

Rocket into Reading

Rising 5th Grade

Saint James Summer Reading Program

☆ Students are encouraged to read steadily during the summer months. Select enjoyable books at your appropriate reading level that you have not previously read. The Falls Church public library has a summer reading program you may be interested in as well as lists of book suggestions by age and topic.

☆ **This summer, students entering 5th grade will:**

1. Recommended: Read the book *Rain Reign* by Ann M. Martin. You may read a different book in place of this book. The important thing is that you read this summer. You should read every day. You might want to keep a log of all of the books you read this summer. Happy reading!

Rising 5th Grade Math Resources

Mastery of all operations is imperative for 5th Grade Math success.

Please use the following resources to help you prepare for 5th Grade Math.

REFLEX: You have been doing REFLEX for a few years now. Keep sharp over the summer by practicing 3x a week.

<https://accounts.explorelearning.com/reflex/student>

Moby Max: You were assigned a Placement Test by your 4th Grade teachers. This enables you to work at your skill level and progress accordingly. Plan to go to Moby Max, go to Math and do some practice over the summer. This will help you to be ready for 5th Grade Math.
