## GRADE WEIGHTS

<p>The grade point average is computed by adding the grade points received in all subjects and dividing by the number of units attempted. This grade-point average is calculated at the end of each grading period. It is used to determine the honor roll each grading period and the class rank.</p>

### **INCOMPLETE GRADES**

In the event a student is unable to complete course work due to special circumstances, a teacher or administrator may choose to issue a grade of "I", an incomplete for a class. In the event an incomplete is needed, the teacher will prepare the appropriate Incomplete Grade Contract, which will be signed by the student and teacher. This contract will include a specific plan to finish the course work and a timeline upon which this will be completed. The parent will be notified of the arrangement as well. A copy of the signed contract will be kept by the student, teacher, and counselor. It is the responsibility of the student to complete the expected work according to the agreed upon timeline. If the contract is not completed, the grade of "I" may be converted to a grade of "F". In the absence of special circumstances, no grade of incomplete will be allowed to remain past the end of the following grading period.

### **ACADEMIC HONORS**

**HONOR ROLLS:** Each Semester, 3.7 and 3.3 honor rolls are tabulated and reported in the school and community newspapers. The attainment of honor roll status becomes a part of the student's permanent record. In order to qualify for the honor rolls, a student must have no grade lower than a "C" and must achieve a grade point average of at least 3.3 or 3.7 using the grade point system. A student must be enrolled in a minimum of three courses each term to be eligible for honor roll status. (Student aide does fulfill this requirement.)

**NATIONAL HONOR SOCIETY:** Students who have displayed qualities of scholarship, leadership, character, and service as determined by faculty vote will be invited to membership in the Harold Grothen Chapter of the National Honor Society. A minimum cumulative grade point average of 3.3 is necessary before a student can be considered for possible membership. Students may be inducted into the Society after the tenth or fourteenth term.

**ACADEMIC RECOGNITION AT GRADUATION:** Every year, at Commencement, Elmwood Park High School recognizes those students who graduate with honors and members of the National Honor Society. We currently recognize as the Valedictorian of the Senior Class, the senior student who attains the highest cumulative grade point average at the end of the eighth semester (sixteenth term) and who has been in residence at Elmwood Park High School for a

minimum of four semesters (eight terms). The senior student who attains the second highest cumulative grade point average and who has been in residence for a minimum of four semesters (eight terms) is designated as the Salutatorian. Those students graduating in the top five percent are recognized as Tiger Scholars. Those students who graduate in the top ten percent of their class are also recognized. Students that achieve a 3.7 honor roll for eight semesters will be recognized at the honors breakfast.

All academic recognition at graduation is based on a minimum of 8 semesters of coursework. Students who elect to graduate early do not qualify for this recognition.

### **EPHS ATTENDANCE POLICY/PROCEDURES**

**Perfect attendance and punctuality should be goals of all EPHS students.** The Board of Education believes that an educational system is organized on the basic premise that all students shall regularly attend school. Attendance is essential for developing the academic proficiencies required to pass coursework and earn credits. Attendance is important for developing good lifelong habits. If a student is absent, the absence shall be treated as *excused or unexcused*.

#### **ATTENDANCE PROCEDURES**

A parent or legal guardian is required to phone the Attendance Voicemail **every day** the student is absent from school. If the call is **NOT** received on the Attendance Voice Mail before 9:00 a.m. on the day of the absence, the absence will be considered UNEXCUSED. Parents should be prepared to leave the following information on the Attendance Voice Mail:

- student name and year in school,
- student ID number,
- date of absence,
- reason for absence, and the name and daytime phone number of the parent calling

#### **ABSENCE POLICY**

Any student who accumulates in excess of 10 absences (excused or unexcused) will be recommended for discussion by the Tiger Support Problem Solving Team for the purpose of determining appropriate intervention and course of action. This may result in any of the following:

- requirement of doctor's note for future absences
- parent conference
- referral to social worker and/or counselor
- referral to a Tier 2 social emotional or academic intervention
- invocation of the Truancy Ordinance (which may result in court appearance, parental/guardian fine, community service, court supervision, etc.)
- required attendance at parent/guardian training sessions
- loss of credit
- disciplinary consequences

#### **EXCUSED ABSENCES or EXCUSED TARDIES**

Absences shall be excused only for the following reasons:

1. Personal illness
2. Bereavement
3. Quarantine
4. Family emergencies
5. Observation of religious holidays (Advanced Absence forms required)
6. Court appearance

Days not counted toward chronic absences:

1. Hospital confinement with proper documentation
2. Illness with a written doctor's note. Doctor's notes need to be submitted within forty-eight (48) hours of the date of the absence.
3. Suspensions
4. Field trips

**If a student feels ill, the student is expected to check in with the school nurse and/or administrator before contacting a parent or guardian to leave for the school day.**

#### **UNEXCUSED ABSENCE/TARDINESS**

Absences/tardies will be considered unexcused for the following reasons:

1. car problems
2. oversleeping
3. vacations without advanced notice
4. no call from parent/guardian
5. calls from parent/guardian after 9 am
6. other reasons as determined by the Deans' office

### **Consequences of an Unexcused Tardy**

Students who arrive unexcused tardy to school, class, the library, or the cafeteria will be required to serve *detention* the day of the tardy or the next school day.

*Each additional time* students arrive unexcused tardy to class, the library, or the cafeteria, a detention must be served consecutively.

If students have multiple detentions for one day, they must clarify their detention schedule with the Deans' office. It is the student's responsibility to monitor and serve detentions.

It is always the responsibility of the student to get all assignments missed due to an excused tardy or absence from a class(es). The student must see the teacher during the same school day when tardy to class and during the first school day back from an absence. Make-up work will be assigned during a time determined by the teacher which will be communicated to the student (i.e., before/after school or during class time if possible). It is the student's responsibility to schedule, with the teacher, the taking of tests/quizzes missed due to an excused tardy or absence.

Students who are *absent-excused* from a class will be allowed a minimum of one day for each day absent to make up work for a class. Any work due on the day of an absence must be submitted on the first day back to the class or be subject to rules governing late work that have been established by the teacher.

- *Excused* – Students who are excused absent will be allowed to make up work.
- *Unexcused* – Students who are unexcused absent from class or unexcused tardy to class will not be allowed to make up daily work and daily assignments missed.
- *Suspended* – Students will be allowed to make up missed daily work and assignments and will receive credit for all work assigned during a suspension once it is turned in to the teacher. A student shall be allowed the number of days suspended to make up the work. It is the student's responsibility to contact each of his/her teachers regarding missed work.

### **TARDY TO CLASS**

#### **EXCUSED TARDY**

In order to be considered *excused* when tardy to a class, the library, or the cafeteria, a student must present a signed pass from a staff member that describes the reason the student is tardy.

### **UNEXCUSED TARDY TO CLASS**

An *unexcused* tardy shall consist of entering class, the library, or the cafeteria less than five minutes late without appropriate authorization. Students tardy to class will be given a "Tardy Slip." The teacher will complete the slip and provide the student with a copy.

### **SPECIAL ABSENCE FORMS**

If parents and students are aware of an upcoming absence, a "Request for Special Absence" form should be filed with the Attendance Office at least three (3) days before the anticipated absence.

