written responsibilities in a timely manner.
- Posts and distributes information to staff and parents as appropriate.
- Takes accurate attendance.
- Possesses knowledge of safety and health procedures as defined by the District and supervises their implementation.
- Maintains awareness of the changing childcare environment and through supervision assures that all needs are met.
- Provides a safe and well-organized environment.
- Adheres to District policies and procedures.
- Performs other tasks as assigned.

SPECIFIC DUTIES AND RESPONSIBILITIES:

MAINTAINS APPROPRIATE ADULT-CHILD INTERACTIONS THAT PROVIDE WARMTH, CONSISTENCY, AND MUTUAL RESPECT

- Sets appropriate limits.
- Encourages children to be responsible, independent, and a contributor to the group.
- Provides appropriate tasks for children, which enable them to contribute to the group.
- Follows the civil-behavior expectations of District 64.

MAINTAINS AN ON-GOING RELATIONSHIP WITH PARENTS, THROUGH A DEFINITE APPROACH: ACTIVITIES, MEETINGS, NEWS LETTERS, SPECIAL EVENTS, ETC.

 Provides opportunities for parent activities, meetings, and/or special events on a regular basis.

Distributes newsletters to parents (optional – District discretion).

Encourages parents to participate in school activities.

• Communicates daily with parents concerning their child's day.

REVIEWS STRENGTHS AND WEAKNESSES AND ACTIVELY PURSUES PROFESSIONAL GROWTH

• Interacts regularly with support staff regarding daily, weekly, and monthly performance.

• Attends all workshops and meetings identified by the District to stay current in the field of childcare.

PROGRAM CURRICULUM

• Constructs <u>daily</u> plans that include time for homework, snack, physical activity, and a special project.

• Provides activities that are developmentally appropriate for <u>all</u> of the children in attendance and includes the following program components: arts/crafts, music, drama, sports, science, story time, cooperative play, and free play.

Attends required meetings.

• Incorporates all component areas in planning and involves site staff in process.

Provides a variety of activities that are age appropriate.

Contributes ideas for the curriculum.

• Documents and implements planned activities (i.e. weekly start up staff meetings, etc.).

PLACEMENT PROCEDURES

- Maintains accurate student records.
- Maintains individual childcare folders.
- Accurately completes weekly and monthly attendance reports. Submits these
 documents in a timely manner.
- Updates emergency telephone numbers, home addresses, and work numbers expeditiously.

Distributes notices to parents promptly.

• Follows procedures for all dropped children.

 Maintains a clutter-free area for parent information, payment records handouts, telephone numbers, envelopes, school closings, trips, etc.

TERMS OF EMPLOYMEMT:

- 10 month employee
- 180 day school year
- 2.5 hours per day
- Hourly wage as established by District 64 Board of Education

PHYSICAL DEMANDS:

Lifting up to 30 pounds
Bending, twisting and pulling
Occasionally working outside in rain, snow, heat and cold

FLSA Status: Non-Exempt Supervisor: Director of Special Education/Pupil Services

Evaluation: Annually

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

JOB DESCRIPTION- BEFORE SCHOOL CHILD CARE GROUP LEADER

Required Qualifications: Thirty hours of college credits preferred and or similar work experience. All new hires are subject to District 64 hiring practices, which include a criminal background check, a current physical and a TB test.

<u>PRIMARY FUNCTIONS</u>: The Group Leader works directly with the children in the Before School Child Care Program. The Group Leader must adhere to DCFS policies, ISBE state guidelines in conjunction with District 64 standards. Providing a safe, healthy and supportive environment for all children is the main goal of all staff.

*Please note, work hours are as defined by the site/school schedule.

GENERAL DUTIES AND RESPONSIBILITIES:

- Follows program and site procedures as defined by the Program Facilitator, the Assistant Coordinator and the Site Coordinator.
- Exhibits professionalism regarding relationships with children, parents, coworkers, school principal, and staff.
- Adheres to job guidelines regarding promptness and attendance.
- Assists with activity planning and execution.
- Assists in providing a safe, healthy, and a supportive environment for children that is child centered, orderly, and attractive.
- Performs tasks as necessary for site maintenance and supervision of children on a consistent basis.
- Reviews strengths and weaknesses and actively pursues professional growth.
- Follows placement and food procedures as directed by the Site Coordinator.
- Takes responsibility for the group as a whole along with the other staff, when all groups are combined.
- Adheres to District policies and procedures.
- Performs other tasks as assigned.

TERMS OF EMPLOYMEMT:

- 10 month employee
- 178 day school year
- 2 hours per day
- Hourly wage as established by District 64 Board of Education

PHYSICAL DEMANDS:

- Lifting up to 30 pounds
- Bending, twisting and pulling
- Occasionally working outside in cold, heat, rain and snow

FLSA Status: Non-Exempt Supervisor: Site Coordinator

Evaluation: Annually

Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Approval to Award Contract for the Franklin School Mechanical Upgrades Project

Fanning/Howey recommends that the Board of Education award the construction contract for the Mechanical Upgrades Project at Franklin Elementary School to Mechanical Concepts of Illinois, Inc., and accept Alternate Nos. 1, 2, 3, and 5 as presented in the attached letter.

ACTION ITEM 13-03-5

The votes were cast as follows:

I move that the Board of Education of Community Consolidated School District 64, Park Ridge-Niles, Illinois, award the contract for Mechanical upgrades at Franklin School to Mechanical Concepts including alternates numbers one, two, three and five in the amount of \$1,252,000.00.

Mechanical Upgrades

Park Ridge-Niles CCSD 64

Park Ridge, IL

Project No. 211143.02

Dear Dr. Bender:

We received bids on February 26, 2013 for the above-referenced project. We have reviewed the bids of the apparent lowest, responsive, responsible bidders and discussed their bids with them. It is our opinion that the District award the Contracts as follows:

| Base Bid – Mechanical Upgrades Mechanical Concepts of Illinois, Inc., Romeoville, IL | \$1 | ,028,000.00 |
|-----------------------------------------------------------------------------------------|-----------|-------------|
| ALT. #1: New Casework | \$ | 35,000.00 |
| ALT. #2: Vestibule Heating Units | \$ | 29,000.00 |
| ALT. #3: Exhaust Fans | \$ | 50,000.00 |
| ALT. #5: Polypropylene Domestic Water Piping | <u>\$</u> | 110,000.00 |
| TOTAL | \$1 | ,252,000.00 |

We have enclosed a copy of the Bid Tabulation for your use. If the above meets with your approval, please advise our office so we can prepare the Contract. If you have any questions, please feel free to contact me.

Sincerely,

FANNING HOWEY

Approval to Award Contract for the Lincoln Middle School Mechanical Upgrades Project

Fanning/Howey recommends that the Board of Education award the construction contract for the Mechanical Upgrades Project at Lincoln Middle School to Hayes Mechanical LLC, as presented in the attached letter.

