A Thank You

A sincere thank you for your interest in volunteering in Elmwood Park CUSD #401, and we are pleased to see your interest in helping support our students and buildings. Volunteers are an essential part of the way in which we are able to foster a connection between home and school, in addition to offering additional supports our students may need throughout the school year.

Who and What is a School Volunteer?

A school volunteer is an individual who resides in the District and volunteers to help expand and enrich the students' learning experiences by working under the direction of teachers and administrations. Those who volunteer should have a genuine interest in students, a commitment to the activity, regular attendance, and the flexibility and willingness to attend training sessions as needed.

Frequently volunteers come into the school to repeatedly work with students, staff, and administration. Parents can volunteer as classroom assistants, assist in office operations, help organize the library, and so on.

Volunteers who do not need to fill out this application, but still need to be screened through our security management system, would be those who are one-time volunteers.

Getting Started

All volunteers must complete the application and be scanned and cleared to volunteer by Raptor. Once approved, the building Principal or designee will make arrangements to provide an orientation on school policies and volunteer procedures.

School Procedures

Each school has specific information for the volunteer to learn. Volunteers needs to know fire drill procedures, lockdown procedures, restroom locations, parking areas, absence procedures, the use of cell phones, and general rules and procedures associated with the school and District.

Volunteer Application

All adult volunteer applicants, including field trip chaperones, must complete and application and wait for clearance via Raptor prior to beginning his or her volunteering or chaperoning. The application needs to be completed accurately and in its entirety. This will have to be renewed annually.

Health Regulations

Please do not come to school if you are ill. This includes, but is not limited to, a cold, sore throat, or cough. Please call the school and leave a message for, or even e-mail, the teacher when you have an unforeseen absence.

Attendance

Punctuality and reliability are appreciated since the students are counting on you. Please call the school and leave a message for, or even e-mail, the teacher when you have an absence.
Appearance and Manner
Volunteers should set a good example to students by maintaining professional conduct, language, and appearance.

Confidentiality
Volunteers must sign a confidentiality agreement and maintain strict confidentiality concerning information they learn about students or faculty. A misplaced comment can be detrimental to a student, their family, and the volunteer program as a whole. If you have questions or concerns, please speak with the building Principal or designee. It is also recommended for all volunteers to reference the District’s social media policy and expectations as they pertain to volunteers.

Visitor Sign-In/Sign-Out
Each time a person volunteers, they must sign in and out as if they were a visitor. They are also expected to wear his or her visitor badge throughout the school day.

Opportunities
Volunteer opportunities vary from school to school. Please contact the building Principal for available opportunities.

Helping Students Learn

- A student’s name is very important. Make sure it is pronounced and spelled correctly.
- Make sure the students know and can pronounce your name.
- Show that you are interested in each student as a person.
- Students make mistakes, so assure them it is part of the learning process.
- Build the student’s self-confidence.
- Ask questions that may lead students to answer their own questions.
- Let students try new methods, even if you know an easier way.
- Give the students as much as time as they need to understand new ideas. Patience is a virtue.
- Be reliable.
- Be sure students are understanding what you are saying because there are words that you may use that the students cannot comprehend yet.

PATT Membership

On behalf of the PATT at Elmwood Elementary, I would like to take this opportunity to invite you to join the PATT. Dues are only $2.00 per member, (parents, guardian, teachers, and administrators) Joining the PATT is a great way to show your support to our school and children! It is important to remember joining the PATT does not commit you to volunteering and / or participating in activates at the school. There are many additional ways to support the PATT such as volunteering time, participating in fundraisers, or making donations which are tax detectable. We feel the PATT works best when more people participate. We are asking that if you would like to help in the classroom that you do become a member of the PATT. The PATT is a community of parents working together with the teachers to make Elmwood a fun and inviting atmosphere for all. Thank you for your support!!!!!

Thank you,
Jennifer Ranallo
President
