Bus Routes for Hybrid Learning

Students will only be permitted to ride the bus if they have been identified as a hybrid learner on the specified day and during the specified time of bus pick-up. This rule is in place for safety and security reasons.

Pick up times may be adjusted at the beginning of this process, therefore students should be at their corner at 7:45 am. The exact arrival time of the bus may vary due to traffic or weather conditions, but it will never arrive earlier than 7:45 am. Students should dress appropriately for the outside weather.

For AM hybrid students, busses will pick up at the following bus stops between 7:50 and 8:05 am.

Students will be brought back home at 11:45 am.

For PM hybrid students, busses will pick up at the following bus stops between 12:05 and 12:15 pm.

Students will be brought back home at 3:15 pm.
