

Dear Parents,

Thank you for your willingness to sign-up and help during recess time. Below you will find links to the three areas in which we have designated for recess. Please make sure to wear a mask at all times when outside at recess duty. Children should have their masks on as well if they are less than 6 feet from another person.

When you arrive at school for recess duty, please come to the main office (Door #1) first for a temperature check, questionnaire and visitor pass. Once cleared you may go to your designated recess area.