ACTION ITEM 13-03-6

The votes were cast as follows:

I move that the Board of Education of Community Consolidated School District 64, Park Ridge-Niles, Illinois, approve the Mechanical upgrades to Hayes Mechanical in the amount of \$516,500.00 at Lincoln Middle School.

Re:

Discussion on Class Size Guidelines

This report is intended to provide information about District 64's class size guidelines and the timing of when decisions are made to add new sections due to enrollment.

Class Size

District 64 class size guidelines refer to the size of the homeroom in each school.

As previously reported to the Board last spring, District 64 class size guidelines have been stable for more than 20 years. The exception was during a three-year period (2004-05 through 2006-07) due to budget reductions undertaken during a period of financial shortfalls that ultimately led to the successful April 2007 referendum.

The table below displays the guidelines:

| Cu | ırrent | Budget Re | duction 2004-07 |
|----------------|-----------|----------------|-----------------|
| Grade Level | Guideline | Grade Level | Guideline |
| K | 22 | K-2 | 24 |
| 1-2 | 24 | | |
| 3-4 | 26 | 3-4 | 27 |
| 5-8 | 28 | 5-8 | 29 |

Class Size Guidelines in Comparable Districts

District 64 recently surveyed similar districts on their class size guidelines. District 64 is well within the range of comparable districts for student/teacher ratios.

Adding Sections

The decision to add a new section is based on the timing of when the increase in enrollment has occurred – either *before* the start of the school year or *after* the school year has begun.

Before the start of the school year

It has been District 64's practice that classes that go one student over *before* the start of the school year have received an additional section.

Each spring, principals review the current enrollment by grade and apply the class size guideline when determining the number of sections to plan at each grade level for the coming year. Registrations of kindergarten and transfer students during the February

designated evenings help the elementary schools get a head start on identifying new students. District 64 also sends out a "current student census form" in February / March to identify the intentions of existing families for the next school year to either return to their current school, move residences to another District 64 school, or leave District 64.

As students are added or removed from the database for the upcoming school year, this information is used by principals to plan for class sections through the spring and is closely monitored by the Human Resources Department and the Business Office.

After school has ended, District 64 has now refined several control mechanisms to improve the efficiency of processing applications received over the summer. Because clerical staff are not available at all schools to accept registrations and to input this enrollment information into the District's student database, summer registrations now are being processed at the District 64 Educational Service Center and entered into the student database by a designated staff member on an ongoing basis. Students are considered officially enrolled and can be counted when they appear in the database. Use of the student database allows coordination among the schools, Human Resources and the Business Office to move forward with planning on a current basis through the summer.

If new enrollments are received for any of the identified "bubble" grade levels, school principals take an additional step of re-verifying expected enrollment at that grade. The response features embedded in the District's automated phone calling service now can be used to contact all students at a grade level and verify their enrollment prior to making a decision to add a class section. School secretaries, if available, also may make direct calls.

This process continues until all school offices re-open approximately two weeks in advance of the new school year. Again, the student database remains the basis of determining when to add an additional section to meet class size guidelines.

After the school year has begun

It has been District 64's practice to meet with staff to determine how to proceed *after* the start of the school year.

The District has specific obligations as set forth in the 2012-16 contract with the Park Ridge Education Association (PREA) as described in Article V, Section N:

"The Board will endeavor to continue the range of class size (exclusive of special education classes) in effect during the 1984-85 school year. Upon reasonable request, the Superintendent or designee will meet with two (2) representatives of the Association and the affected teacher(s) to discuss the effects of class size in excess of said range, including any unique quantitative, qualitative, safety, or historical circumstances, the impact of mainstreaming students served under programs mandated by IDEA and, where appropriate, the circumstances involving gifted and ESL (English as a second language) students. It is further agreed that special consideration will be given to regular K-2 classrooms and at the middle school to core classes that go above 28. If a meeting is requested because the middle school core classes go above 28, one (1) meeting will be held per trimester per school. Among the options that may be considered are: (a) use

of supplemental learning facilities, (b) subsequent adjustment of class size, (c) reassignment of pupils to other teachers in the same building, and (d) redesign of course structure for selected students in the affected courses.

If the Association feels that the Board has acted arbitrarily or capriciously with respect to this Article, it may file a grievance in accordance with the Grievance Procedure."

The opportunity for administrators and staff to come together to consider the particular circumstances at the grade level and school when determining how to accommodate enrollment growth during the school year has proven effective over time in meeting the needs of all students.

Summary

As was noted last year, class size guidelines in any district have significant educational, financial and public perception impacts.

District 64 guidelines have been at the foundation of the quality educational program in Park Ridge-Niles for several decades. The guidelines further offer families the confidence of equity among the schools. Our size guidelines are well within the range of comparable districts.

In terms of the timing of a decision to add a class section, in light of the PREA contract, the District recommends continuing the current practices for adding class sections *after* the school year is underway.

It may be possible, however, to explore a different cut-off date for adding sections *prior* to the opening of school. District 64 has taken this to mean the literal first day of school, but a date a week or more ahead of this could be considered. The potential benefits and possible drawbacks must be identified and carefully weighed. The capacity of classrooms (square footage per student) across the District varies and also must be factored into decision-making.

Next Steps

Administration recommends that a committee be established in early fall 2013 with representation from all stakeholders to consider alternatives for establishing an earlier cut-off date for adding sections <u>prior</u> to the opening of school. The committee would be asked to deliver recommendations to the Board in late 2013 or early 2014. This timeline would allow any changes to be in place before the hiring season for 2014-15. It would also give teachers and principals adequate time to place students into classes for 2014-15, based upon the needs of each individual student and the unique circumstances of each school.

Approval of Minutes

ACTION ITEM 13-03-8

I move that the Board of Education of Community Consolidated School District 64 approve the Regular Board Meeting Minutes of February 25, 2013.

BOARD OF EDUCATION COMMUNITY CONSOLIDATED SCHOOL DISTRICT 64

Minutes of the Regular Meeting held at 7:30 p.m. February 25, 2013 Field Elementary School – North Gym 707 N. Wisner Avenue, Park Ridge, IL

Board President John Heyde called the meeting to order at 7:02 p.m. Other Board members present were Sharon Lawson, Pat Fioretto, Scott Zimmerman, Eric Uhlig and Anthony Borrelli. Also present were Superintendent Philip Bender, Assistant Superintendents Lori Hinton and Joel T. Martin, Director of Special Education/Pupil Services Jim Even, Director of Technology Terri Bresnahan, Director of Facility Management Scott Mackall, Business Manager Becky Allard, Public Information Coordinator Bernadette Tramm, and approximately 50 members of the public.

Board of Education meetings are now being videotaped and may be viewed in their full length from the District's website at: http://www.d64.org/subsite/dist/page/board-education-meetings-984

Board President Heyde announced that the Board and members of the public were invited on a walking tour of the facility led by Mr. Mackall and Ms. Keri VanSant from architects Fanning Howey.

