Activity Funds ¹

The School Board, upon the Superintendent or designee's recommendation, establishes student activity funds to be managed by student organizations under the guidance and direction of a staff member for educational, recreational, or cultural purposes. ²

The Superintendent or designee shall be responsible for supervising student activity funds in accordance with Board policy, 4:80, *Accounting and Audits*; State law; and the Illinois State Board of Education rules for student activity funds. The Board will appoint a treasurer for each fund to serve as the fund's sole custodian and be bonded in accordance with the School Code.³ The treasurer shall have all of the responsibilities specific to the treasurer listed in the Illinois State Board of Education rules for school activity funds, including the authority to make loans between activity funds. ⁴

Unless otherwise instructed by the Board, a student activity fund's balance will carry over to the next fiscal year. An account containing student activity funds that is inactive for 12 consecutive months shall be closed and its funds transferred to another student activity fund or authorized fund with a similar purpose. ⁵

CROSS REF.: 4:80 (*Accounting and Audits*), 7:325 (*Student Fundraising Activities*)

¹ State law controls this policy's content. See 105 ILCS 5/10-20.19 and 23 Ill.Admin.Code §100.80. ISBE's rules in Part 125 (Student Activity Funds and Convenience Accounts) were in effect only through 6-30-08 after which they were replaced by Part 100. The rules in Part 100 do not provide for *convenience accounts*. Another policy, 7:325, *Student Fundraising Activities*, contains the elements required by State law for a policy on student fund-raising activities.

² Student activity funds are established to account for money used to support the activities of student organizations and clubs, e.g., homeroom, yearbook, class year, choral or band group, class projects, student clubs, student council, and student-sponsored bookstore. 23 Ill.Admin.Code §100.20. The funds are under the school board's control giving it a fiduciary responsibility to safeguard them along with district assets.

³ 105 ILCS 5/8-2. A board's insurance carrier can assist the board with obtaining bonds for these individuals.

⁴ ISBE's rule permits the activity fund treasurer to make loans between funds "if and as authorized by the board's policy." 23 Ill.Admin.Code §100.80. A board that does not want to allow loans between activity funds should choose one of these alternatives:

Alternative 1: The treasurer shall have all of the authority and responsibilities specific to the treasurer listed in the Illinois State Board of Education rules for school activity funds, except that the treasurer is not authorized to make loans between activity funds.

Alternative 2: The treasurer shall have all of the authority and responsibilities specific to the treasurer listed in the Illinois State Board of Education rules for school activity funds, except that the treasurer must have the Board's approval before making a loan between activity funds.

⁵ The authority for this paragraph's first sentence is 23 Ill.Admin.Code §100.80(c)(7); the second sentence is up to the local board's discretion. The following option may be inserted after the first sentence: "However, money remaining in any Senior Class fund after graduation will automatically transfer to the next year's class."
