

# COVID Safety Protocols

**EVERY SCHOOL DAY** you have to certify through **CrisisGo** using the **daily** email or mobile application even if your student is not in school that day.

**CrisisGo will give you one of two results:**

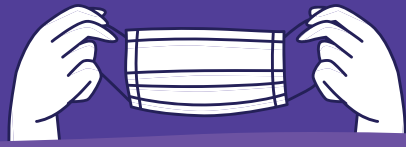

A green "**Entry**" means your student is good to go! They can go to school as normal! You're done until **tomorrow**, when you have to certify again!

A red "**Entry Denied**" means your student should **stay home** and learn **remotely** that day.

**Call the attendance line** to let them know your student is staying home - they'll have further instructions for you!
