

PUBLIC NOTICE OF INTENT TO APPLY--

Independent School District 361 is applying for funding under the Minnesota Department of Education 21st Century Community Learning Centers Grant Program. This announcement serves a public notice of our intent to apply. Our application is a joint submission in partnership with the ISD 361 and Koochiching Economic Development Authority and Koochiching Resource Council aimed at expanding services to serve students before and after school in and outside the district. Following submission, the application will be made available for public review at the ISD 361 Community Education Office and KEDA by request. We invite comment and partnerships as we work to improve the services offered to our school age children in our programs.
