Supervisor of Special Services

June 19, 2018

Dear Parent/Guardian:

The Monroe Township School District would like to inform you that we are implementing a new online payment system for student lunch accounts. An online payment system allows for payments to be placed on student accounts with a check or credit card. Please be advised that checks, money orders, or cash are still accepted at each school.

Beginning in August 2018, you will be able to deposit money into your child's lunch account using our online pay provider, "Lunchtime". Please go to <https://schoolpaymentportal.com> to create an account. You may also access this link by logging into to the Parent Portal in PowerSchool with your online ID. Locate the "Cafeteria Deposit" on the home page for online payments. Once registered, you may follow your child's purchases and balances.

Please use this system to manage your child's café account to avoid any unknown purchases or negative balances.

"My Payments Plus" will be disabled in August. Please be assured that any positive balances will transfer over to the new system.

The Monroe Township School District appreciates your patience and cooperation as we work toward easier access, as well as better lines of communication moving forward with our food service program.

Sincerely,

Charles M. Earling  
Superintendent
