“At the time of annual enrollment or at any time during the school year, a school district or a recognized non-public school, except for sectarian non-public schools, serving any of grades kindergarten through 12 shall provide, either on its standard enrollment form or on a separate form, the opportunity for the individual enrolling the student to voluntarily state whether the student has a parent or guardian who is a member of a branch of the armed forces of the United States and who is either deployed to active duty or expects to be deployed to active duty during the school year.
