STEMscopes

PARENT AND

COMMUNITY

NIGHT

Learn about the STEMscopes curriculum, why it was created, why our district adopted it, and follow the *flow* of each scope from beginning to end. Mrs. Freeck, 6th grade Science teacher at Elmwood School, and colleagues from the Early Childhood Center, John Mills, Elmwood, and Elm Middle School will demonstrate lessons, answer questions, and share resources of how parents can help their child zoom into science standards.

Parents and Families are invited to learn more about your child's education in science through Elmwood Park's STEMscopes Parent and Community Night!
