Mr. Schulte:

This letter is my formal resignation from La Crescent High School's Student Council Advisorship, as well as Junior Class Advisorship at the close of this academic school year. Having accepted the position of Assistant Principal/Activities Director at La Crescent MS/HS - I am confident that I will be in a position to still see these important roles are handled with the attention and work ethic they require. I have enjoyed the opportunity of serving our District in these capacities, and appreciate all of the experiences they have provided!

Respectfully,

Jeffrey Copp
Director of Bands
La Crescent High School