Absences are counted within a nine-week (approximately 45-day) term. The number of absences is reset to zero at the beginning of each term.

### **FINAL EXAMS**

Students will take final exams during the last week of attendance each semester. Any student who is absent for the final exam will be required to make arrangements with the teacher to make up the exam outside of normal class time. A student may be allowed to take a final exam early, during the week of the scheduled exams, if his/her absence is pre-planned. However, final exams will not be administered prior to the week of scheduled exams. If a student will be unavailable during that window, he/she will be issued an incomplete for the course grade, and a plan to remedy the incomplete will be determined.

### **DOCTOR'S NOTES**

A doctor's note is required after five (5) consecutive absences. A Doctor's note must be the original, legible, on the physician's stationery, and signed by the doctor or nurse. The note must specifically state the dates the student was unable to attend school, the reason for the absence and the date the doctor saw the student. Doctor's notes should be submitted by the end of the school day following the absence.

### **PHYSICAL EDUCATION MEDICAL**

Medical notes restricting physical education participation for **any** reason must be presented to the nurse. **The doctor's note must contain the following information: diagnosis, specific restriction, and specific length of time for the restriction.** The student will be assigned to an assigned area during their physical education class time for the duration of the medical. Work will be provided and must be

completed during that class period in order to earn credit for that specific class period. Work will be graded and points awarded accordingly every day.

### **TRANSFERS**

A student who enters school, without transfer grades, three (3) weeks after a term begins will be enrolled on an audit basis only, unless otherwise determined by the principal. The hearing committee will consist of the dean, the counselor, and the classroom teacher.

## **EPHS STUDENT CONDUCT**

### **PHILOSOPHICAL FOUNDATION**

Elmwood Park High School recognizes its role in the development and socialization of the adolescents in its charge. As stated in our mission, we are to help prepare students to be “productive” citizens in a democratic society. High school is the final, formal institutional setting in which adolescents learn and practice the ideals of a democratic society before becoming legal adults. Part of that preparation includes formal and informal indoctrination to various situations that will promote self-reliance and self-discipline. This entails following certain protocols, rules and regulations, and policies.

As such, we as educators are cognizant of the environment in which students learn to live and work by themselves and with others and the systems that teach individual responsibility and self-discipline. The behavior and discipline code outlined in the following pages reflects the belief that school is a learning ground for adolescents to practice their individual freedoms while maintaining personal responsibilities. We believe that indoctrination to the following policies and rules and regulations at school will translate to acceptance of various laws and policies once our students become productive members of society.

The discipline code is grounded in individual student ownership, accountability and responsibility. The notion that all individuals must be held accountable for their actions is one students will face in society. Discipline is structured so that the inherent dignity and worth of each person is recognized and honored. The behavior code, subsequent policies and rules and regulations governing EPHS stem from the premise that respect must exist between people and toward the institution and its policies and rules and regulations if we are all to work together to achieve goals successfully. It is from this premise that we have developed this list of personal rights and responsibilities

that apply to all persons within the EPHS community.

### **PERSONAL RIGHTS**

1. All individuals have the right to be safe from physical, mental, and emotional harm while at school.
2. All individuals have the right to facilitate (teachers/staff) or receive (students) an education that will promote intellectual, social, and emotional growth and development.
3. All individuals have the right to express their ideas and feelings within the bounds of good taste and with respect to the rights of other people.

### **BEHAVIORAL EXPECTATIONS**

As a general policy, students are expected to:

- Maintain regular daily attendance
- Be on time to all classes
- Conduct themselves in a manner which reflects courtesy, decency, and a sensitivity to the rights of others
- Respond courteously and promptly to the requests to faculty and staff
- Help keep the school clean
- Follow school regulations and policies
- Refrain from loud noises or conversations that are disruptive to the school's environment

The prohibition in this section does not apply to a student's use of asthma or other legally prescribed inhalant medications.
- f. "Look-alike" or counterfeit drugs, including a substance that is not prohibited by this policy, but one: (a) that a student believes to be, or represents to be, an illegal drug, controlled substance, or other substance that is prohibited by this policy; or (b) about which a student engaged in behavior that would lead a reasonable person to believe that the student expressly or impliedly represented to be an illegal drug, controlled substance or other substance that is prohibited by this policy.

### DEFINITIONS

#### **DISCIPLINARY MEASURES**

School officials shall limit the number and duration of expulsions and out-of-school suspensions to the greatest extent practicable, and, where practicable and reasonable, shall consider forms of non-exclusionary discipline before using out-of-school suspensions or expulsions. School personnel shall not advise or encourage students to dropout of school voluntarily due to behavioral or academic difficulties. Potential disciplinary measures include, without limitation, any of the following measures:

1. Student Conference
2. Notifying parents/guardians
3. Use of restorative practices
4. Disciplinary conference.
5. Withholding of privileges.
6. Temporary removal from the classroom.
7. Return of property or restitution for lost, stolen or damaged property.
8. In-school Supervision
9. Before school, after-school detention or Friday detention provided the student's parent/guardian has been notified Community service.
10. Seizure of contraband; confiscation and temporary retention of the personal property that was used to violate school rules.
11. Suspension of bus riding privileges.
12. Suspension from school and all school activities for up to 10 days. A suspended student is prohibited from being on school grounds.
13. Expulsion from school and all school activities for a definite time period not to exceed 2 calendar years. An expelled student is prohibited from being on school grounds.
14. Transfer to an alternative program if the student is expelled

or otherwise qualifies for transfer under State law.

15. Notifying juvenile authorities or other law enforcement whenever the conduct involves criminal activity, such as, illegal drugs (controlled substances), “look-alikes,” alcohol or weapons or in other circumstances as authorized by the reciprocal reporting agreement between the District and local law enforcement agencies.

The above list of disciplinary measures is a range of options that will not always be applicable in every case. In some circumstances, it may not be possible to avoid suspending or expelling a student because behavioral interventions, other than a suspension or expulsion, will not be appropriate and available, and the only reasonable and practical way to resolve the threat and/or address the disruption is a suspension or expulsion.

#### **CORPORAL PUNISHMENT**

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions, or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

#### **WEAPONS PROHIBITION**

A student who is determined to have brought one of the following objects to school, any school-sponsored activity or event, or any activity or event that bears a reasonable relationship to school shall be expelled for a period of not less than one year but not more than 2 calendar years:

(1) A firearm, meaning any gun, rifle, shotgun, weapon as defined by Section 921 of Title 18 of the United States Code, firearm as defined in Section 1.1 of the Firearm Owners Identification Card Act, or firearm as defined in Section 24-1 of the Criminal Code of 1961. The expulsion period may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

(2) A knife, brass knuckles or other knuckle weapon regardless of its composition, a billy club, or any other object if used or attempted to be used to cause bodily harm, including “look alike” of any firearm as

defined above.

The expulsion requirement may be modified by the superintendent, and the superintendent's determination may be modified by the board on a case-by-case basis.

