

Elm Middle School Bus Routes

Students who have been identified as needing access to bus services will be given a color coded ID card with the bus number printed on it. This is the only bus they are permitted to ride. Beginning Monday, August 19th, all students must have an ID to ride the bus. **This rule is in place for safety and security reasons.**

Students will *always* be allowed to ride the bus to school if they have lost or misplaced their ID. There are no "bus passes". Students must have an ID to ride the bus after school, including the 4:05pm activity bus.

Pick up times may be adjusted at the beginning of the school year, therefore students should be at their corner at 7:20am each day that school is in session. The exact arrival time of the bus may vary due to traffic or weather conditions, but it will never arrive earlier than 7:20. Students should dress appropriately for the outside weather.
