Piedad Kaye, *Bilingual Director*

Ron Carleton, *Bldgs. Grounds & Transportation*

Debbie Motycka, *Technology Director*

Mannheim District 83 held the Mannheim Early Childhood Center Plaque Dedication on June 11, 2015, at 6:00 p.m. This special event took place at the new building, 101 West Diversey Avenue, in the front hallway. Those honored included the Board of Education members, Schmidt-Piper-Markham Architects, Mazur and Sons project construction managements, and Ron Carleton, District 83 Building and Grounds Director, for all of their hard work. A huge round of applause to the Board of Education in achieving our mission of fulfilling learning in a creative, safe and nurturing environment for our students and the generations to come.

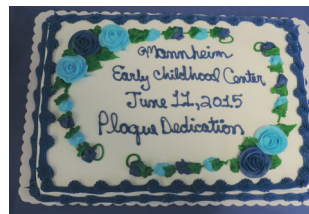

Mrs. Anderson, Board President and Mrs. Petrasek, Superintendent

School Board Members, Superintendent, Architects, Building and Grounds Director

Ground breaking shovel, hardhat and dedication plaque.

Mannheim Early Childhood Center Plaque

The Mannheim Early Childhood Center, or MECC, had an enrollment of 200 students this past 2014 -2015 school year. That is an outstanding enrollment number of 3, 4, and 5 year old children since this was the very first year MECC opened its doors! Hats off to Mrs. Shannon Cribaro, MECC Director, and her staff for the outstanding organization of school procedures, curriculum, and materials. Please note the following MECC information:

MECC School Address:	101 West Diversey Avenue Northlake, IL 60164
MECC School Telephone:	847-455-3611
MECC School Home Visits:	August 11 – 17, 2015
MECC School Start Date:	August 18, 2015
MECC School Hours:	8:30 – 11:00 a.m. 12:30 – 3:00 p.m.

Thank-you for all you do as parents on behalf of your children.
Sincerely,

Kim S. Petrasek

Human Resource Department News

Dr. Wayne Spychala, Human Resource Director

Every successful school becomes that way through the effort, work, and determination of students, staff, parents, and community. Quality substitute teachers and substitute aides are part of that success story, allowing students to progress even when an absence takes away the daily teacher or aide.

Working as a substitute allows you the freedom to set your work schedule, choosing which days you are able to assist in schools. You might decide to work five days in one week and only one the next. Maybe you currently work on Monday through Wednesday –you would then be available to substitute on Thursdays and Fridays each week. Not only can you decide what days you wish to work, you also have the option to decide if you want to work at a particular school or with a certain grade.

If you or someone you know might be interested in joining the District 83 group of substitutes, please apply at: <http://www.d83.org>. Under the District tab click on, “Employment Application.”

You might be wondering what is required for a substitute license.

- A **Substitute Teacher License** requires any of the following: a) a regular teaching license OR b) a bachelor’s degree from an accredited institution OR c) proof of teaching for two years in a school plus 60 semester hours of credit.
- A **Substitute Aide** could have a Substitute Teacher License OR an Educator License with Stipulations/Paraprofessional (ELS/para). The ELS/para license requires any of the following: a) 60 semester hours of college credit OR b) an associate’s degree or higher OR c) passing a state examination covering reading, writing, and math.

Information about applying for a Substitute License of any type can be obtained from the West Cook Regional Office of Education <http://www.west40.org> phone: 708-449-4284. Their office is located at: 4413 Roosevelt Road, Hillside, Illinois 60162.
