## **EMERGENCY SCHOOL CLOSINGS**

### **AT ANYTIME DURING THE ENTIRE SCHOOL YEAR**

District #361 Parents and Residents:

At times, OUR SCHOOLS WILL NEED TO CLOSE, START LATE, or DISMISS EARLY.

In the event there may be a change in the regular daily school schedule, we will notify you of this via our Connect Ed phone system, email, and the local radio stations. With severe weather, it could be the prior evening or by 6:00 AM of the severe weather day.

Because of severe weather or utility breakdowns, etc. we may need to:

- \*\*Close for the day
- \*\*Start two (2) hours late
- \*\*Close early in the day

It is imperative that we have your primary and/or alternate phone numbers. Please update if the school does not have that information.

With a two hour late start, all regular scheduled times will be exactly two hours later, i.e. bus pickup times, class start times, etc.

Parents are reminded to be prepared with an alternate schedule for their young child(ren) in case, on short notice, the school will need to close.
