

Elmwood Park C.U.S.D. #401

Dear Parent/Guardian,

Included below is an update on our 2020 Summer Learning Academy program. Expectations for the program have been adjusted to fit the current COVID-19 pandemic, as well as the needs of the students and families in our community.

COST

The cost of all 2020 Summer Learning Academy classes has been waived. If you previously registered a student for Summer Learning Academy, the assigned fees have been removed from your student's account. If you previously paid a fee for Summer Learning Academy, your payment will be refunded within the next several weeks. If you have any questions or concerns about your refund, please contact Kim Kaminski at kaminskik@epcusd401.org.

COURSES

In replacement of in-person instruction, we will be offering free virtual courses for students. Available courses are outlined in the attached flyer and all students are invited to apply. Please note that even if your student was previously registered for a Summer Learning Academy course, you will still need to fill out an application for the online course.

LOTTERY

If the number of student applications exceeds the number of spots available for a course, a lottery drawing will be held to determine class rosters. Students may apply to participate in only one (1) Summer Learning Academy course. All duplicate entries of the same student will be deleted before the lottery drawing.

APPLY

Applications for Summer Learning Academy will be accepted from **Friday, May 1st** until **Monday, May 10th**. Parents will be notified of student registration on **Friday, May 15th**. You can find all application URLs on the attached flyer.

Thank you for your flexibility and patience during this time. Please contact Mrs. Morgan Freeck at freeckm@epcusd401.org if you have any questions.

Thank you,

A handwritten signature in black ink that reads "Morgan Freeck".

Morgan Freeck
Summer Academy Principal