#### **GANG & GANG ACTIVITY PROHIBITION**

"Gang" is defined as any group, club or organization of two or more persons whose purposes include the commission of illegal acts. No student on or about school property or at any school activity or whenever the student's conduct is reasonably related to a school activity, shall: (1) wear, possess, use, distribute, display, or sell any clothing, jewelry, paraphernalia or other items which reasonably could be regarded as gang symbols; commit any act or omission, or use either verbal or nonverbal gestures, or handshakes showing membership or affiliation in a gang; or (2) use any speech or commit any act or omission in furtherance of the interest of any gang or gang activity, including, but not limited to, soliciting others for membership in any gangs; (3) request any person to pay protection or otherwise intimidate, harass or threaten any person; (4) commit any other illegal act or other violation of district policies, (5) or incite other students to act with physical violence upon any other person.

#### **DIRECTORY INFORMATION**

A school may publish student directories listing student names, addresses and other identifying information. However, parents have the right to exclude their child's information from such a directory. Parents wanting to exclude a child's information from a directory should make such a request, in writing, to the building principal of the school the child attends.

#### **DISCIPLINE – SEARCH AND SEIZURE (7:140)**

For the safety and supervision of students in the absence of parent(s)/guardian(s), to maintain discipline and order in schools, and to provide for the health, safety and welfare of students and staff, school authorities are authorized to conduct searches of students and their personal effects, as well as District property.

#### **STUDENTS & THEIR PERSONAL EFFECTS**

Certified employees and school administrators may search a student and/or the student's personal effects (e.g., purses, wallets, knapsacks, book bags, lunch boxes, etc.) when there are reasonable grounds for suspecting that the search will produce evidence the particular student has violated or is violating either the law or the District's

student conduct rules. The search itself must be conducted in a manner which is reasonably related to its objectives and not excessively intrusive in light of the age and sex of the student and the nature of the infraction.

When feasible, the search should be conducted as follows:

- in the presence of a school administrator or adult witness;
- by a certified employee or administrator of the same sex.

Following a search, a document will be created if the results of the search indicate a violation of school policy. The parent(s)/guardian(s) of the student shall be notified of the search as soon as possible.

### **SCHOOL PROPERTY**

School property, including, but not limited to, desks and lockers, is owned and controlled by the District and may be searched by school authorities at any time. School authorities are authorized to conduct area-wide, general administrative inspections of school property (e.g., search of all student lockers) without notice to or consent of the student and without a search warrant.

### **SEIZURE OF PROPERTY**

If a search produces evidence that the student has violated or is violating either the law or the District's policies or rules, such evidence may be seized and impounded by school authorities, and disciplinary action may be taken. When appropriate, such evidence may be transferred to law enforcement authorities.

### **SPECIFIC RULES AND REGULATIONS**

The following are specific rules and regulations governing individuals at EPHS. They are designed to provide a sample of the type of behavior expected of Elmwood Park students and staff and do not necessarily cover all situations.

### **BULLYING/HARASSMENT**

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Each school district and non-public, non-sectarian elementary or secondary school shall create and maintain a policy on bullying, which policy must be filed with the State Board of Education.

### **SUICIDE & DEPRESSION AWARENESS AND PREVENTION**

Youth suicide impacts the safety of the school environment. It also affects the school community, diminishing the ability of surviving students to learn and the school's ability to educate. Suicide and depression awareness and prevention are important goals of the school district.

The school district maintains student and parent resources on suicide and depression awareness and prevention. Much of this information, including a copy of school district's policy, is posted on the school district website. Information can also be obtained from the school office.

### **CAFETERIA BEHAVIOR**

Appropriate behavior is expected in the school cafeteria including: using proper etiquette; clearing tables and surrounding areas; and refraining from throwing food or other objects. Food and drink may not be taken from the cafeteria. If these expectations are not met, students may be assigned seats, detentions, clean-up duty, and/or suspensions.

### **CLOSED CAMPUS POLICY**

Students are not permitted to leave the Elmwood Park High School campus during their school day without permission from the administration or nurse. This includes In-School Suspension and lunch periods. If a student feels ill, the student is expected to check in with the school nurse and/or administrator before contacting a parent or guardian to leave for the school day.

### **DANCES & PROM REGULATIONS**

- A student attending a dance must hold a valid student ID.
- Students will be admitted at a reasonable time and may leave whenever they desire. When students leave, however, it is understood they will not return.
- Students with guests should make them aware of the regulations established for EPHS students. Guests will be expected to comply with all rules and regulations set for EPHS students.

- All prom guests must meet EPHS guidelines to attend.
- Prom tickets may only be purchased by a student with a junior or senior class status. All school fees and debts must be paid prior to purchasing tickets.
- Students' guests attending prom or any school dance, must be under 19 years of age to attend.
- Students and their guests attending a dance are expected to wear acceptable dress.

#### **DISRUPTIVE ACTS**

Students are expected to behave so that classrooms, halls, and other school areas are not disrupted or endangered.

#### **BUS TRANSPORTATION**

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Students are expected to follow all school rules while on the bus. Students may be suspended from riding the school bus for up to 10 consecutive school days for violating school rules or for engaging in other gross disobedience or misconduct. The school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons. The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

A student who is suspended from riding the school bus and who does not have alternative transportation to school shall be allowed the opportunity to make up all missed work for equivalent academic credit. It is the responsibility of the student's parent or guardian to notify the school that the student does not have alternative

transportation to school.

In the interest of the student's safety and in compliance with State law, students are also expected to observe the following:

1. Dress properly for the weather. Make sure all drawstrings, ties, straps, etc. on all clothing, backpacks and other items, are shortened or removed to lessen the likelihood of them getting caught in bus doors, railings or aisles.
2. Arrive on time at the bus stop, and stay away from the street while waiting for the bus.
3. Stay away from the bus until it stops completely and the driver signals you to board. Enter in single file without pushing. Always use the handrail.
4. Take a seat right away and remain seated facing forward. Keep your hands, arms, and head inside the bus.
5. Talk quietly on the bus. No shouting or creating loud noises that may distract the driver. Tablets, iPods®, iPads®, smartphones, and other electronic devices must be silenced on the bus unless a student uses headphones.
6. Help keep the bus neat and clean. Keep belongings out of the aisle and away from emergency exits. Eating and drinking are not allowed on the bus.
7. Always listen to the driver's instructions. Be courteous to the driver and other students. Sit with your hands to yourself and avoid making noises that would distract the driver or bother other passengers. Remain seated, keeping your hands, arms, and head inside the bus at all times.
8. Wait until the bus pulls to a complete stop before standing up. Use the handrail when exiting the bus.
9. Stay out of the danger zone next to the bus where the driver may have difficulty seeing you. Take five giant steps away from the bus and out of the danger zone, until you can see the driver and the driver sees you. Never crawl under a bus.
10. If you must cross the street after you get off the bus, wait for the driver's signal and then cross in front of the bus. Cross the street only after checking both ways for traffic.
11. Never run back to the bus, even if you dropped or forgot something.

Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into

misconduct or accidents on the bus.

For questions regarding school transportation issues, contact the deans' office at 708.583.6215.

#### **DRESS CODE FOR STUDENTS**

As per Elmwood Park Community Unit School District 401 Board 7:160 students' dress and grooming must not disrupt the educational process, interfere with maintaining a positive teaching/learning climate, or compromise reasonable standards of health, safety and decency. Procedures for handling students who dress or groom inappropriately are included in the Student Handbook

Certain types of clothing are inappropriate in a serious academic setting. To assist parents in guiding the choice of clothing made by students to be worn during the school day, the following parameters have been established.

