

Band Boosters

The Band Boosters is a parent organization whose purpose is to help promote and facilitate the Band Program within District 401 schools. We provide assistance and support to all band levels from elementary through high school.

Some of our regular activities include...

- organizing/providing bake sales and refreshments at winter and spring band concerts; and the 'All District Band Festival' for all levels.
- organizing/providing pizza parties for students at 'Pep Band Night' at the middle and high school levels.
- overseeing fundraisers and providing funds for needed equipment, or other resources, for all levels.
- chaperoning band competitions and handling uniform distribution at the high school level.

Membership is \$10.00, and meetings are held every 4th Monday of the month, August thru May, at 6:30pm in the EPHS band room. All are welcome to come and participate.

The Band Boosters are also looking for parents to help with uniforms this year! Especially needed are freshman parents who know how to use a sewing machine!
