

Accessing Curriculum from Home

Students can access their curriculum links at home by following the instructions below.

These solutions will give students access to Pearson EasyBridge (MyPerspectives, ReadyGEN, CMP3 Math), GO Math! and STEMscopes.

1

From any browser on any device, go to <https://apps.google.com/user/hub> and login with your District Google Account (Email and Password can be found in PowerSchool). You will get what you see in your waffle.

2

If you want to access the list of Chrome Bookmarks for your school, you will need to sign in and make sure sync is on in the Chrome browser.

1. On your computer, open Chrome
2. At the top right, click the People icon 
3. Click "Sign in"
4. Sign in with your District Google Account
5. Click "Ok, Got It" to turn sync on
6. Click "Link Data"
