

EPCUSD 401- VIRTUAL MULTICULTURAL NIGHT

We host a Multicultural Event each school year to honor the cultures in EPCUSD 401. Since we are unable to celebrate in person our EL team has put together a way that we can celebrate virtually!

1. Teachers have shared our Multicultural Event directions in SeeSaw or Google Classroom.
2. If you would like to participate, please work with your child on the link their teacher provided and turn it in to SeeSaw or Google Classroom by **Monday, May 11th at 9am.**

We look forward to sharing everything with our EPCUSD 401 families on Wednesday, May 13th. Thank you!!
