From the Principal's Desk..

Dear Parents,

Beginning April 6th, 2021 Elmwood School will begin offering full day in-person learning to students. Families have the option between full day in-person learning or full day remote learning for the remainder of the school year. We recognize this may be a difficult decision, and we are here to answer your questions. [To view the district presentation please click this link.](#) [To view a copy of the slides from the presentation, please click on this link.](#) [And to answer your survey with your choice, please click here.](#) The survey is available in [Spanish](#) and [Polish](#). All families must respond by February 26th. As always, if you have any questions or concerns, please feel free to reach out.

5 Essentials Survey

Each year the State of Illinois conducts the 5Essentials survey as one of the ways the state measures our schools and our school leadership. We kindly ask that all parents take a few moments to complete this survey. [You can take the survey by clicking here.](#) The survey will remain open until April 2nd. Your feedback is appreciated.
