ELMWOOD PARK EARLY CHILDHOOD CENTER The Final Voyage of the Flagship

I am very proud of the progress we have made in 13 short school days! Our PK students are showing some great independent skills and I am happy to see the way we are getting along with their classmates.

Our K students have been working on community building, classroom expectations, and learning our routines for a lot of different activities we've done. I would like to complement our K students on the excellent effort we have been giving to our initial assessments you've been taking. This initial data will be used to specifically address areas of need and areas where students can extend their learning.

Nurse Nitti's News

According to the CDC, flu season may be starting earlier than usual this year. Everyone should get a flu shot as soon as they become available. Check with your doctor. Walgreens and CVS also carry flu shots, which are administered by the pharmacist.

In case you missed it on Twitter; here's our new visitor welcome and story from Aug. 23, 2019.
