

### Board Member Training and Development

All Illinois school board members must receive training in *professional development leadership* (P.A. 97-8) and the *Open Meetings Act* (P.A. 97-504). Mandatory training will also be required after the new teacher evaluation requirements are implemented in each school district. For additional information, see Board policy 2:120, *Board Member Development*.

The following table contains training and development activities that were completed by each Board member. A copy of their training certificate is on file with the District Office.