Board member Dan Collins arrived at 7:05 p.m.

Upon conclusion of the tour, at 7:36 p.m. Board President Heyde returned to the regular meeting agenda. In addition to those persons noted above, approximately 200 additional members of the public were present.

PLEDGE OF ALLEGIANCE AND WELCOME

Pledge of Allegiance and Welcome

Principal Susan Walsh welcomed the Board and community, introduced Assistant Principal Katie Kelly, and called forward the Cubmaster and Webelos Den members to lead the Pledge.

She pointed out hanger tags on all student lockers throughout the building, which symbolize the year's school theme, "Field cares about learning," "Field cares about community," and "Field cares about me." Mrs. Walsh noted that each tag also has a picture of the child's family to remind them that their families are behind them every day, and to recognize that Field is each child's home away from home and that the school is supporting their efforts as a second family 100 percent. She stated that each tag celebrates every child's special uniqueness. Mrs. Walsh introduced PTO President Erin Doubleday, who invited two students to say the Field School pledge. Mrs. Doubleday then outlined highlights of the very productive year the PTO has undertaken to support all families and students, to raise funds for activities, to support community service

projects, and to help build school spirit. She thanked the Board for its support and especially for considering air conditioning for the school.

Board President Heyde thanked staff, faculty, the PTO and children for welcoming the Board and for the update about activities.

OPENING REMARKS FROM BOARD PRESIDENT

Opening Remarks from Board Presiden

Board President Heyde introduced several issues that the Board **Board President** will discuss this evening. First, he noted that one of the focus areas for the Board this year has been a careful examination of salaries and benefits for all of the employee groups who work in District 64. He noted that in September, the Board completed negotiations with the Park Ridge Education Association, the teachers' union, on a new, four-year contract. Since then, Board President Heyde reported that the Board has been steadily working to review salaries and benefits for the District's other employee groups. He pointed out that the Board in January had adopted a plan for determining salaries for administrators and exempt staff for the next two years, and that as part of tonight's Consent Agenda the Board would be asked to ratify the Superintendent's decisions for 2012-13 salaries under this plan. Also tonight, Board President Heyde noted that the Board would be asked to approve updated salary and benefit sheets for the District's secretaries and its custodial and maintenance staff. He stated that the Board is continuing to work with the teacher assistants' union toward a new contract, and the next meeting with this group will be March 8. Board President Heyde indicated that the Board would consider benefits for administrators and exempt staff soon as well.

Board President Heyde also noted several of the other topics on the agenda for tonight's meeting.

PUBLIC COMMENTS

Public Comments

Board President Heyde invited members of the public with comments not related to employee salary and benefits to address the Board. Comments were received from the following members of the public:

- Jon Dombro, District 64 and District 207 parent, urged the District to communicate more with District 207 to better align the technology initiatives between the two districts. Alignment between the two districts can help make a smoother transition for students, as users, and parents, who bear the financial impact, when moving from District 64's Apple/Mac-based technology environment to the high school's different Google-based system.
- Angie Collet, Field School parent, praised the District's current before school program and 7:00 a.m. start time, questioned the basis of the proposed and significant fee increase for 2013-14, and urged that the after school care program be based on the same model when expanded to other elementary schools after the pilot year at Roosevelt.

Board President Heyde then gave further background on where the Board currently stands on salaries and benefits for secretaries and custodians. He noted the Consent Agenda this evening contains updated schedules for secretaries and for custodial and maintenance employees. He noted that the Board typically examines and makes changes to salaries and benefits for these groups after the Board finishes contract negotiations with the Park Ridge Education Association. Although the Board got a later start because contract negotiations with unionized groups have taken longer than in previous years, the same practices of meeting with representatives to listen to concerns and requests and to promote dialogue have been followed. He stated that the Board has had substantial discussions prior to this evening's meeting about the salary and benefit schedules for these groups, and that Board representatives met with each group last week as has been done in the past.

Board President Heyde announced that the salary and benefits schedules in tonight's Consent Agenda would provide every member of these employee groups with a 2 percent raise above that member's salary from last year. He pointed out two areas of particular concern raised by employees. First is that there is a new maximum for the number of sick days that an employee can accrue and receive a cash payment at the end of his or her District 64 career. He also pointed out that the schedules also set a June 30, 2014 date to "sunset" an additional cash payment for years of service that has been available to employees on retirement. Board President Heyde noted that the Board felt this practice is out of step with the retirement benefits available to employees in the private sector or in most governmental settings, and that the changes proposed tonight will transition benefits for these employee groups to a more realistic and sustainable level. He noted that a second area of concern raised by employees centers on salaries, and that the updated schedules to be approved on the Consent Agenda will not advance employees on the "steps" of the salary schedule for 2012-13. He noted that the Board felt it was time to re-examine the structure of these salary schedules, but could not accomplish this examination in time for action on salary increases this year. He said the Board now plans to examine the schedules carefully for 2013-14. Board President Heyde stated the Board is confident that compensation for these employee groups remains very competitive for this year with the 2 percent raises.

Board President Heyde then invited comments from the public on salaries and benefits for employee groups. Comments were received as follows:

Carol Rickert, the 12-month secretary at Lincoln Middle School, noted that the reason secretaries are here for so many years is because they truly believe they are a family. She then read a letter from another member of the secretaries group, who urged the Board to appreciate the loyalty, honesty and integrity of the secretaries and to consider "grandfathering" the sick days and longevity benefits for select secretaries who may retire in the next four years so that they could be closer to collecting social security and Medicare benefits, adjust their budgets and prepare for their impending retirements.

 Pam Jachino, secretary at Jefferson School for 13 years, distributed a letter to the Board and a letter from the Jefferson staff on her behalf. She noted that the Illinois Municipal Retirement Fund (IMRF) had "grandfathered" secretaries into Tier 1, and urged the Board to do the same for the current contract and upcoming agreements with District 64 until retirement. She also urged that if the Board is seeking to make the secretary position compensation package even across the Board with other groups, it should offer "at will" employees the same three more years as the teachers' contract.

