What's Changed?

Our Service & Safety

While our service model is different to abide by the COVID-19 safety precautions, we are still here to provide quality meals to our students and community.

All meals are prepped in a socially-distanced environment by our staff wearing masks, while we practice enhanced cleaning and sanitation, temperature checks, and hand-washing.

We are still working to provide student favorites, including whole grain donuts, waffles and pancakes, pizza, chicken nuggets, fresh fruits and vegetables, and a special treat at least once a month.

New items to look for:

Italian Cheesy Pull Aparts
Super Donut for K-12
Strawberry Yogurt Chex Mix
Blueberry Vanilla Cookie Bites
Mini Rice Krispie Treats

Please see epcUSD.schooldish.com or the EPCUSD #401 district food service page for nutritional information, menus, home cooking ideas, and more!
