Subject: Financial Update for the Period Ending November 30, 2016

Attached for your review:

- Fund Balance Report as of November 30, 2016
- Revenue Summary Report as of November 30, 2016
- Expenditure Summary Report as of November 30, 2016

Fund balance in the Operating Funds declined \$5.2 million in November. Some late property tax collections were received during the month, but otherwise, revenues were very limited. Tax revenue is generally insignificant until late February when the first installment of the 2016 levy becomes due for taxpayers.

The State of Illinois has fallen behind again on its quarterly categorical payments for special education and transportation. The District has not received any of these payments yet for 2016-17 and is still owed \$769,000 from 2015-16.

Meanwhile, expenditures continue to be incurred with the majority coming through payroll. Expenditures are currently tracking as projected in the budget with no major anomalies. The District has expended 33% of its overall budget by the end of November. Adequate fund balance reserves are very important for school districts during the fall and early winter months, and District 64 has positioned itself accordingly with a fund balance of \$57.3 million in the Operating Funds on November 30th.

If you have any questions about the Financial Report, please contact Dr. Heinz or myself.