- Clothing designed for outerwear such as coats, jackets, hats, gloves, and sunglasses must be kept in lockers during the school day.
- Shorts and skirts must extend down the leg at least far enough that the student's fingertips touch the bottom of the garment.
- Clothing and accessories displaying inappropriate words or illustrations, including weapons, references to gangs, drugs, alcohol or tobacco products, or displaying any subject matter that may be considered distasteful, are not appropriate.
- Tank tops, muscle shirts, halter tops, tube tops, low cut blouses or shirts, see-through or mesh tops and shirts, belly tops, and oversized pants and shorts are prohibited.

Any violation of the Friday detention rules will result in further disciplinary action.

**ELECTRONIC DEVICES**

Cell phones are only allowed to be used during passing periods and in the cafeteria before and after school and during the student's lunch periods. Cell phone use in the classroom is only allowed per the teacher's discretion. All other times, cell phones should not be in use. The administration reserves the right to amend this policy during the year.

**EXPULSION**

In cases of gross disobedience or misconduct, the principal may recommend to the Board of Education that expulsion proceedings be initiated. These offenses are defined as, but not limited to, any conduct, behavior, or activity, which causes, or may reasonably lead school authorities to believe, substantial injury or disruption with school activities, or the rights of other students or school personnel may occur. The board has the authority to remove a student from school for a period not to exceed two calendar years.

**FALSE ALARMS**

No student will sound any alarm except in case of an actual emergency. The specific penalty for this offense is recommendation for expulsion from school and referral to the River Grove Police Department.

**GUESTS**

If a parent wishes to confer with the teacher, an appointment should be made for a time outside school hours. Children living outside the district, who are not of school age, are not permitted to visit classes without the principal's approval. All visitors are:

Hazing is defined as any physical, mental, emotional, or psychological act which subjects a student who is joining or affiliating with a student organization to any situation or expectation which may potentially abuse, mistreat, degrade, humiliate, harass, harm, intimidate a student, denigrate either an individual or another group or compromise a student's inherent dignity as a person. Hazing includes a situation in which an older student subjects a younger student to rites of initiation. The fact that a student participates voluntarily in a hazing incident does not alter the high school's prohibition on such conduct.

Hazing will not be tolerated and will be subject to disciplinary action which may include suspension/expulsion and police involvement if warranted. Students who are associated with teams/activities who consider engaging in acts against other students on a team or in an activity should understand that the school considers such behavior as hazing.

## **I.D. POLICY**

All students must carry the permanent student I.D. card issued by Elmwood Park High School at all times. Any school personnel may require a student to produce his or her ID.

Some specific situations, which require the student to use their student I.D., are:

- When purchasing supplies and when borrowing textbooks from school.
- When borrowing materials from the library.
- When purchasing student admission tickets for school events or student activities.
- When reporting to an assigned In School Suspension or detention.
- A valid student ID is required to board school buses.
- During lunch in the cafeteria
- Replacement ID cost is \$5 from the Security office

## **INSUBORDINATION TOWARD SCHOOL PERSONNEL**

No student will be insubordinate to or mistreat any Elmwood Park High School faculty or staff member.

## **LOCKER POLICY**

A student's locker and lock are the property of the school and must be

used for the purpose intended: a storage area for books, school supplies, and outdoor garments. If school officials believe that the student has placed illegal or dangerous materials or substances in the locker, school officials may search the locker with or without the student's knowledge or consent. School officials or police officers may search lockers at any time. Students are responsible for **all** items in their assigned locker and may not share lockers.

#### **LOITERING & PRESENCE IN UNAUTHORIZED AREAS**

Any student who parks illegally or in unauthorized student parking areas is subject to having their vehicle towed at the owner's expense.

#### **PLAGIARISM & ACADEMIC DISHONESTY**

Academic Dishonesty and/or plagiarism will not be tolerated. The first offense will result in a failing grade for that assignment and a parent-teacher-student conference. An additional incident of cheating and/or plagiarism during students four years at Elmwood Park High School may result in loss of credit with a grade of F for that course. All incidents of these infractions will be reported to the dean of students with possible disciplinary action.

#### **OFFENSES AND DISCIPLINARY ACTION**

The following list is comprised of offenses which might occur in high school and for which the school board and administration structured a discipline policy.

As per school board policy 7:190, those grounds for disciplinary action apply whenever the student's conduct is reasonably related to school or school activities, including, but not limited to:

1. On, or within sight of, school grounds before, during or after school hours or at any other time when the school is being used by a school group;
2. Off school grounds at a school-sponsored activity, or event,

- or any activity or event which bears a reasonable relationship to school;
3. Traveling to or from school or a school activity, function or event; or
  4. Anywhere, if the conduct may reasonably be considered to be threat or an attempted intimidation of a staff member, or an interference with school purposes or an education function.

Although the list of offenses and suggested actions is not meant to be exhaustive, it does provide a guideline to the type of discipline that may be enforced by the administration. The administration reserves the right to impose disciplinary actions for offenses not listed or to take any other disciplinary actions appropriate to the situation.

In all instances, the administration may determine that a parent and/or teacher conference, behavior contract, counseling services (school or outside agency), peer mediation, or a rehabilitation program is necessary. Other recommendations may be made as deemed suitable for the situation.

Students who are absent on days when they are assigned to detention must serve their assignment on the first day back to school.

#### **STUDENT CONDUCT GUIDELINES**

These guidelines apply during the school day, en route to or from school, at a school-sponsored event or activity, adjacent to the school, or on school district property.

#### **DESCRIPTION OF DISCIPLINARY ACTIONS**

##### **OUT OF SCHOOL SUSPENSION**

The out-of-school suspension is to begin at the time suspended and end following the re-entry conference.

It is the obligation of the student to contact each of his/her instructors regarding work missed on the day he/she returns to school. A student is allowed a minimum of one day for each day suspended to make up missed work.

**Students who are assigned an** out-of-school suspension must attend a re-entry conference with their parent(s) or legal guardian(s) and dean before they will be allowed to resume their normal class schedule.

Students are not to be on school property during the time of their suspension. This constitutes trespassing and the River Grove Police Department may be contacted.

Students are not allowed to *participate* in extracurricular activities. (This includes athletic events, musical productions, and all other school-affiliated activities either home or away.)

Students are not allowed to *attend* co-curricular or extra-curricular activities – either at home or away. Attendance at co-curricular and extra-curricular activities is a privilege, not a right. If the suspendable offense occurs at either one of these types of activities, the administration can use their discretion to further prohibit attendance at co-curricular or extra-curricular activities for the remainder of the year.

Students whose behavior demonstrates their willingness to follow school rules and policies may petition the assistant principal, in writing, for permission to attend major extra-curricular/co-curricular activities, such as the Homecoming dance, Tiger Olympics, the prom, the senior luncheon and graduation.

#### **IN-SCHOOL SUPERVISION (ISS)**

ISS is a disciplinary option being provided for students of Elmwood Park High School. It is designed as an alternative to an out-of-school suspension and is a privilege rather than an automatic right. Students involved in more serious violations of the school policy, such as fighting, insubordination, or repeated disciplinary infractions, will be suspended out-of-school.

