7th Grade Course Selection for 2020-2021
Multi-year program of academic and technical study that prepares students for a full range of post-secondary options within each career cluster. Career pathways provide a context for exploring career options at all levels of education. Career pathways link student learning to the knowledge and skills needed for future education and employment.
At the Middle School Level

Students have the opportunity to explore careers of interest. The combination of Career Studies and added Electives have created this opportunity.

The Career Interest Survey has allowed us to add or decrease Career Studies to our program.

6th and 7th graders will be able to explore all of the career clusters
What’s important for my 7th grade student?

Your 7th grader will be choosing what they want to explore on a deeper level.
A Day In The Life....
Students will have 4 core classes:
- Language Arts
- Math
- Social Studies - Civics
- Science

Students will then choose 5 electives for the year. We will do our best to ensure that your child experiences those 5 electives.

Students will choose 3 Career Studies for the year. We will do our best to ensure that your child experiences those 3 career studies.
What are the electives choices

- PE - Mandatory
- Music
- Engineering
- Art
- Technology
- Health
- Business
- Band
- Spanish 1
- Choir
What is a Career Study

Goes beyond general and into specifics

For Example: We may not have an elective that covers the career cluster of hospitality and tourism, but we can offer a career study that looks into that particular interest.

So, if your child chooses National Security as a career study and finds this content interesting, they may take the college and career pathway at EPHS of Government and Public Administration Cluster.

Can my child still have elective and career study opportunities if they are in band?
How will my child select courses?

December 2nd - Students will be receiving information on the selection and options for courses during Advisory.

December 3rd, 4th and 5th - Students will receive a Course Selection Google Form for them to fill out.

Deadline - December 13th
Thank You!