- Emily Wojteczko, secretary at Washington School, expressed her disappointment that the dedication of the school secretaries is being overlooked; that unused sick days are the result of that commitment to work for the good of the school, the staff, parents and the District; and that the changes to benefits are penalizing a very small group of loyal secretaries who have had to determine their future status with the District on very short notice.
- Maureen Forsythe, a Park Ridge resident, District 64 parent and employee, expressed surprise and disappointment at the lack of communication over many months between the Board, administration and support staff about the process being followed for a salary settlement, and noted the drop in morale because of this lack of communication.
- Margaret Petkofski, Facilitator of School Health Services, familiarized the Board about the Health Assistants assigned to each school who are a subgroup of the teaching assistants group. She noted they provide a wide range of vital services to students, staff and families every day, and that their dedication and service help make our motto, "Good Health Promotes Good Learning," a reality.
- Health Assistant Terry Dieschbourg, Lincoln School, accompanied by fellow Health Assistants Sheri Lavelle, Field School, Debbie Scheitel, Washington School, Bozena LaPelusa, Franklin School, and Brenda Aiello, Emerson School, reviewed the complex daily responsibilities of health assistants as dependable professionals working in collaboration with District nurses, teachers, parents and others to support students, and who have dedicated their careers to District 64.
- Karen Hess, a special needs teacher at Emerson, noted that teacher assistants are vital members of the team working to support special needs students and helping to keep them in District 64 community schools. She affirmed that the work of all the support staff members has an impact on the daily life of District 64 students, and that the loss of quality individuals really creates a negative impact on all the students in the District.
- Julie Flyke, a speech therapist at Emerson School and a Park Ridge resident, noted that teaching assistants are trained so well and are an extension of all the therapists when it comes to speech, occupational and physical therapy. She provided the Board with letters of support for secretaries, teaching assistants and custodial staff from the entire faculty and staff at Jefferson, Carpenter, Franklin, Washington, Field, Roosevelt, Lincoln and Emerson schools.
- Mike Nicholson, parent of an Emerson School student, expressed his appreciation and noted how impressed he has been for the role of the teaching assistant in making the teaching environment function for special education teachers. He urged the Board to continue incentivizing them so that they will continue creating the environment for the Strive program to succeed for students.

Helene Augustiniak Guerino, parent of an autism spectrum disorder student now at Maine South, pointed out the wonderful teachers and assistants that have helped her son through the years. She noted that the assistants are experienced, compassionate, caring professionals in their own right that are committed to special needs children and that they need to be valued by this community.

Martha Rode, a Field and Emerson parent, former Field PTO President, and a District 64 employee, noted that the events and activities mentioned earlier that occur at Field would not happen here or at the other schools without the support staff and custodians. She also noted that without the support from members of the support staff, District 64 would not be able to keep as many

students here in the District as we currently do.

Georgine Donovan, parent of two Lincoln students, first read a letter from Sara and Bob Horak, parents of four children, including one who attends Lincoln and has diabetes. The Horaks thanked the teachers, teacher assistants, health assistants and therapists who have provided support for their son and are unbelievably committed to their jobs and students. Ms. Donovan then recounted her family's experiences with a son who is insulin dependent. She praised the complex and ever-changing care, competence, and continuity provided by the health assistants that have given her and her son confidence about the care he is receiving through the school day.

Susan Glines, an Emerson 7th grade LA/SS teacher, noted the enormous wake this Board has left behind with their actions in its offers and substantial take-backs for career employees that have affected morale at every building. She urged the Board to stand for fair wages and benefits for the very people

Board members entrust with their children every day.

Cindy Montgomery, a Washington and Lincoln parent, expressed her appreciation for all the staff members who have helped her son. She warned about the problems that she has experienced in other districts due to the inconsistency of staffing and lack of a sense of community and the impact this has on children, especially those with autism and other special needs.

John Imber, head custodian at Field School, president of the Custodial-Maintenance Council and a 28-year employee, urged the Board to defer voting on the benefits packages tonight to permit a more detailed review, and that after waiting for many months, rushing the process does not allow the Board to carefully review how many of the jobs and responsibilities have changed. He suggested that additional time would allow the Board to show the respect to employees that employees show their jobs, the Board and the children every day that they come to work.

Board President Heyde clarified that although the Board has spent considerable time thinking about the general level of salary increases, the Board has not had time to really examine the structure of the salary schedules for secretaries and custodians. He noted that it is the Board's hope to do that for the 2013-14 schedules so they can be completed on time, but that it is getting late to do that for the 2012-13 salaries. Board President Heyde also stated that it was his understanding that invitations were made to both the secretaries and custodian groups at least one month ago and that both groups responded that they wanted

to wait until the negotiations were done with the teacher assistants, and that last week's meetings were a second request to meet.

Additional comments then were received as follows:

- Steve Senf, Emerson School teacher and parent in District 64, commended Superintendent Bender for believing in the District 64 family by being the first superintendent he knows that has brought his children to attend school here.
- Gini Burns, Emerson School teacher and District 64 parent, suggested the Board consider the "Undercover Boss" show that illustrates how those in charge do not understand who is really working for them. She challenged the Board to look at employees as people with families who try and who work hard, and also urged the Board to keep the sense of family within the District from disintegrating.
- Lenore Franckowiak, instructional resource teacher at Franklin, related that although she was injured in an accident recently, she could communicate and rely on her Franklin family to be there for her and to know that her special education students were in good hands.

Board President Heyde thanked everyone who took the time to address the Board, and stated that the Board finds it helpful to listen to such comments. He noted that issues related to salaries and benefits and negotiating contracts for the District's unionized employees are among the most difficult things the Board does, but that they must be reviewed periodically. He expressed his appreciation for the support that employee groups are giving each other, and noted that District 64 does have a very close-knit employee group. He then offered several distinctions between the process being followed with the secretaries and custodians as different from the contract negotiations the Board currently is engaged in with the teacher assistants, who are a unionized group. With the teaching assistants, he noted the Board and union are on the same page for salaries, but the sticking point appears to be largely many of the same issues as with secretaries and custodians, namely the payments to retiring employees. He recapped the Board's proposed changes to the maximum sick days that can be accrued and for which cash payment can be received and also a provision to "sunset" an additional cash payment upon retirement for years of service. He pointed out that both of these changes are being looked at for all employee groups, and are already in place for the teachers and are going into administrative contracts as well.

Board President Heyde again thanked those who attended and shared their views, and stated that Board members would consider these comments before voting.

At 9:11 p.m., Board President Heyde called a brief recess. The Board resumed the regular meeting at 9:25 p.m.

RECOGNITION OF 2012 ILLINOIS HONOR ROLL SCHOOLS

Dr. Bender recognized three schools for receiving recognition from the Illinois State Board of Education based primarily on their overall 2012 Illinois Standards Achievement Test (ISAT) scores. He Recognition of 2012 Illinois Honor Roll Schools

recognized Carpenter Principal Brett Balduf and Assistant Principal Kelly Tess; Field Principal Susan Walsh and Assistant Principal Katie Kelly; and Roosevelt School Principal Kevin Dwyer and Assistant Principal Andy Petroline, who could not attend tonight. He also congratulated and thanked the faculty, staff, students and parents for their efforts that resulted in these awards.

Board President Heyde noted that although the District focuses on educating the whole child, these awards although based purely on standardized test scores do indicate that schools are doing more than expected on the reading and math core curriculum. He asked that the school administrators please let staff members know that everything they have accomplished in these schools is traced back to the way people work together to benefit students.

