RIGOROUS ACADEMIC PROGRAMMING (RAP)

Our Challenge.....The RAP Model

What is RAP?

-  **RAP drives all our decisions**
-  **RAP ensures pupils receive the least restrictive programming**
-  **RAP dictates that students are placed in situations in which the student will receive the most challenging educational program commensurate with their peers with the appropriate accommodations/modifications to equalize (or level) the playing field to support a successful experience**

Challenge to Successful RAP

- ✓ **Test Scores**
- ✓ **Staffing**
- ✓ **Facilities**
- ✓ **Articulation**
- ✓ **Curriculum**