A student who fails to report for an ISS on the date assigned due to an excused absence will be automatically assigned an ISS for the next regularly scheduled ISS day.

A student who fails to successfully complete an ISS on the date assigned will be suspended out-of-school for the remainder of that school day. A re-entry conference involving the parent/guardian, student, and student's dean must be held before the student is permitted to return to school. Immediately following the re-entry conference, the student will be reassigned another ISS. The student must successfully complete an ISS prior to his/her admittance to scheduled classes.

Academic assignments must be completed during ISS and all school rules and procedures are in effect during the ISS; including the following. Student must attend ISS from 7:50 am – 3:00 pm. If the student is tardy on the day of their assigned ISS, they will stay until 4pm. In addition:

1. Students must be seated in the ISS room by 7:50 a.m. They will be released at 3 p.m.
2. On the day of the in-school suspension, the student is NOT permitted to participate and/or attend any extracurricular events.

This includes sports, practices, clubs, plays, dances, etc.

3. Students must relinquish their current school ID and cell phone to the ISS supervisor upon entering the ISS room.
4. The ISS supervisor may establish rules he/she deems necessary to maintain order and safety.
5. Student work will be checked by the ISS supervisor.
6. Students may not put their head down or sleep.
7. Students may not communicate verbally or nonverbally with other students.
8. Students will not be allowed to go to their lockers, the cafeteria, or use the phone.
9. Students may not bring or use cell phones, MP3 players, cards, or other recreational/entertainment devices.
10. Students may not consume food or beverages.
11. Students will be given one supervised break in the morning and one supervised break in the afternoon.
12. Lunch will be eaten in the ISS room.
13. It is the student's responsibility to come adequately prepared; i.e. books, pens, pencils, paper, etc.
14. Any violation of the ISS rules will result in the student being sent to the deans' office and an out-of-school suspension will be assigned for the remainder of that day. The time served in ISS will be forfeited.

#### **ADMINISTRATIVE DETENTION PROCEDURE**

Detentions are intended to provide a method of disciplining Elmwood Park High School students for violations of the School Behavior and Discipline Code. Administrator-assigned detentions and teacher-assigned attendance-related detentions will be served at the designated time before or after school. Detentions are to be served either the day of assignment or the next school day in the assigned detention room. Consequences for failing to serve detention(s) are outlined under Class I Infractions. Students may serve detention from 7:00 -7:45 am or 3:05 – 3:50 pm.

#### **GRIEVANCE PROCEDURE**

The Board of Education of School District 401 recognizes that every student, who attends a school within the district, should have equal access to participate in all appropriate educational offerings of the district as well as access to the district facility in which the educational offering is provided. The Board does not guarantee that each facility shall be equally accessible to the handicapped, but that within the school district, a handicapped student will be able to receive equal educational opportunities. If the building to which a student would

normally be assigned for reason of residence does not provide the accessibility necessary for a handicapped student, that student may be assigned to another school for convenience of accessibility and shall be transported to that school.

The parent of a handicapped student shall forward to the Superintendent a letter from a licensed physician qualified to practice medicine in the State of Illinois, stating the type and severity of the handicap and his/her recommendation as to specific architectural needs.

When it is necessary for handicapped adults (parents/guardians) to attend school activities in a school where there may be architectural barriers, the school shall amend its usual procedure and provide a meeting place which is accessible to the parent/guardian.

When a student or an adult (parent/guardian) or staff member believes that some phase of the educational program is inaccessible to him/her, the following grievance procedure shall be followed:

1. The student, parent/guardian, or staff member shall discuss the alleged case of discrimination with the immediate supervisor of the facility.
2. If the case of the alleged discrimination is not satisfactorily dealt with in step 1, the alleged case of discrimination shall be submitted in writing to the person designated by the Superintendent to handle grievances.
3. Following administrative review of the Superintendent, alleged cases of discrimination which still remain unresolved shall be referred in writing to the Board of Education for review.
4. If there is still no resolution to the problem after the board of Education review, the case shall be referred to the State Board of Education.

(6:120)**

**ARCHITECTURAL BARRIERS**

In one of the four new "policy interpretations" of Section 504, the Federal Office of Health-Education and Welfare Civil Rights Division (OCR) indicates that schools do not have to make structural changes if they can use other methods to make services available. For example, they can use alternative sites or make home delivery of services. Carrying a handicapped person is forbidden except when structural changes are "prohibitively expensive" or not yet completed. Schools may not exclude handicapped students from contact sports just because they have lost an organ or a limb. They can require parental consent and doctor approval for participation, however. In disputes between parents of handicapped children and school system officials, school board members may not serve as hearing officers.

**NON-DISCRIMINATION**

All policies adopted by the Board of Education and practices followed by any board member or employee of School District 401 shall be in accord with the provisions of Section 504 of the Rehabilitation Act of 1973, 29 U. S. C. 706, pertaining to discrimination toward handicapped individuals. The Superintendent shall appoint a member of the staff to propose, monitor, and review, at least annually and as need demands, a program which will assure that the district is in conformance with the provisions of the act. The Superintendent shall recommend to the Board of Education those architectural and program changes which

shall assist the district in meeting the needs of the handicapped within the school district.

## **SEXUAL HARASSMENT – STUDENT OR STAFF (7:20)**

### **DEFINITION**

The determination of what constitutes sexual harassment will vary with the circumstances. It may include physical assault; physical contact; threats; direct sexual propositions; subtle pressure for sexual activity; a pattern of sexually explicit statements, questions, jokes, or anecdotes; offensive personal remarks of a sexual nature; or other unwelcome sexual advances or conduct of a sexual nature, when such conduct has the purpose or effect of unreasonably interfering with a student's learning or education, or creating a hostile learning or educational environment.

### **VIOLATION**

It shall be a violation of this policy for any student to abuse another student or staff member through any sexually harassing conduct or communications whether such behavior occurs on school grounds, at school events, or on the school bus. Also, a student who takes any form of reprisal against any student or staff member who has rejected or reported sexual harassment shall have violated this policy.

### **COMPLAINTS**

Students or staff members who feel they have been sexually harassed may report problems or complaints to any teacher, counselor, or administrator who shall immediately report the matter to the principal.

Any school personnel who believe a violation of this policy may have occurred shall immediately report the matter to the principal for review and investigation.

Child Reporting Act (IL Rev. Stat. 1985 ch. 23, pars. 2051 et seq.) requires a report to be made to the child abuse Hotline number (1-800-25A-BUSE) whenever there is reasonable cause to believe that a student has been abused.

### **A TIME LIMITS**

The student or staff member should raise questions or complaints about sexual harassment as soon as possible while facts are known and potential witnesses are available.

School personnel must report infractions to the principal within two (2) days after they have cause to believe that this policy may

have been violated.