DISCUSSION ON STUDENT FEES FOR 2013-14

Discussion on Student Fees for 2013-14

Dr. Bender noted that the proposed fees were being presented for Board discussion only this evening, with action to occur at a future meeting. Business Manager Allard stated the written memo should have had two attachments, and that the complete version had been re-posted to the District website today.

Ms. Allard then reviewed the category of fees being proposed for 2013-14:

Required registration fees and participatory fees have not been increased since the 2009-10 school year. Ms. Allard recommended that as suggested by the Community Finance Committee in its recent fee study, the fees remain as is and that an in-depth fee study be completed in 2013 to determine if fees should be adjusted in the following school year.

 Ms. Allard recommended a 2 percent increase in the bus fee paid by students who reside within 1.5 miles of their attendance center and opt to pay for District-provided transportation.

 Based on next year's expected costs, Ms. Allard recommended a 3.8 percent increase in the daily plate lunch to \$2.70 and small increases in the a la carte price list.

With the goal of running cost-neutral programs at Jefferson School, Ms. Allard recommended price adjustments to all programs except the before school kindergarten child care, including the community preschool program; the extended day kindergarten program; after school child care for students from Carpenter, Field, Franklin and Washington schools; child care on non-school days; and summer camp. She pointed out that after school care for Roosevelt students would be offered as a pilot program by the Park Ridge Recreation & Park District, as previously approved by the Board and that the Park District would establish its own rates.

• Ms. Allard then noted that due to changes in the before school care program's requirements for certified staff and student/staff ratio, the District's costs would increase substantially in 2013-14 to offer the program at Carpenter, Field, Franklin and Washington schools; the program at Roosevelt will be run as part of the pilot with the Park District. To maintain a cost-neutral

program, Ms. Allard recommended the average daily rate be increased to \$5.50 per day if paid on or before July 15.

Ms. Allard then answered Board member questions about: requirements for certified staffing of the before school care program as required by the Illinois State Board of Education; the Park District's responsibility to establish its own rates for the before and after school pilot program at Roosevelt School; the recommendation from legal counsel regarding reducing the student/staff ratio of the District's before school care program; and the District's cost projections for the before school program based on projected enrollment for the entire school year.

Board members were asked to email further questions to Ms. Allard and Dr. Bender so that additional information can be provided. Board member Uhlig suggested Ms. Allard provide more context for the fee schedule to help illustrate and be more transparent about how potential changes to the approximately \$1 million in revenues would impact the District. In response to other Board member questions, Ms. Allard confirmed that the recommended detailed fee study would use actual expenses based on the 2012-13 school year costs as soon as the fiscal year closes, and that the Board would likely want to have a more philosophical discussion about whether staff stipends are included in the cost of extracurricular programs that are to be covered by participatory fees paid by families on behalf of students who choose to take part. Board members also expressed the need to provide more healthy choice options for students when the food service contract is placed for bidding next spring; Ms. Allard also reported that required standards would be changing as well.

Board President Heyde invited public comments on this topic. Comments were received as follows:

Katie Ranalli, a District 64 parent, thanked the Board for eliminating the lunch supervision fee. She urged the Board to lower the required student fees that are high in comparison to other districts by eliminating waste and inefficiencies, and to consider giving principals the responsibility to manage their own school budgets for materials.

PROGRESS REPORT ON 2012-13 DISTRICT-WIDE PRIORITIES & STRATEGIC PLAN ACTIVITIES

Dr. Bender noted that this is the third year of implementation for the District's Strategic Plan, which was adopted in 2010. Public Information Coordinator Tramm reported that plan activities for 2012-13 were now clearly embedded within the District's key initiatives. She noted that the main priority for all staff this year is the implementation of the priority standards/Common Core State Standards (CCSS) with technology integrated into the instruction of these standards, and the professional development needed to support this work. She stated that nine other important areas have also been identified, and that as scheduled, Strategic Plan activities are in various stages of progress.

Progress Report on 2012-13 District-wide Priorities & Strategic Plan Activities

Assistant Superintendent Hinton began by noting that the District has shifted the collaborative structures needed to complete the Strategic Plan activities this year, and also that the nature of the work itself has changed. She reported that the timeline for the area of primary focus for all staff - the implementation of the priority standards/CCSS with technology integration – is driven by the Illinois State Board of Education (ISBE). Dr. Hinton noted that the 2012-13 school year is the midpoint of the process, which will culminate in students being assessed for the first time on these standards utilizing assessments prepared by the Partnership for Assessment of Readiness for College & Careers (PARCC) in 2014-15. She then reviewed the four stages of District 64's transition, focusing on the current year of Early Implementation. Dr. Hinton reported that much of the strategic collaborative work has transitioned to the operational work of various District committees, and has become embedded in daily practice and District staff development plans. She stated that educators are working together to develop a deep understanding of the priority standards, their relationship to the CCSS, and their implications for planning, instruction and assessment.

Tracking progress so far this year, Dr. Hinton said efforts have been led by the Instructional Technology Coaches, Library Information Specialists, Curriculum Specialists, and other teacher leaders who provide job-embedded professional development in addition to other professional development sessions. Dr. Hinton reported that teachers are applying their learning to design and implement standards-based instruction, and all teachers are involved in this work through their grade-level team or middle school department. In addition, she noted that the responsibilities of the District's Staff Development Committee were broadened this year to collaboratively plan "District-directed" staff development Wednesdays and District staff development days, and that various District leadership committees also are responsible for this work.

Turning to the transition to the English Language Arts (ELA) CCSS, Dr. Hinton reported on the work of the Kindergarten Curriculum Review Committee, the Reading Committee and the Reading Professional Development Team. She also reviewed the activities of the Math Curriculum Review Committee and the Math Grade Level Professional Development Committee in supporting the transition to the math CCSS. Dr. Hinton noted the next steps to be taken in 2012-13, and pointed out that the Math Curriculum Review Committee would be sharing recommendations with the Board of Education on March 18 for adoption of curriculum materials.

Moving to the other nine focus areas identified for 2012-13, Technology Director Bresnahan reported on the activities related to furthering the Strategic Plan goal of accelerating the use of advanced technology. Dr. Bresnahan noted that all staff have been heavily involved this year in this goal, whether through use of technology for productivity or teaching and learning. She reported that the roles of the Instructional Technology Coaches have transformed professional development especially in the area of technology integration, and that the District continues to see an increase in the effective use of technology to support student learning as teachers are transforming their instruction to meet the demands of the 21st century. Dr. Bresnahan then reported on the activities of the

Technology Implementation Committee (TIC); the District-wide introduction of Google Apps for Education; the additional resources in the form of equipment, online tools and professional development provided to teachers to support their instruction and productivity; and the formation of the Board Advanced Technology Committee (BATC). In looking ahead toward the second half of the year, she noted that BATC would be bringing forward its research and recommendations to the Board on April 8.

