

ELMWOOD PARK EARLY CHILDHOOD CENTER PRESCHOOL SCREENING

WHAT: Elmwood Park Community Unit School District 401 is offering residents the opportunity to bring their young children who will be at least 3 years old during the 2019-2020 school year and no more than 5 years old as of September 1, 2019 to the Early Childhood Center for District 401 Preschool Screening. The purpose of the screening is to identify children who may benefit from a range of programs and services provided to preschoolers at our center. Children who participate in the screening complete a series of activities to assess their development and readiness for school. Each child will be evaluated in the areas of language, speech, English proficiency, social skills, cognitive skills, and motor skills. A hearing and vision screening is also included. The complete screening will take approximately forty-five minutes.

If you have a child who will be 3 or 4 years old during the 2019-2020 school year, please attend our preschool screening.
