## MUSIC THEORY I

Do you love music? Do you want to learn how to read music? Music Theory is the class for you. Students will learn the basic concepts of how to read, write, analyze, and compose music. Concepts include scales, intervals, chords, rhythms, listening, and more. Students will also learn how to compose their own music on computer software programs and have the opportunity to showcase their work at public performances.

## PROJECTS INCLUDE:

- Original Compositions
- Music Software Projects
- Rhythmic Fugue
- Holiday Song Project
