

October 18, 2017

Dear Parents and Guardians:

We would like to invite you to our Fourth Annual Career Day on Wednesday, March 7th, 2018 from 8:45 am to 11:00 am. We are looking for parents and/or family members interested in spending time with our students sharing and discussing their specific careers, the importance of the subjects studied, and how elementary subjects are used within their jobs today. Our main goal is to help students make a work-school connection that will help them understand better the purpose of what they are currently learning, and motivate them to work harder at school. Our students have enjoyed this experience for three years and appreciate when our parent volunteers come and share their careers with them. You can make a difference in a child's life in just 20 minutes! There are countless stories of successful men and women that continued the path of that one career that was shared with them during their childhood at school. If you have never participated on Career Day, this is your opportunity! We will love to have you. If you have done it before, we hope you consider coming back! Your participation will also be a great way for you to get involved in SJS, and make an impact on the students' future.

Visual displays, hands-on activities, and handouts are always welcome. Classroom technology will be available to you to support your presentation. You are welcome to bring a flash drive with information and visuals.

Please complete the [volunteer registration form](#) provided no later than **December 15th, 2017**. Spaces are limited and volunteers will be scheduled on a **first come first serve basis**. Those parents that return their form will receive more details and instructions to the email address they provide on this form.

God bless,

Sister Mary Sue Carwile, IHM
Principal

Elsa I. Figueroa, M.Ed.
School Counselor