**B ADMINISTRATIVE ACTION**

Upon receiving a complaint or report of a possible violation of this policy, the principal shall promptly review the incident. The principal may decide to refer the parties for counseling or mediation to resolve problems of alleged sexual harassment. If the principal determines that an administrative investigation is necessary, it shall be done promptly to determine whether the alleged violation has occurred. The investigation may include review of any relevant evidence and interviews with the student or staff member, the alleged offender, and any person believed to have pertinent knowledge. The accused shall have a full opportunity to tell his/her side of the story. The principal shall take steps to maintain the confidentiality of the investigation

**C PENALTIES**

If, after considering all the evidence, the principal determines that there has been a violation of this policy, the following penalties will be instituted.

**1. FIRST OFFENSE**

First time violator(s) of this policy may be suspended from school for a period of up to five (5) days and a parent conference held, except where aggravated circumstances establish gross misconduct.

**2. SUBSEQUENT OFFENSE**

A second violation may constitute gross misconduct.

**3. GROSS MISCONDUCT**

Where there is a finding of gross misconduct, the offending student(s) may be indefinitely suspended pending a conference with the principal. After review by the principal, a recommendation for expulsion may be made to the Board of Education.

**LEGAL REF.: Title VII, Sex Discrimination under the Civil Rights Act of 1994.**

**Title IX, Non-discrimination of the Basis of Sex in Education Programs and Activities Receiving or Benefiting from Federal Financial Assistance of the Educational Amendments of 1972.**

**POLICY OF NON-RETALIATION**

A student's or staff member's good faith action in reporting a complaint, reporting evidence, or giving testimony of sexual

harassment will not adversely affect the student's education, grades, curriculum or record or the staff member's employment status. However, a student, staff member, or witness found to have been intentionally dishonest or malicious in making allegations or testifying shall be subject to discipline.

Throughout the complaint process, every effort will be made to protect the complainant and witnesses from reprisals and to protect the alleged offender from irresponsible complaints.

#### **VISION SCREENINGS**

Vision Screenings are conducted annually for all children enrolled in the school district. A vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months. Please let us know immediately if you do not wish for the school district to conduct a vision screening for your child.

### **DEFINITION OF TERMS**

#### **DETENTIONS**

Detentions are the assignment for an additional period of school to be served before or after school. Students are assigned to detention primarily for minor disciplinary violations. Students may serve a detention the following day it is issued. Students must report for detention on time and will not be admitted without an I.D. or study material.

A detention not served due to absence is automatically rescheduled for the day the student returns to school.

#### **EXTERNAL SUSPENSION**

When a student's misconduct, in the opinion of the administration, is so grave that it adversely affects the general welfare of the school learning environment, the student will be suspended out-of-school. A student who presents a problem of misconduct or consistent violation of rules also may be suspended. A single suspension will not exceed ten (10) consecutive school days.

A student receiving an out-of-school suspension must surrender his or her I.D. to the administrator assigning the suspension; the student will pick up the I.D. from the administrator before the beginning of the school day on which the suspension ends. (External suspensions begin at the time the student is suspended and ends at 7:30 a.m. of the day

the student is to return to school.)

Students suspended from school may not attend class or any school-sponsored activity (as a spectator or a participant). They also may not be on the school grounds during the suspension unless they have made prior arrangements with the dean, assistant principal, or principal. Students who do not seek consent from the proper authorities will be subject to trespass laws.

When a student is suspended, every attempt will be made to notify the parent(s) on the day of the suspension. The student will not be released from school until the parent has been contacted or until the student's regularly scheduled school day has ended. A student completing an out-of-school suspension must attend a re-entry conference with their parent(s) or legal guardian(s) and dean before resuming his/her normal class schedule. A letter will be mailed to confirm the suspensions.

There are offenses of such a nature that will result in immediate suspension and recommendation for possible expulsion.

#### **EXCESSIVE EXTERNAL SUSPENSION**

Depending on finding of the deans' recommendations for Tier 2 or Tier 3 interventions, or a recommendation for initial evaluation for special education services may be made.

If the student is currently receiving special education services, all applicable laws governing special education will be followed. Continued violation of school code could result in a recommendation for expulsion.

#### **SOCIAL SUSPENSION**

A socially suspended student may not attend or participate in any school functions while serving the social suspension. Any student who has been externally suspended is automatically placed on social suspension for the length of the suspension. Students can also be socially suspended for inappropriate behavior which is displayed while attending extra-curricular activities and events. Depending upon the nature of the offense, the suspension may include the semester in which the offense was committed as well as the following semester.

Students whose behavior demonstrates their willingness to follow school rules and policies may petition (in writing) the assistant principal for permission to attend special extra-curricular activities such as homecoming, prom, senior luncheon, etc.

**Elmwood Park CUSD 401**  
**Chromebook Policy, Procedures, and Information**  
**2018-2019**

The focus of the District Technology Initiative at Elmwood Park CUSD 401 is to provide tools and resources for the 21st century learner. Excellence in education requires that technology is seamlessly integrated throughout the educational curricula. Increasing access to technology is essential to build upon college and career readiness skills. The individual use of Chromebooks is a way to empower students to maximize their full potential and to prepare them for college and the workplace.

The policies, procedures, and information within this document apply to all Chromebooks and other technological devices used at Elmwood Park CUSD 401 considered by the Administration to come under this policy. Students and their parents/guardians are reminded that use of technology is a privilege and not a right and that everything done on any device, network, or electronic communication device may be monitored by the school authorities. Inappropriate use of the

technology can result in limited or banned computer use, disciplinary consequences, removal from courses, loss of credit, receiving a failing grade, and/or legal action. Students and their parents/guardians are responsible for reviewing the Chromebook Agreement.

### **GENERAL INFORMATION**

### **RECEIVING YOUR CHROMEBOOK**

Chromebooks will be distributed prior to the start of the school year and once registration is complete. Students who transfer into District 401 will receive their device within their first week in attendance after registration is complete. Each student will receive a Chromebook, Chromebook charger, and Chromebook case, all of which will be asset tagged to the student.

### **CHROMEBOOK CHECK-IN**

- Chromebooks will be returned prior to the end of the school year, on a date to be provided, so they can be checked for serviceability and to be stored for the summer. If a student transfers out of Elmwood Park CUSD 401 during the school year, the Chromebook, Chromebook charger, Chromebook case, and any other peripheral devices/tools provided will be returned at that time.
- Students who graduate early, withdraw, are expelled, or terminate enrollment at Elmwood Park CUSD 401 for any other reason must return their individual school Chromebook, Chromebook charger, Chromebook case, and any other peripheral devices/tools provided on the date of termination.
- If a student fails to return the Chromebook, Chromebook charger, Chromebook case, and any other peripheral devices/tools provided at the end of the school year or upon termination of enrollment at Elmwood Park CUSD 401, that student will be subject to criminal prosecution or civil liability and district records may be withheld. The student will also pay the replacement cost of the Chromebook, Chromebook charger, Chromebook case, and any other peripheral devices/tools provided. Failure to return the Chromebook, Chromebook charger, Chromebook case, and any other peripheral devices/tools provided will result in a theft report being filed with the police department.

### **CHECK-IN FINES**

Chromebooks, Chromebook chargers, and Chromebook cases not returned to the District, when requested, and in satisfactory condition will be charged a reasonable fee for needed repairs, which will not exceed the replacement cost of the Chromebook, Chromebook

charger, and Chromebook case. Failure to return the Chromebook will result in a theft report filed with the police department.

