## Basic Hockey Rookie Rangers

Our most basic hockey class. Designed for beginner skaters with an interest in playing hockey. Skills covered in this class involve all basic skating skills—push & glides, stops, turns, backwards skating, and crossovers. Sticks and pucks are informally entered into each class every day to give each child a “taste” of playing hockey. All basic equipment (skates, shin-guards, elbow pads, gloves, helmet/facemask and stick) is provided free of charge. Enrollment is limited. Players who have their own equipment are welcome into class! Must possess basic skating skills and be able to stand on ice without assistance.