Dr. Hinton then reported on activities related to Strategy II focused on developing and implementing a system for setting, measuring and achieving personally challenging goals for each student related to academics, civil behavior, talents and interests. Ms. Tramm noted the work that had been done related to service learning as part of Strategy III. Dr. Hinton also reviewed the activities related to common assessments, Response to Intervention (RtI), and report cards. Ms. Tramm then reviewed the final two focus areas for the year, including principal/teacher evaluations and the facility master plan.

Dr. Hinton, Dr. Bresnahan and Ms. Tramm then responded to Board members questions concerning: the types, quantity and uses of student assessments; the requirement to use PARCC assessments; the articulation and collaboration with District 207 regarding technology; metrics for measuring the impact of the Instructional Technology Coaches; whether progress over time can be assessed by using the NETS for Teachers; and progress on new evaluations for principals and teachers.

Board President Heyde thanked the presenters for the in-depth report on this important work.

APPROVAL OF 2012-13 SALARY AND BENEFIT SHEETS FOR SECRETARIES AND CUSTODIANS

Board members agreed by consensus to remove this item from the Consent Agenda to take action while interested members of the public were still in attendance.

Board President Heyde offered an overview of the proposal. He noted that the 2009-12 salary and benefit sheets are still in effect. He noted that the changes on the salary side would give all secretaries and custodians a 2 percent increase in each cell, but that the proposal calls for employees to stay in place for the 2012-13 school year rather than have a step advancement. He pointed out the Board would need to look at 2013-14 salaries by the end of this fiscal year to not fall behind. In response to a Board member question, President Heyde confirmed that stipends for Level IV ESC secretaries assigned to Assistant Superintendents and Directors and stipends for Building Principal head secretaries would remain the same as the 2009-12 schedule. On the benefits side, he pointed out that most are the same as they were in the 2009-12 sheets, but that the primary differences are to cash payments regarding retirement. He also noted that changes were made on the secretaries' schedule to remove references to professional development, as they have not been used. He further noted that there are a few additional provisions added to the sheets that represent current

Approval of 2012-13 Salary and Benefit Sheets for Secretaries and Custodians

practices, which were not previously written down. In response to a Board member question, he confirmed that any retirements to be accepted in the Personnel Report by the Board this evening from employees in these groups would be considered as being made under the 2009-12 schedule.

Board members then discussed questions that had arisen earlier over the timeframe in which the secretarial and custodial groups were addressed this year, and the delay caused by the later settlement with the teachers and continuing talks with the teacher assistants. Assistant Superintendent Martin confirmed the timing of when invitations were extended to schedule meet and confer sessions with the secretaries and custodians. Board President Heyde noted that the Board's intent this year to change how the base pay increase and step movement would be applied was a significant difference in how the meet and confer process unfolded.

Board members also confirmed the details of the payment of unused sick leave and the service recognition program. Board President Heyde acknowledged that he had misspoken earlier in the evening, and that the correct payment was \$275 per year of service, not \$325.

Board members then discussed whether the goal of seeking to bring the various employee groups into alignment was being consistently applied. On the benefit side, all groups are being restricted for retirement incentive and unused sick days, but teachers are receiving a 2 percent raise and step increases, while other groups are not receiving step. The Board also discussed whether it had communicated the changes it was seeking effectively and in a timely fashion. It was noted that the current Board has only three more scheduled meetings and should resolve the current year salary, leaving 2013-14 for the new Board to consider. Board President Heyde observed that although the Board may not have handled the outreach or change management process well, the employee groups have made their views on this very clear and the Board should have the information needed to make a decision tonight on 2012-13.

Action Item 13-02-9

Action Item 13-02-9

It was moved by Board member Lawson and seconded by Board member Zimmerman that the Board of Education of Community Consolidated School District 64, Park Ridge-Niles, Illinois, approve the 2012-13 salary and benefits sheets for secretaries and custodians, allowing advancement on the step and lane schedule as it exists now.

The votes were cast as follows:

AYES: Lawson, Collins, Fioretto, Zimmerman, Heyde, Uhlig, Borrelli

NAYS: None.

PRESENT: None.

ABSENT: None. The motion carried.

At 11:30 p.m., Board President Heyde called for a brief recess. The meeting resumed at 11:35 p.m.

APPROVAL TO AWARD CONTRACT FOR THE CARPENTER SCHOOL MECHANICAL UPGRADES PROJECT

Facility Management Director Mackall recommended that F.E.

Moran be awarded the construction contract for the mechanical upgrades project at Carpenter School, and that both alternates 1 and 2 be accepted. Ms. VanSant from Fanning Howey reported on its bid tabulation and reviews of the bidders. Mr. Mackall and Ms. VanSant responded to Board member questions about the attic work to be completed and the use of hydronic piping in place of copper. Mr. Mackall noted that the contract is approximately \$250,000 below the final estimate prepared by Fanning Howey in January for the work.

Board President Heyde reminded the Board that the approval of this motion would provide air conditioning at Carpenter; Board members Fioretto and Collins stated that given the lateness of the hour, they would not repeat their long-standing objections to installing air conditioning at the District's expense that they have brought forward at previous meetings.

Action Item 13-02-4

Action Item 13-02-4

Approval to Award

Contract for the

It was moved by Board member Zimmerman and seconded by Board member Borrelli that the Board of Education of Community Consolidated School District 64, Park Ridge-Niles, Illinois, approve the motion to award the Mechanical Upgrade project at Carpenter Elementary School to FE Moran, in the amount of \$2,145,000.00 as well as Alternate No. 1 and 2 for life safety attic improvements in the amount of \$30,000.00.

The votes were cast as follows:

AYES: Borrelli, Uhlig, Heyde, Zimmerman, Lawson

NAYS: Fioretto, Collins

PRESENT: None.

ABSENT: None.

The motion carried.

APPROVAL TO BID PHASE I AT FIELD SCHOOL

Approval to Bid Phase I at Field

Mr. Mackall reported that Phase I for Field includes air conditioning School the gym where the meeting is being held. He noted that Fanning Howey had originally estimated the project at \$150,000 to \$200,000, but that a different design approach recently identified by Fanning Howey would likely

reduce the estimated cost to \$130,000. Ms. VanSant noted that the work would be localized to this addition.

Action Item 13-02-5

Action Item 13-02-5

It was moved by Board member Uhlig and seconded by Board member Zimmerman that the Board of Education of Community Consolidated School District 64, Park Ridge-Niles, Illinois, approve the motion to bid Phase I at Field Elementary School. Probable costs are expected to be between \$150,000.00 and \$200,000.00.

The votes were cast as follows:

AYES: Lawson, Zimmerman, Heyde, Uhlig, Borrelli

NAYS: Collins, Fioretto

PRESENT: None.

ABSENT: None.

The motion carried.

