

2016-17 LOCAL SCHOLARSHIPS

Here is the list of all LOCAL scholarships offered throughout the year! The reason for getting them to you whether they are open or not is so you can **PREPARE for the ones you may qualify for - now or in the near future.**

Guidelines:

- Scholarships with an actual date will mean that it is currently OPEN and able to apply for.
- Scholarships with a general date, such as 'early March' will mean it is NOT open yet but keep checking.
- These are in order by deadline date – from most current to the furthest out. If they are closed, it will say that.
- Click the links to check for updates as often as you'd like. The CCRC will update deadlines as soon as current info is posted on their website or when notified from the scholarship provider.
- If you have any questions regarding scholarships, please see Jenn Stroh, Megan Stenberg, or Chrissy Applehans down in the Guidance hall.

**This list is subject to change at any time and scholarships with a 'general date' are not guaranteed to open.*
