ΣΘΤ Sigma Theta Tau International Honor Society of Nursing, Pi Eta chapter

~ Participating in today's ceremony with plans to complete graduation requirements between June-December 2017
International sashes are optionally worn to represent nationality and/or study abroad experiences.

Every effort has been made to ensure the accuracy of the printed program. The appearance of a name in the list of degree candidates is not to be regarded as conclusive. Degrees are not awarded until all final grades are received and requirements are verified.

Honor graduates were determined based on cumulative grade point average and letter-graded credits as of November 29, 2016, and will be changed appropriately after posting final grades.