APPROVAL TO BID ASBESTOS REMOVAL AT FIELD SCHOOL

Approval to Bid Asbestos Removal at Field School

Mr. Mackall noted that a detailed assessment and estimate had been prepared by the District's consultant Environ. The total project estimate includes \$217,000 for asbestos removal related to Phase II and \$32,000 for monitoring and air sampling for a total project estimate of \$249,000. He pointed out that this work is far less than what was needed at Carpenter, and that the work can be done at the same time as the gym air conditioning since they are on different ends of the building. Mr. Mackall also addressed Board member concerns about window caulking.

Action Item 13-02-6

Action Item 13-02-6

It was moved by Board member Lawson and seconded by Board member Zimmerman that the Board of Education of Community Consolidated School District 64, Park Ridge-Niles, Illinois, approve the motion to allow for the release of Bids for asbestos removal at Field Elementary School as it pertains to the Mechanical Upgrade Projects.

The votes were cast as follows:

AYES: Borrelli, Uhlig, Heyde, Zimmerman, Lawson

NAYS: Fioretto, Collins

PRESENT: None.

ABSENT: None.

The motion carried.

DISCUSSION OF DESIGN PHASE II AT FIELD SCHOOL

Discussion of Design Phase II at Field School

Ms. VanSant reported that since the last meeting, a team of engineers has worked with Mr. Mackall and Mr. Imber to further define the scope of work to be completed at Field as part of Phase II to upgrade the mechanical system to a new hot water heating system and provide air conditioning. Along with that review, the team looked at life safety items that are still on the 10-year health life safety survey completed in 2006. Large items include tuck pointing of the exterior brick façade as well as roof replacement of the 3-story area of the building. She reported that those items bring impacts from energy code requirements, especially with the adoption of new code requirements as discussed at the last meeting. Those particular energy ramifications could impact the roof design, gutters, and other items. Ms. VanSant referred the Board to the detailed scope narrative, which lists items either related to the HVAC upgrade or remaining health life safety survey items in the District's maintenance plan for Field. She then reviewed the key points of the narrative with the Board in detail, such as removal of unit ventilators, lighting fixtures, attic items, and options for the new roof. Ms. VanSant provided photos and several sketches to illustrate the report. She noted that this report is a very preliminary look at all the items together to help in further defining the scope. She stated that a very preliminary cost was developed to create a base scope of the HVAC upgrades and health life safety items as well as different alternates. Ms. VanSant said that utilizing this very early design scope, the preliminary estimate of the base scope of work would be \$7.1 million, which includes a very conservative estimate for construction allowances and various contingencies. She reaffirmed that this amount would be further refined at several points as design work becomes more detailed.

Mr. Mackall and Ms. VanSant then pointed out several key areas that Board direction would be needed to move the project forward and perhaps could impact summer 2013 work. Due to the lateness of the hour, Board President Heyde asked Mr. Mackall and Ms. VanSant to take down Board member questions and that further questions be emailed to them in coming weeks, so that the Board could have a second discussion at the March 18 meeting when Board members have had time to further consider the details of the preliminary scope presented this evening. Among the topics to be addressed are whether some potential phasing of the work could be planned, what pieces of work are linked to each other, a suggested order in which Board decisions must be made, and projected longevity data of roofing and equipment from a life cycle viewpoint.

It was moved by Board member Zimmerman and seconded by Board member Lawson that the Board of Education of Community Consolidated School District 64, Park Ridge – Niles, Illinois, approve the Committee-of-the-Whole Minutes of January 28, 2013; the Regular Board Meeting Minutes of January 28, 2013; Closed Session Minutes of January 28 and February 11, 2013; and the Special Board Meeting Minutes of February 11, 2013.

The votes were cast as follows:

AYES: Borrelli, Uhlig, Heyde, Zimmerman, Collins, Lawson

NAYS: None.

PRESENT: Fioretto

ABSENT: None.

The motion carried.

OTHER ITEMS OF INFORMATION

Other Items of Information

Dr. Bender shared information from several of the valuable sessions he attended at the recent national conference of the American Association of School Administrators. He also recapped essential themes presented by keynote speakers, including U.S. Assistant Secretary for Elementary & Secondary Education Deb Delisle and "Good to Great" author Jim Collins, and reported that the administrator from Sandy Hook Elementary School had spoken movingly about societal issues and the community's response to the recent shootings.

ADJOURNMENT

Adjournment

Given the lateness of the hour, the consensus of the Board was to reschedule a planned closed session.

At 12:17 a.m., it was moved by Board member Lawson and seconded by Board member Collins to adjourn the meeting. The motion passed by consensus.

FOIA Officer
Park Ridge Community Consolidated School District #64
164 S. Prospect Ave.
Park Ridge, IL 60068-4079

Dear FOIA Officer:

This letter is a request for the Freedom of Information Act.

My name is Ta Shaunda Shumpert. I am the Director of Business Development for RJB Properties, Inc. We are interested in potentially doing business with your school district in the future and need some information. First I'd like to know what company you are currently using for custodial/janitorial services. Secondly, I'd like to know when the district plans to release its next Request for Proposals (RFP) for custodial/janitorial services. Finally, I am officially requesting copies of the six most recent invoices, as well as a copy of the current contract for custodial/janitorial services for the Park Ridge Community Consolidated School District #64. The information will be used for commercial purposes.

Please send the information to me via e-mail at tashaunda@rjb-properties.com, or standard mail to:

TaShaunda Shumpert R.J.B. Properties, Inc. 11415 W. 183rd Place, Suite B Orland Park, IL 60467

Thank you in advance for your cooperation in this matter. Should you have any questions or comments, please do not hesitate to contact me at 708/479-4422.

Respectfully,

Ta Shaunda L. Shumpert, REH Director, Business Development

BOARD OF EDUCATION DISTRICT 64

Dear Ms. Wsol:

This letter comes under the Illinois Freedom of Information Act (FOIA). I am seeking copies of public records. Please provide the requested documents on a CD at the statutory rate. The requested records from School District 64 are specifically as follows:

