Dear John Mills School Parents and Guardians:

The revised learning schedule for all students is below and will go into effect on Tuesday, January 19, 2021. Students' daily class schedule will be shared by the classroom teachers by January 19th. *****The hybrid option is for families that chose hybrid in the learning survey in November 2020.** If you chose remote on the November 2020 survey but would like your child to be in the hybrid option for the 3rd trimester, there will be another survey sent out in late February.

Our hybrid learning option will begin on **Tuesday, January 19, 2021** for Kindergarten, 1st grade, 2nd grade, SPED Core, and SPED Instructional. Hybrid learning will begin on **Monday, January 25, 2021** for 3rd-5th graders.

***If a parent/guardian no longer wants their child in hybrid learning, you may choose remote instead. To do so, complete the form by **Tuesday, January 12, 2021**. Change to Remote Form: [English](#) [Spanish](#) [Polish](#) - *If you want your child to remain in hybrid, you do not need to complete the form.*
