## From the Principal's Desk..

Parents,

We continue to enjoy going into our classrooms' Meets to see the tremendous amount of progress our students are making. Although remote learning can be stressful at times, we would like to thank our teachers, parents and students for their continued effort.

If your child will not be able to participate in remote learning due to illness, doctor appointments, etc. please contact our school attendance clerk, [Mrs. Guillen](#), to report your child's absence. While we appreciate when you also let our teachers know, it is important to contact the office so the absence can be excused in our computer system. You can also call the attendance line and leave a message. The number is 708-452-3558. All calls must be received by 9 AM. Thank You!

If your child is having difficulties participating for any reason, please reach out to your child's teacher or one of us for support.

Also, as a reminder this upcoming Friday, November 20th is an early release day. Students will be done with their learning at 1:00 PM. Teachers will be unavailable after 1:00 PM, as we will be in a school-wide meeting. If your child needs support from the teacher, please be sure to reach out prior to 1:00 PM.

As always, if you have any questions, please do not hesitate to reach out to either of us. We are always here to assist you and your families.