- 1. The copy or copies of the "public record" referenced by Superintendent Phillip Bender from his email <u>PBender@D64.org</u> to <u>sandie.sandie@hotmail.com</u> sent on Tuesday, 12/18/12 at 10:08 AM (EXHIBIT A; Philip Bender email of 12/18/2012 @ 11:08AM).
- 2. All names, titles and contact information for the individual(s) to School District 64 who obtained the "public record" referenced by Superintendent Phillip Bender in his email PBender@D64.org to sandie.sandie@hotmail.com sent on Tuesday, 12/18/12 at 10:08 AM and turned it over and/or made it available to Phillip Bender.
- 3. The names and positions of all the parties who comprise of, the "We" in "We have received, through public record" as referenced by referenced by Phillip Bender (in the 1st paragraph) from his email <u>PBender@D64.org</u> to <u>sandic.sandie@hotmail.com</u> sent on Tuesday, 12/18/12 at 10:08 AM
- 4. The names and positions of all the parties who are included in the "We" in "We ask that you abide by this Order..." as referenced by Phillip Bender (in the 1st paragraph, also) from his email PBender@D64.org to sandie.sandie@hotmail.com sent on Tuesday, 12/18/12 at 10:08 AM
- 5. The names and positions of all the parties who comprise of, the "We", in the 2nd paragraph, "Again, we ask that you abide by..." as referenced by referenced by Phillip Bender from his email PBender@D64.org to sandie.sandie@hotmail.com sent on Tuesday, 12/18/12 at 10:08 AM
- 6. A copy of all correspondence with School District 64 legal counsel, district attorney(s) and any other individual giving legal direction of advice relating to the copy of the "public record" referenced by Superintendent Phillip Bender from his email PBender@D64.org to sandie.sandie@hotmail.com sent on Tuesday, 12/18/12 at 10:08
- 7. A copy of all correspondence with School District 64 legal counsel, district attorney(s) and any other individual giving legal direction or advice relating to the copy of the "public record" referenced by Superintendent Phillip Bender from his email PBender@D64.org and sent to sandic.sandic@hotmail.com on Tuesday, 12/18/12 at 10:08 AM

DR. SANDRA PADRON

P.O. BOX 415, NORTHBROOK, ILLINOIS 60065

- 8. A copy of all legal bills approved of by the School District 64 Board of Education for the months of November 2012, December 2012
- 9. A copy of all detailed legal bills submitted by any attorneys to School District 64 for the months of November 2012, December 2012
- 10. All copies of all School District 64 Correspondence for the months of November 2012, December 2012 with any and all attorneys, paid or unpaid, *including* those who hold job titles as judges or *any and all* other attorneys for any government *and/or* taxing body and the Office of School District 64 Superintendent Phillip Bender and his staff
- 11. A copy of all payable lists for School District 64 for the months of November 2012, December 2012
- 12. The names and positions of all individuals who communicated with School District 64 (Dist 64) Superintendent Phillip Bender via phone, email, fax or visited his office from November 12, 2012 through December 31, 2012
- 13. A copy of the daily schedule and itinerary for School Superintendent Philip Bender for the months of November 2012, December 2012
- 14. A copy of the daily schedule and itinerary for Madelyn Wsol, Administrative Assistant to the School Superintendent Philip Bender for the months of November 2012, December 2012
- 15. A copy of the daily schedule and itinerary for Lori Hinton, Assistant the School Superintendent For School District 64 for the months of November 2012, December 2012
- 16. A copy of the daily schedule and itinerary for Bernadette Tramm, School District 64
 Public Information Coordinator and FOIA Officer for the months of November 2012,
 December 2012
- 17. A copy of *all correspondence*, including but not limited to phone, E-mail and USPS Mail correspondence, memos..., between School District 64 Superintendent Phillip Bender and School District 64 Board of Education President John Heyde from November 1, 2012 through December 31, 2012
- 18. A copy of all correspondence between School District 64 Superintendent Phillip Bender and School District 64 Board of Education Board Member Pat Fioretto from November 1, 2012 through December 31, 2012

I look forward to the FOIA statutory compliance and receipt of these requested documents within 5 days. Upon receipt of this FOIA request, kindly email me to the address listed below, the cost of the CD so that I may deliver the montes to your office immediately. Thank you in advance for your attention to this matter of public interest.

Sincerely,

Sandra Padron M.D.

Minutes of the Board Advanced Technology Committee held at 7:00 p.m. March 11, 2013 Lincoln Middle School 200 South Lincoln Avenue, Park Ridge

Director of Technology Dr. Terri Bresnahan called the meeting to order at 7:03 p.m.

Also present were Jon Urbanski, Dave Iffland, Kendra Griffin, Carrie De la Cruz, Jason Mata, Scott Zimmerman, Allison Blum, Caroline Schaab, Paul Brown, Amanda Walsh, Sue Herman, Gini Burns, Nancy Sweeney, Paul McCarthy, Janice Oliva, Barbie Murphy, Dr. Hank Thiele, Dr. Tony Murray, and Dr. Lori Hinton.

Review of Action Research

The following action teams shared their findings with the committee.

1:1 Action Team:

Members of the 1:1 action team described the site visit to South Berwyn District 100, which has implemented a blended 1:1 model utilizing iPads and Apple laptops for all students in grades K-8. Dr. Hank Thiele, Chief Technology Officer from Maine District 207 presented information about the 1:1 Chromebook initiative for all freshmen and sophomore students in the coming school year. Chromebooks were made available to all committee members to explore throughout the meeting.

Learning Models Action Team:

Dr. Lori Hinton, along with several other committee members, visited Holy Family School in Palatine to learn more about the inquiry-based learning model. Classes observed demonstrated high levels of engagement and higher-order thinking. Committee member, Kendra Griffin, observed the "flipped" classroom model in Kenilworth School District 38. Students in this school follow a Bring Your Own Device model and participate in learning where teacher lessons are videotaped and viewed at home and then class time is spent with the teacher working individually with students to facilitate their learning at their own pace.

Early Childhood/Primary Action Team:

Through the site visits and research of the teams, it was evident that primary grades were often included in the 1:1 computing models. In South Berwyn the kindergarten students utilized iPads, while the other grades utilized laptops. Sites such as Avoca 37, have a ratio of iPads per student at the K-3 level and begin their 1:1 model at grade 4. Gurnee 56, South Berwyn 100, and Glenview 34 have full 1:1 computing initiatives for grades K-8.

Parent Survey

The committee reviewed the preliminary results from the Tech in Learning parent survey. Early results indicate nearly 100% of District 64 homes with Internet access and over 80% of families feel technology should be both an educational priority and a financial priority for the District. Complete results of the survey will be shared with the Board at its April 8 meeting.

Recommendation

The committee broke into smaller groups to discuss the parent survey and the findings from the action teams. After approximately 45 minutes of discussion, the whole group gathered to share out thoughts and reach consensus on a recommendation for the advancement of technology in District 64. Specific devices, infrastructure concerns, teacher support through professional development, financial impacts, parent support, and a timeline were all discussed and will be included in the final recommendation to the Board on April 8. The committee felt strongly that the evidence gathered and research conducted support the decision to take action for accelerating the use of advanced technology in District 64 for the 2013-14 school year.

Future Steps

Work from the committee will be shared with various stakeholders, including Administrative Council, Instructional Technology Coaches, the Technology Implementation Committee, and PREA leaders in order to gather additional feedback. The final recommendation will be a collaborative effort from all

BATC members and will include feedback from other stakeholders as well.

Next Meeting
A formal committee meeting has not yet been scheduled, but most committee members will be present or will participate in the presentation to the Board at its April 8 Committee of the Whole meeting.

The meeting was adjourned at 9:45 p.m.

Minutes submitted by Dr. Terri Bresnahan
