Each year, more than 300,000 children are treated for bicycle-related injuries in hospital emergency rooms. Fortunately, wearing a helmet can reduce the risk of serious head injury by 85%. That's why Lutheran General Hospital is offering low cost bicycle helmets for you and your family. These helmets are certified by the CPSC (Consumer Product Safety Commission) and are designed to meet or exceed CSA & ASTM safety standards.

Tips from the American Academy of Pediatrics to get your child wearing a helmet:

- Wear one yourself
- Reward your child for wearing a helmet
- Always insist that your child wear his/her helmet
- Point out professional athletes who wear helmets when participating in sports
- Encourage other parents to get their children to wear helmets

Wear a helmet and bike right!