#### **EXPECTATION OF PRIVACY**

Students have no expectation of privacy in any material that is stored, transmitted, or received via the District's electronic network or school-issued device. The District may, without prior notice or consent, log, supervise, access, view, monitor, and record use of student Chromebooks (including reviewing files and other materials) at any time for any reason related to the operation of the District and/or for any purpose that furthers the interests of the District. By using a Chromebook, students agree to such access, monitoring, and/or recording of their use.

#### **OWNERSHIP OF THE CHROMEBOOK**

Elmwood Park CUSD 401 retains the sole right of possession of the Chromebook. The Chromebooks are loaned to the student for educational purposes for the academic year. Moreover, Elmwood Park CUSD 401 administrative staff and faculty retain the right to collect and/or inspect Chromebooks at any time, including via electronic remote access and to alter, add, delete installed software or hardware.

### **TAKING CARE OF YOUR CHROMEBOOK**

Students are responsible for the general care of the Chromebook that they have been issued by the school. Chromebooks that are broken or fail to work properly must be taken to the library for an evaluation of the equipment. District-owned Chromebooks should never be taken to an outside computer service for any type of repairs or maintenance.

#### **GENERAL PRECAUTIONS**

The Chromebook is school property and all users will follow this policy and the Elmwood Park CUSD 401 Acceptable Use Policy.

- Snack time and screen time are NOT the same time: keep food and drinks away from the device.
- Cords and cables must be inserted carefully into the Chromebook to prevent damage.
- Do not stack any books, heavy materials, etc. on top of the Chromebook as it could cause the device to break.
- Chromebooks must never be left in an unlocked locker, unlocked car, or any unsupervised area.

- Students are responsible for keeping their Chromebook's battery charged for school each day.
- Chromebooks are very sensitive to extreme heat and extreme cold therefore leaving devices in cars, direct sunlight, etc. that may expose them to these conditions is potentially harmful to the device and should be avoided.
- Chromebooks have a unique identification number and at no time should the numbers or labels be modified, damaged, or removed.
- The District can and will locate, access, and modify Chromebooks remotely, even when in a student's possession. Modifying, disabling, or attempting to disable the locator or any District software used for tracking or accessing a Chromebook is a violation of the Acceptable Use Policy and grounds for disciplinary action.
- Jailbreaking or otherwise attempting to change the operating system or access District settings of or to the device will be subject to disciplinary action.
- It is the responsibility of the student who is issued the Chromebook to protect that Chromebook. A student who damages, loses, or misplaces the Chromebook will be responsible for its cost, whether or not the damage or loss was the student's fault. Students should not lend any Chromebook to another person.
- Do not contact Acer, Google, or any other service for repair questions. The District makes any and all repairs to Chromebooks.

#### **CARRYING CHROMEBOOKS**

The protective shell of the Chromebook will only provide basic protection from everyday use. The cases provided with Chromebooks have sufficient padding to protect the Chromebook from normal wear and tear and provide a suitable means for carrying the device within the school. The guidelines below should be followed:

- Chromebooks should always be within the protective case when carried. Failure to do so may result in disciplinary action.
- Chromebooks must remain in a protective case when not in use to prevent unintended damage.

- Chromebooks should never be lifted by the screen or carried with their screens open.

#### **SCREEN CARE**

The Chromebook screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on the top of the Chromebook when it is closed.
- Do not place anything near the Chromebook that could put pressure on the screen.
- Do not place anything in the carrying case that will press against the cover.
- Clean the screen with a soft, dry cloth or anti-static cloth. Liquid type cleaners such as Windex should be avoided at all times.
- Do not “bump” the Chromebook against lockers, walls, car doors, floors, etc as it will eventually break the screen.

#### **PERSONALIZATION**

Chromebooks must remain free of any decorative writing, drawing, stickers, paint, tape, or labels that are not the property of Elmwood Park CUSD 401. Spot checks for compliance will be done by administration or staff at any time.

#### **STORING YOUR CHROMEBOOK**

When students are not using their Chromebooks, they should be stored in their lockers with the lock securely fastened.

- To prevent damage, nothing should be placed on top of the Chromebook.
- Chromebooks should *never* be stored in a vehicle.
- Students are encouraged to take their Chromebooks home everyday after school, regardless of whether or not they are needed.

#### **USING YOUR CHROMEBOOK AT SCHOOL**

Chromebooks are intended for use at school each day. In addition to teacher expectations for Chromebook use, school messages, announcements, calendars, and schedules may be accessed using the Chromebook. Students must be responsible to bring their Chromebook to all classes, unless specifically instructed not to do so by their teacher.

### **CHROMEBOOK LEFT AT HOME**

- If students leave their Chromebook at home, they are responsible for getting the course work completed as if they had their Chromebook present. He/she may ask if a loaner is available for check out. There are a limited number of devices available for loan, and a device may or may not be available to check out.
  - If a loaner is available, the student maintains responsibility of the device as if it were their own for the school day. They are responsible for any damage or loss of the issued device.
  - The student must return the device at the end of the school day.
- If a student repeatedly (three or more times as determined by any staff member) leaves their Chromebook at home, they may be required to “check out” their Chromebook. “Checking out” identifies that the student will only be able to utilize the Chromebook during school hours. The Chromebook will be checked out in the morning from a central location and returned at the end of the school day to the same central location.
- If a student leaves their Chromebook at home for three consecutive days, they will be required to bring in the device and have a mandatory inspection of said device.

### **CHROMEBOOKS UNDERGOING REPAIR**

- Replacement Chromebooks may be issued to students when they leave their Chromebooks for repair in the Library. Please note that there may be a delay in getting a Chromebook should the school not have enough to distribute. Replacement Chromebooks cannot be taken home.
- The student will be contacted when their devices are repaired and available to be picked up.

### **CHARGING YOUR CHROMEBOOKS BATTERY**

- Chromebooks must be brought to school each day in a fully charged conditions. Students need to charge their Chromebooks each evening.
- Do not leave a Chromebook plugged in for more than 24 hours as this will degrade the battery’s lifespan.

- In cases where use of the Chromebook has caused batteries to become discharged, students may be able to connect their Chromebooks to a power outlet in class.

**PHOTOS, SCREENSAVERS, BACKGROUND PHOTOS**

- Inappropriate media should not be on the device and may not be used as a screensaver or background photo.
- Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, gang related symbols or pictures will result in disciplinary actions and may also result in a loss of Chromebook privileges.
- Photos/videos require a large amount of storage space on the device. Only photos that are for an educational purpose should be saved to the device. All other photos/videos should not be taken or stored.
- The Chromebook comes equipped with both camera and video capacities. It is a violation of Illinois law and a crime to record or photograph another individual without their knowledge. A student who takes a photo, video, or otherwise records another student or teacher without the permission of that individual may be subject to the District's disciplinary procedure, as well as criminal and civil penalties.

**SOUND, MUSIC, GAMES OR PROGRAMS**

- Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
- Students are encouraged to provide their own headsets/earbuds. Headsets with microphones are encouraged to allow students to record presentations on the Chromebook without interference from background noise.
- Personal music is not allowed on the Chromebook. Any music on the device should only be added at the request and discretion of a teacher.
- Internet Games are not allowed on the Chromebooks. If game apps are installed, it will be by the direction of Elmwood Park CUSD 401 staff only.
- Data Storage on the Chromebook is limited and should be managed by the students so that the full educational potential of the Chromebook is available.

