WHAT IS GRAPHIC DESIGN?

Graphic Design is the art of combining visual arts and technology to create a wide variety of commercial media. Graphic designers create everything from logos to brochures to websites. Our program is taught with industry standard software and technology led by instructors who have real world experience to bring to the classroom. The Graphic Design program at Williamstown High School currently consists of three levels: Graphic Design 1, 2, 3 & Independent Study for 4. Students who complete at least three levels will be prepared with a personal portfolio to apply for a graphic design program at the college level.

SOFTWARE INCLUDES:

- Adobe Illustrator
- Adobe Photoshop
- Adobe InDesign
- Adobe Flash
- Macromedia Director and more!

PROJECTS MAY INCLUDE:

- Vector Drawings
- Photo Retouching
- Brochure Layout & Design
- Logo Design
- Packaging
- Animation
- Websites & Web Banners