**PRINTING AT SCHOOL**

Printing functionality will not be available at school. Teaching strategies will facilitate digital copies of homework.

### **USING YOUR CHROMEBOOK OUTSIDE OF SCHOOL**

Students are encouraged to use their Chromebooks at home and other locations outside of school. A WiFi Internet connection will be required for the majority of Chromebook use, however there are some applications that can be used while offline and not connected to the Internet. Students will be bound by the Elmwood Park CUSD 401 Acceptable Use Policy and Board Policy 6:235, administrative procedures, acceptable use agreement, and all other guidelines in this document wherever they use their Chromebooks.

#### **HOME INTERNET ACCESS**

Students are allowed to connect to wireless networks when their Chromebooks are at home, or in other venues where connectivity is offered. Note that Elmwood Park CUSD 401 cannot provide any assistance, troubleshooting, or advice on such off site connectivity.

- When connecting from home, students and parents should be aware that a District account is still being used, so website monitoring is still being done.
- The District will install internet filtering on the District network that meets the federally regulated Children's Internet Protection Act. Although the District makes every effort to block inappropriate, offensive, immoral, and illicit material on school systems, it is important for parents/guardians to monitor activity on their child's electronic devices and understand that nothing is foolproof. Parents and guardians are advised to take an active role in viewing and monitoring content accessed and posted by students on Chromebooks. Parents and guardians of student-issued Chromebooks may be subject to liability for a student's internet postings and other usage of a Chromebook. A student who removes filtering software and/or bypasses filtering (proxy redirectors, etc.) will be disciplined in accordance with the Student Handbook and Acceptable Use Policy, and student and/or student's parent or guardian may be subject to criminal and civil liability. Students who bring inappropriate, offensive, or illegal

material to school or download such material to a District-provided Chromebook will be subject to discipline and may be subject to criminal and civil liability.

- Students are allowed to set up access to home wireless networks on their Chromebooks. This will assist students with the ability to complete, retrieve, access, etc. educational content used in classes with the Chromebook successfully.
- If parents/guardians are interested in providing content filtering at home, it is suggested that parents/guardians contact their Internet provider for details and support.

#### **PRINTING AT HOME**

The Chromebook will not support a physical printer connection. Instead, users may print to their home printers using the Google Cloud Print service. This will require a wireless printer and proper settings on the Chromebook using Google Cloud Print. Information about Google Cloud Print can be attained here: [www.google.com/cloudprint/learn](http://www.google.com/cloudprint/learn).

#### **MANAGING YOUR FILES**

Students may save documents to their Google Drive, or they may save to an external memory device such as a miniSD card or USB flash drive. Saving to Google Drive will make the file accessible from any computer with internet access. Students using Google Drive to work on their documents will not need to save their work, as Drive will save each keystroke as the work is being completed. It will be the responsibility of the student to maintain the integrity of their files and keep proper backups.

#### **SAVING TO THE CHROMEBOOK**

- Students may save work to their Google accounts (or other cloud based storage medium) via the Chromebook.
- Storage space will be available on the Chromebook, but since the device has storage limitations it is vital that the storage space be privileged for the student's educational use only. It is also important to note that Chromebooks will NOT be backed up by the district in cases of resetting or re-imaging.
- It is the student's responsibility to ensure that their work is backed up and therefore not lost due to mechanical failure or accidental deletion.
- Chromebook malfunctions are not an acceptable excuse for

not submitting work.

#### **NETWORK CONNECTIVITY**

Elmwood Park CUSD 401 makes no guarantee that their network will be up and running 100% of the time.

- In the rare case that the network is down, the District will not be responsible for lost or missing data.
- Students will not be penalized if the network is down and a completed assignment cannot be accessed for class projects, presentations, etc. as this type of network outage will affect all students and staff in the school building.

#### **APPS AND EXTENSIONS ON CHROMEBOOKS**

All Chromebooks are supplied with the latest build of Google Chrome Operating System (OS), and many other applications useful in an educational environment. The Chrome OS will install updates when the computer is shutdown and restarted. This process will be automatic with virtually no impact on students.

#### **ORIGINALLY INSTALLED SOFTWARE**

- The Extensions/Apps originally installed by Elmwood Park CUSD 401 must remain on the Chromebook in usable condition and be easily accessible at all times.
- From time to time, the school may add software applications for use in a particular course. Periodic checks of Chromebooks will be made to ensure that students have not removed required apps/extensions. Applications that are no longer needed will automatically be removed by the school as well.

#### **ADDITIONAL SOFTWARE**

- Students are allowed to load extra extensions/Apps on their Chromebooks. Elmwood Park CUSD 401 will provide any required extensions/apps on the Chromebook. These apps/extensions will be available upon logging into the device using the official school approved email address.
- Any software that breaks the Acceptable Use Policy or that is deemed inappropriate for use in school is not to be downloaded or installed on the Chromebooks. This includes, but is not limited to, music, games, videos, images, e-Books,

and apps. Immediate removal of material (or device reset), contact with parents, and disciplinary action will take place.

#### **INSPECTION**

- Students may be selected at random to provide their Chromebook for inspection.
- Reasons for Chromebook inspection may include but are not limited to the following: functionality, maintenance, serviceability, and various violations of student acceptable responsibilities when using the Chromebook.

#### **PROCEDURE FOR RELOADING SOFTWARE**

- If technical difficulties occur or illegal software are discovered, the Chromebook may be restored from backup. The school does not accept responsibility for the loss of any software or documents deleted due to a need to reformat and/or re-image any device. Restoring the Chrome OS will restore the device to the state in which the user originally received it. All student created files stored on an external miniSD card, USB flash drive, or Google Drive will be intact after the operating system is restored. All files saved on the Chromebook that have been synced to Google Drive will be intact. However, all other data (music, photos, documents) stored on internal memory that has NOT been synced will not be restored.
- Students are highly encouraged to create a backup of all Chromebook documents and work as identified in section 5 above.
- Students are highly encouraged to manage their backup data to ensure that enough space is available for school created content.

#### **SOFTWARE UPGRADES**

- Upgrade versions of licensed software/apps may become available from time to time. Students may be required to check in their Chromebooks for periodic updates.
- Students are encouraged to periodically upgrade the apps on the Chromebook if prompted. Chromebooks run Chrome OS (Operating Software) Web browser. OS updates are conducted automatically on the OS.

In a free and democratic society, access to information is a fundamental right of citizenship. Internet access is consistent with the goals and objectives of the district, including preparing our students to be citizens of the 21st century. District 401 continues to provide this access to teachers, students, and the community in order to facilitate resource sharing, innovation, and communication. Elmwood Park CUSD 401 educators will provide guidance and instruction to the students in the appropriate use of such resources. The signed Digital Citizenship AUP Contract will be kept on file as a legal binding document. Failure to comply with the agreement for acceptable use may result in the student's loss of access to the network as well as other disciplinary actions, up to and including out-of-school suspension and/or expulsion, and referral to law enforcement authorities where appropriate.
